HIGHLAND PARK, ILLINOIS THURSDAY, JULY 28, 1921

LOCAL ELKS WIN 13-2 HERE SUNDAY

LOCALS PLAY GOOD GAME

Hessler and Team Mates Score Another Victory for High- land Park; Return Game Next Sunday

With every man on the local team working at his best the Highland Park Elks defeated their visiting brethren from Blue Island 13 to 2 before a large crowd at the Central Park diamond. The bleachers were full, and many stood along the side lines to watch the game. About fifty members of the Blue Island lodge journeyed here to root for their comrades.

The game was one-sided throughout. Hessler was good, and he was ably assisted by the other members of the team. His nineteen strike-outs helped make the game lop-sided.

An unusual play was executed in the first inning. Highland Park had two men on bases and two out. Wayman a low ball that should have been good for three bases. Unfortunately, it hit Hise, who was running from second to third, and the batter was declared out.

Pictures of the two teams, as well as pictures of the two exalted rulers, William Conroy of Blue Island and A. E. Smith of Highland Park, were taken by Jacob Hecketsweiler.

Next Sunday afternoon at 2:30 o'clock the Highland Park Elks will play Blue Island a return game at the latter city. All Elks who plan to attend and who want transportation are asked to call A. E. Smith, Floyd Koon or Harry Butler.

Sunday, Aug. 7, the Elks will play at Woodstock with the Elks team of that city.

REORGANIZE STAFF
AT LOCAL HOSPITAL

Dr. L. M. Bergen is President. Plan to Have Resident Physician Live at Hospital

The surgical and medical staff of the Highland Park hospital has been reorganized and the officers are as follows:

President, Dr. L. M. Bergen.
Secretary, Dr. Arthur F. Byfield.
Executive Committee:
Dr. A. R. Sheldon
Dr. Kellogg Speed
Dr. Robert H. Herbst.

A joint meeting of the above officers was recently held with the advisory board when matters of importance were discussed and authorization given to equip the laboratory so that it will be possible to make any analyses which can be made in the best Chicago hospitals.

The staff was also authorized to secure, as soon as possible, a resident physician who will live at the hospital and be constantly available.

LOTUS IN BLOOM AT GRASS LAKE

Sojourners returning from pilgrimages to the famous Lotus beds at Grass Lake, Lake county, are effusive in their praise of the wondrous beauty of the distinctive flower, which some maintain blooms only in two spots in the world, at Grass Lake and in Egypt.

The intense heat which has been the cause of early maturity in plant life, has forced the lotus blossoms to bloom three weeks in advance of the regular time this year. In spite of this, those who have made the trip to the lake in former years declare the beds were never more prolific. The lake is a field of flowers.

SLUGGERS THREATEN LOCAL LUMBERMEN

Chicago Glazers Adopt High- handed Methods in Argument With Gourley Company

Four sluggers from Chicago, who claimed to be representatives of the Glazers' union appeared at the office of the Gourley Lumber company here. They asked for the manager, and finding that he was out, started to make threats to Lyle Gourley. They demanded that the Gourley company immediately stop using non-union labor in glazing. The spokesman of the party declared, "That work belongs to me". He struck Gourley, and another of the men grabbed a plane that Gourley was holding in his hand.

Their efforts were checked by the appearance of Herman Denzel, manager of the Highland Park Fuel company, who came in. John Gourley arrived a few minutes later.

Before they left, the men threatened the Gourleys, "You've been doing work that belongs to us. We're giving you warning that if there is any more of this non-union glazing you can be on the lookout for trouble".

Then they jumped into their machine and escaped. The numbers on the car were so bent that the figures could not be read.

Before they came to the Gourley office the men had gone to the R. F. Seymour place in Cary avenue, where the lumber company had glazed the windows, and they had smashed every pane of glass in the building.

The Gourley company has been doing its own glazing instead of having it done in Chicago, thereby saving money on their work. There has been no objection on the part of the union carpenters.

A warrant was sworn out Tuesday for the arrest of two of the sluggers.

