LOST — One unusually large siredale. Call Edwin Page, 229 Prospect Ave. Reward. 22

ARDEN SHORE MAKES PLEA FOR MANY NEEDS

Many Attend Picnic, July 22, at Rest Camp. Various Departments Report

The picnic at Arden Shore camp on July 22 was a great success. Many of the visitors enjoyed a pleasant day wandering around the beautiful grounds and watching the happy people having a fine vacation there.

After the luncheon reports were heard from department heads and a plea made for articles needed. The wants were many and varied as the following list will show:

The nurse in charge of the hospital wants a small sterilizer and rubber articles suitable for hospital use.

The kindergartners need more chairs and the little folks would like to have some soft rubber balls, a toy engine and some railroad track — that would be just about heaven for some of these.

The group of undernourished girls want very badly some pieces of colored organdie, silks and worsteds, also some need raffle. These girls cannot indulge in all the active sports of the camp and a little fancy work makes them happy while they are resting under the trees.

The boys in Boyville have a lot of wants — balls and bats, horizontal bars, and for quiet hours competitive games, copies of Huckleberry Finn, Tom Sawyer and the Tarzan stories.

In the Babyfold they need more baby carriages and on the beach there is always a cry for more bathing suits and bath towels.

The camp also needs beds, stationery, bath tubs and last but not least a piano — the old one is almost beyond repair.

The directors wish to thank the many friends of the camp for their generous response in the past to pleas for special needs. Articles that are no longer needed in the home often give untold happiness to these poor people who have so few comforts and pleasures in their lives.

Anyone having any of the above or other articles to contribute can have them called for by communicating with Mrs. Bruce McLeish, 85 Wentworth avenue, Glencoe, Tel. Glencoe 186, or by calling the chairman of the local committee who will attend to it.

LOST — Small black purse containing check for \$14 in favor of Frances Jacobs on Wilmette State Bank at Carnival, Tel. 1857 H. Pk.
LOST — At Carnival W. Park ave. 23pd

Conservation and Perculation

WHAT would you think of a manufacturing establishment which threw away the great part of its raw product? Not so much. That is exactly what is done when coffee is boiled by others than highly accomplished experts.

BUT when you make Coffee by the Perculation Process — WHY, you utilize the proper principle. You extract the essence of the berry. There's a difference. Try Perculated Coffee just once and you'll see!

DR. ALTA BACHELDER OPENS BEAUTY SHOP

Dr. Alta Batchelder has opened in connection with the chiropractic office, a beauty shop which will be under the supervision of Mrs. Jessica Wright. They are located at 33 S. St. Johns avenue.

Congress will patriotically follow the leadership of President Harding provided he comes across with the jobs.

We could now be gathering our vegetables — if they had come up.

E. P. SEDGWICK WRITES LETTER TO PRESS

Clipping From Manufacturers News, Explains "Why Some Automobilists are Disliked"

Highland Park Press, Highland Park, Ill. Gentlemen:

Supplementing a very commendable letter which was recently published in the Press, in relation to the muffler cutout nuisance, I am enclosing clipping from the Manufacturers News, which I hope you will have room for, as it may assist our police department in enforcing the ordinance against this nuisance.

Very truly yours,
E. P. Sedgwick

In all parts of the country come complaints to city officials about the inconsiderate of some automobile owners, and in some localities laws and regulations are being passed to compel them to be decent citizens. We all know of the fellow who comes back from his evening ride, at a time when the average men and woman has gone to bed, and announces his approach by blowing out the carbon with a dozen tremendous blasts, letting the engine run with the muffler wide open, and shouting to his companions as loud as he can.

He is the same individual who owns the road over which he travels and who has no regard for the rights of pedestrians who, in his opinion, exist for only one purpose — that of jumping like frightened deer when he approaches in his noisy machine. To see women and children run for dear life is one of his greatest enjoyments.

If, in addition to these pleasures, he can "hog" the road and bottle up other autoists, he is in the seventh heaven of delight. Of course, his idea of power is elemental and noise and power are one and the same thing in his dwarfed brain cells.

Automobile clubs have been making commendable efforts to curb the auto hog, but so far without success, and it is not improbable that before long they will insist that legal restrictions be placed upon him. Some thirty years ago, when the bicycle craze was at its height, the bicycle, one of the most useful devices ever popularized, was abused so shamefully by certain elements that a great sport and a healthful exercise was driven to an untimely grave, until today the use of the wheel is confined to messenger boys and children. A great industry was buried almost overnight.

Automobile makers and dealers owe a duty to the community at large. They should not sell a machine to a person who does not know how to use it properly. In a way an automobile is a more dangerous weapon than a pistol, and unless a driver knows how to handle it he is a menace to society.

These suggestions are offered in a spirit of helpfulness, because all diseases must be cured at the source, which, in the case of the automobile business, is in the dealers' sales rooms. If the manufacturer or his agents will not act, the people will, and that means a slump in sales.

