There have been many affairs given in Deerfield, but the Carnival of Saturday evening, August 6th, given for the benefit of the Volunteer Fire Department surpassed them all, both financially and socially. Never before in Deerfield did an occasion bring so many of the surrounding town people together. The festivities of the evening were opened by a parade headed by the Daily News band of Chicago.

Miss Lois Adams was elected Queen of the carnival and appeared very charming in a gown of yellow and gold. Splendid music was furnished by the Daily News band for the dance which was held on the concrete road in the center of the Midway. Those not choosing to dance found pleasure in the many other amusements afforded. No fault could be found with the refreshments, neither in lack of variety or quality, a possible complaint.

Mr. B. H. Kress, chairman of the arrangement committee wishes to thank all those who acted on committees or helped in an way and made the affair such a perfect success and an occasion long to be remembered in Deerfield.

Mr. Fitzgibbons of Highland Park won the Ford which was raffled.

Mr. Harry Muhlke won the five dollar bank account for guessing closest to the amount of pennies in a jar.

United Evangelical Church

Rev. A. R. Alepian, a native Armenian, whose own folks were massacred by the Turks, came to this country a few years ago and was educated in the seminaries here. We shall have the privilege of hearing him speak at our regular Sunday morning service, August 14th. He comes to speak to us not for the purpose of making a plea for his people or for raising money for them, but to give us a christian message. His subject will be "Mohammedanism vs. Christianity."

The subject for the young people's meeting in the evening will be "True temperance in heart and life."

In the evening in place of the regular service, the time will be given over to a special program of sacred music. The choir and orchestra, together with some exceptional outside talent will make up the program. Service will start promptly at 8 p. m.

On the following Sundays, August 21st and the 28th there will be no services here, either morning or evening, due to the Barrington camp meeting, to which many from here are planning to attend.

M. E. CHURCH

The Sunday School

The presence of one hundred and three and an offering of fourteen dollars last Sunday morning indicates that the hot, dry summer months are not so disastrous as they might be. From the primary to the adult departments a spirit of wholesome interest was evident. Plans for the primary department which will make the way in which those present took satisfactory are to be carried out soon. A separate department for each class is the idea.

Church Services

The morning service was well attended. The spirit of mutual interest and fellowship was most helpful. Such services as this augurs well for the future.

The Epworth League service was a success from every viewpoint. The attendance was good and the discussions animated and uplifting.

The evening service was not quite up to normal in attendance but the spirit was fine, the solo by Mr. Oscar Meyers accompanied by Mr. H. V. Nicholls was well received and the presence of God was felt.

Services of the Week

Tuesday at 2:30 p. m. the W. F. M. S. meets with Mrs. Kathryn Kelley. Mrs. A. W. Vercoe leads the study.

The annual election of officers for the ensuing year will be held. The nominating committee, Mrs. J. L. Laegler, Mrs. John Meyers and Mrs. H. D. Dick, have succeeded in securing a strong staff of officers for the approval of the society. The future could not be brighter.

Wednesday at 8 p. m. the midweek prayer service.

Friday at 7:30 p. m. the young people will give an ice cream social on the church lawn. All are invited to come and help.

Sunday Services

The Rev. and Mrs. E. Tetreau, formerly of this church, are spending three weeks here. Mr. Tetreau is instructor in the Rural Preachers' Short Course at Northwestern. Their presence is greatly appreciated. And in view of their presence we have planned to hold a sacramental service Sunday morning at 10:45, following the Sunday school which will meet at 9:30. The entire hour will be taken for this service. Each communicant will be provided with a ritual. We earnestly invite all Christian people of the community to come and enter into this fellowship.

Following the sacrament of the Lord's Supper the sacrament of baptism will be administered in a christening service.

The Epworth League will meet at 7 p. m.

At the evening evangelistic service the Rev. Tetreau will preach. We hope all who knew this former pastor will be present and renew the old friendship in this form of service.

Although this piece of information should have appeared in The Press some time ago, still it will be interesting news. Sunday evening, July 31, the topic for discussion in the Epworth League devotional meeting was, "The Sacredness of Song." Mr. Howard W. Stoker lead the meeting, and it was a success judging from the way in which those present took part. And this is the way the Epworth League of Grace M. E. church conducts its summer meetings in spite of the "hot" weather. We do not believe in closing down for the summer, it is not God's will that we should do so.

Friday evening, August 12, the Epworth League will give an ice cream social on the lawn of the church. The affair is open to the public, and everybody is invited, both young and also a little older, to come and enjoy the affair. A good time is promised with ice cream, "pop," cake and the fish pond.

All young people who belong to no young people's society, or who do not attend one, will be welcomed at our devotional services on Sunday evenings at 7 o'clock.

The church is on North avenue just east of Laegler's drug store.

BARBERRY SURVEY IS COMPLETED HERE

H. E. Brubaker of U. S. Dept. of Agriculture Gives Report in Full

Evanston, Ill. August 1, 1921

Highland Park Press, Highland Park, Ill.

Dear Sir:

Having completed the barberry survey of Lake county I thought your readers would welcome a report of our findings.

In Highland Park 500 bushes were found growing on 86 properties up to July 15, 108 of these bushes from 30 properties had been removed. In Lake Forest 2,446 bushes were located on 152 properties, of which 796 had been removed from 60 properties up to July 15.

In Waukegan and North Chicago the survey has just been completed with a total of 525 bushes on 101 properties. As a grand total for the county there are some 16,000 bushes of the common barberry, many of which are growing wild, having been disseminated by birds from the tame plantings.

I would be very glad if you would convey our appreciation of the willingness of the people as a whole to co-operate with us in making a clean sweep of the common barberry, and to the few who still retain their bushes we wish to emphasize the importance of their immediate destruction before another crop of berries ripen to be scattered broadcast into the timber, by the birds.

I am, Very gratefully yours,
H. E. BRUBAKER,
Field Asst., Dept. of Agriculture.

Some one asks what has become of the old fashioned chaparone. The last heard from the supply of blind and deaf ones had given out and no others are considered qualified.