F. McDERMAND HOUSE DAMAGED BY FIRE

Fire broke out Sunday about one o'clock in the Capt. McDermand house on Broadway ave., as the result of an over heated electric iron and damaged one room in the house to the amount of over three hundred dollars. The local fire department responded and extinguished the blaze before it spread to any other part of the building.

CENTRAL TIRE HAS NEW SERVICE CAR

The Central Tire Company, 8 No. Sheridan road, has put in operation a new service car. This will be at the service of motorists who have tire trouble within ten miles of Highland Park. The car has been christened "Chariot No. 1."

HIGHLAND PARK DAY COMMITTEES ANNOUNCED

PLAN MANY ATTRACTIONS

Big Parade to Start Celebration on August 24. Dancing, Ball Game, and Many Other Features

With members from six of Highland Park's live civic organizations working on each one of the eighteen different committees for Highland Park Day, August 24, 1921, the affair is sure to be of general and wide spread interest. Every committee vies with all the others to be most active of any and have more interesting reports than any of progress made and plans perfected.

To hear the respective chairman of track and field, comedy, concessions, aquatic and bands committees tell of their attractions is like hearing a circus crier tell of his newest and "Greatest Show on Earth." Then in comes the refreshment chairman looking capable and happy with definite arrangement made and orders actually given for the most delectable eats ever offered a crowd.

Next appears the dance committee with their huge out of door floor all but laid and their musicians champing at the bit, so eager are they to jazz the jazzers out of breath with irresistible rhythm.

The speakers committee will dazzle us all when they see fit to divulge the name (or names) of their orator (or orators) of the day, and the program committee promises to arrange events so that all the crowd can find convenient resting time to hear and enjoy.

The community sing has the songs selected to give proper setting, atmosphere and enthusiasm.

Now comes the Decorations committee with plans that will make look old New York on a show day. Look like Bird Center, and the parade committee have ambition to use the whole front page of the Highland Park Press in describing the floats, banners, groups, the decorated autos and vehicles of all kinds that are to come. In mentioning the parade near the last, it is not to be forgotten that it is the first and opening feature of the day.

Last but not least mention must be made of the Red Cross Committee. Ft. Sheridan is coming forward with furniture for two tents - a First Aid tent and a Rest Room tent which will include cots, tables, chairs and possibly the tents themselves. And most important of all a regular trained nurse for the First Aid tent is also furnished by Ft. Sheridan who with our own visiting nurse will insure expert and careful attendance throughout the entire day and evening.

The committees working night and day for the complete success of a Greater Highland Park Day are as follows:

Executive Committee
Business Men's Association - Albert Larson, S. A. St. Peter, Wm. E. Seaver, Mrs. Walter Grubbe, Mrs. H. B. Roberts.
Young Men's Club - R. H. Cutler, Sam Steiner, Mr. Harrison, Elchies, Eberst.
American Legion - Harry Elchies, Eberst.
H. E. Woman's Club - Mrs. Frank R. Cole, Mrs. Baker, Mrs. Luther.
Highland Park Volunteer Fire Department - Ed. Hoskins, Paul L. Udel, Geo. Clark.
Base Hoekins, Paul L. Udel, Geo. Clark.
Community Service - A. L. Herring, Mrs. A. R. Jones, Mrs. E. J. Grundy.

NEW REGULATIONS WERE SUCCESSFUL

The new bathing beach regulations drawn up by the city council, assisted by the special committee of citizens appointed by Mayor Samuel M. Hastings, were given their first real try-out Sunday. It is evident that they have accomplished very well the purpose for which they were made - to decrease the number of outsiders at the beach. Sunday there were very few people at the beach, and most of them were residents of Highland Park.

There is no restriction placed upon the people of this city in the use of the beach, except that they establish their identity by producing individual cards. These may be procured at the city hall free of charge. It is absolutely necessary that all have identification cards. Outsiders have been trying to bluff their way into the beach, claiming that they are residents of Highland Park, officials declare.

ANNOUNCE REDUCTION IN PRICE OF SODAS

Prices of sodas, sundaes, and soft drinks have been reduced by Highland Park drug stores. Gell's, Sweetland's and Pease's announced reductions this week.