COMMUNITY SERVICE

Another dance at Fort Sheridan for the disabled members of the Vocational Board Vacation Camp will be held Saturday night. The affair will be held in the gymnasium. Community Service will take a party of girls to this event and they will be in charge of the Y. W. C. A. with Mrs. Searcy and others — as chaperones. These desiring invitations should communicate with Mrs. Searcy.

A meeting of the Board of Directors of Community Service will be held at the Center next Monday evening at 8:00 p. m. A full attendance is desired.

Miss Sharitz of the Chicago District will arrive in Highland Park on September 12, for a three weeks period in which time a complete program in Dramatics and Social Recreation will be worked out with a permanent organization. Thus Dramatics will find a definite place in the work of Community Service next fall and winter. While here Miss Sharitz will assist in preparing another pageant for Highland Park which will be presented in the early Autumn.

When through with your magazines send them to the Community Center. They will be used and appreciated.

The bonds recently issued by Community Service are now ready and may be gotten at the North Shore Trust Company by applying to Mrs. Grundy there. Mrs. Grundy, treasurer of Community Service, requests that all who have purchased these bonds see her at their earliest convenience and take them up.

Mrs. Howard Wrenn, of the Community Service Dance Committee, has returned from a vacation in the west, and upon the return of Mrs. Wiles, also of the dance committee, will work out plans for the dances for the coming season. Contemplated plans cannot be made public at this time, but it is certain that the dances will be larger and better than ever.

COUNTY LOST THIRTY FARMS IN 10 YEARS

In Lake county, the recent U. S. census report shows, there are 2,200 farms, or thirty fewer than there were ten years ago. Nevertheless, the values of land and buildings have increased from \$27,842,623 to \$48,525,604, or 74.3 per cent. Kane county shows a decrease in the number of its farms from 2,500 in 1910 to 2,248 in 1920, with an 82.9 per cent increase in value. DuPage county the number of farms has increased from 1,599 in 1910 to 1,756 in 1920, and their value has increased 84.7 per cent.

TWO WOUNDED IN REVOLVER DUEL
Railroad Detective and Train Bandit Shot in Battle at Blodgett

Maurice Leahy, special railroad detective, and Herbert McGammond, 4154 North Tripp avenue, Chicago, were badly wounded in revolver duel at Blodgett about midnight Saturday. Leahy was walking along beside a freight train that had stopped at Blodgett. He saw two men trying to break the lock on a freight car. One fired. The bullet tore through the detective's abdomen. Nevertheless, he charged even after one of the bandits had struck him on the head with the butt end of a revolver. Leahy shot several times, four of the bullets penetrating the body of McGammond.

Both McGammond and Leahy were rushed to the Highland Park hospital. Leahy is recovering. A second member of the bandit gang was later captured in Chicago. His name was given as Harold O. Brandt, 2916 Montrose avenue, Chicago.

Leahy, whose residence is 2934 Seminary avenue, Chicago, is an A. E. F. veteran. He was recently married.

NUMBER 23
BUSINESS MEN TO PICNIC AUGUST 22
MEETING TUESDAY

Highland Park People Patrons Merch Give Employee Hours

At the regular meeting of the Highland Park Business Men's Association, held Tuesday evening at the Chamber of Commerce building, it was decided to have an annual picnic Wednesday at the forest preserve south of Wheeling. The picnic will be held at the Witten building at 11:30 a. m. There will be cars to take the picnic party to the preserve.

The matter of the new road to connect Telegraph and Sheridan roads was discussed. It was decided that the action that had been taken by the state and county to widen this road. The business men will urge the state to secure the land Park route for this road.

There was some talk of a picnic on roads where sidewalks. The association is sponsoring a lay which will be held on the sidewalks, so that the traffic, so that the sidewalks and other traffic is kept clear. A great many complaints have been received from drivers of autos not being able to pass automobiles, especially in approaching from the rear. It is almost impossible for a person walking in a machine while you are in motion.

It was especially moving that started the Highland Park people to see men who are Business Men's Association who close their stores at 1:00 o'clock, and who give a half holiday to maintain this schedule with others who operate the evening and morning. Grocery and particularly affected. These business men whose employes may cause other places to have closed for the day.

MORE MEN COMING TO FORT
Closing of Several Will Give Full Enrollment

Fort Sheridan is in its own. At one time it was one of the army posts in the country. It came a time when it was deserted and there was no one there. During the war it was a training camp for the army. It has been used as a camp for wounded soldiers. Now, however, it appears long the activities will surpass anything that has been known in the past.

Due to the new arrangements for the fair to become an annual event with a large number of exhibitors, these from the camp were closed.

From Camp Grant the 54th Cavalry, the second infantry. The cavalry is to send one of its regiments to Camp Sheridan.

With these various activities Fort Sheridan is quite a warlike affair. It is to be sent to the local time.

HOSTESS HOUSE CHICKEN
Chicken dinners at the Hostess house. Saturdays and Sundays also dancing. Evening at eight thirty. He is invited to attend.

AUTOS COLLIDED
Two cars, one of Schuman of the P. the other owned by were slightly damaged last Sunday. The cars collided at the Bay road and Dear damage was not serious.