All syrup sodas and sundaes are now 17 cents. Crushed fruit sodas and sundaes are 22 cents. Coca Cola, root beer, and phosphates are six cents. All these prices include war tax. Ice cream is sold as follows: bulk, 75 cents, brick, 65 cents.

OPEN BRANCH REAL ESTATE OFFICE HERE

Murray and Terry will open a branch real estate office in the North Shore ticket office which will be in charge of F. R. McVeity. The office will be opened about August 1 and they will give special attention to local real estate in Highland Park.

FRANCHISE ORDINANCE RATIFIED BY VOTERS

BALLOT WAS 438 TO 278

Ravinia, The Only District in Which Opposition Won; Railroad Will Sign the Franchise

The ordinance providing for new franchise for the Chicago North Shore and Milwaukee railroad was ratified by the citizens of Highland Park last Saturday by a vote of 438 to 278.

It is now up to the officials of the railroad company to ratify the franchise. They have already signified their intention to do so. The company, as specified in the ordinance, must pay the election expenses. As soon as the ordinance is ratified by the company it becomes effective.

A peculiar feature of the election was the fact that the Fourth district was the only one in which the ordinance was defeated. Inasmuch as the people of Ravinia receive the most benefit from the new franchise its defeat there, by a vote of 36 to 33, was regarded as a great surprise.

Ravinia, according to the ordinance, will have a new station and subway. It will have a new paved road along the right-of-way from the north line of Ravinia park to Cedar avenue, including retaining walls and fills in ravines at Cedar avenue and Ravine avenue, north of Roger Williams avenue. There will also be new ornamental lights for street intersections along the right-of-way between these points.

The activity of both sides before the election was no doubt responsible for the large vote. Many of those who were against the ordinance were working quietly for several days to work against the ordinance. Those who favored the ordinance, fearing that the franchise was in danger, also started to work. The result was a large vote.

The vote by districts was as follows:

Dist.	For	Against
1	145	143
2	49	31
3	211	68
4	33	36
Total	438	278

District 1 included all of Highland Park west of the railroad tracks; District 2, the north section of the city north of Moraine road and east of the tracks; District 3, all territory east of the tracks between Moraine road and Beech street; District 4, Ravinia.

GRASPED LIVE WIRE; DEATH WAS INSTANT

William Barris, Ravinia Park, Employe, Killed by Electric Shock Yesterday Morning

William Barris, 28, an employe at Ravinia park, was instantly killed yesterday morning about eleven o'clock when he grasped a 2,300-volt electric wire that had broken and slipped to the ground in front of the residence of Peter C. Harder, South Green Bay road, near Roger Williams avenue.

The wire had started a fire in the grass. Barris was warned by Mrs. Harder not to touch it; but he disregarded the warning.

Prior's ambulance was summoned and a pulmotor was taken to the scene; but the man was dead. When the ambulance arrived, Barris' hand, badly burned, was still clasped around the live wire.

An inquest was held last evening. No relatives of Barris have been located. He has lived at the home of Mrs. Fred Fischer for the past year and a half. Part of the time he has worked at Ravinia park as special policeman. Last winter he was employed by the Co-Operative Society of America as a salesman. According to papers found in his possession, Barris served in the army from June 27, 1913, to Jan. 22, 1920. It is believed that his father and some brothers are living in Canada.

MANY CHILDREN AT MOOSE ENTERTAINMENT

Pleasant Evening Enjoyed by Members of Local Lodge and Their Families

The coming generation were much in evidence at the social meeting given by the Local Order of Moose, Highland Park lodge, on Monday evening. The little tots greatly outnumbered the grown-ups. They were on their good behavior every minute and showed a keen interest in the entertainment.

Little Miss Yowell rendered a very fine piano selection; other numbers were a song by Mr. Sheahan; piano and violin duet by Miss Mills and Mr. Thom. Also Miss Gallagher assisted ably at the piano.

Card playing, dancing and refreshments in keeping with a hot evening were also indulged in and all were pleased with the spirit of the evening to become better acquainted.

It is the plan of the lodge to hold one social meeting every quarter and to aim at making each meeting more interesting, educational, and entertaining than the last.
