#### RESOLUTION IS ADOPTED

Members Pledged to Support State's Attorney in all Law Enforcement in Lake County

In order to show the public at large that they are strongly in favor of State's Attorney Smith's law enforcement program, the Lake County Bar association on Thursday adopted this resolution of confidence:

WHEREAS, It has come to the knowledge of the Bar association of Lake county, Illinois, that on last night, August 10, 1921, the home of State's Attorney Colonel A. V. Smith was sought to be destroyed by the exploding of a dynamite bomb placed under the porch of his home, with no other purpose than the taking of the life of State's Attorney A. V. Smith and his family; and

WHEREAS, the act was unquestionably done by reason of the vigorous prosecution work carried on by the State's Attorney in the fulfillment of the duties of his office in the prosecution of parties throughout the County of Lake for the violation of the prohibitory laws; and

Whereas, the Bar association of Lake County is united in commendation of the state's attorney for his relentless enforcement of all the laws on the statute books that have been brought to his attention as having been violated; and

WHEREAS, the attack is one of the utmost public importance and should be taken notice of not only by this association, but by every other organization which stands for law and order;

THEREFORE BE IT RESOLVED, that the Bar association hereby pledge itself and every member to support the state's attorney and his assistants in all law enforcement and to lend his office and his person and his family and his home all the protection within its power, and hereby offers a reward of TWO HUNDRED DOLLARS for information leading to the arrest and conviction of the cowardly perpetrator of this outrage against a fearless public officer.

#### SUPERVISORS STIRRED; OFFER \$1,300 REWARD

Board Assists in Searching for Men Who Bombed State's Attorney's Home

The Lake county board of supervisors, headed by Ray Paddock, chairman, of Wauconda, last Friday at Waukegan announced that a reward of \$1,000 will be paid for information leading to the arrest and conviction of those responsible for the bombing of the home of Ashbel V. Smith, state's attorney, early Thursday morning. The bombing, the state's attorney said, undoubtedly was a reprisal by the bootleggers and moonshiners against whom he has conducted an eight months' war, resulting in the conviction of more than 200 violators of the prohibitory law. The Daily Sun, Thursday offered a \$100 reward. The judiciary committee of the board of supervisors agreed upon the \$1000 reward.

The Lake County Bar association offered \$200 reward.

Thousands of friends of State's Attorney Smith have rallied to his aid.

The prosecutor said that hereafter he will take the cases of persistent bootleggers before the grand jury so that he will be able to ask for prison sentences for violations of the prohibitory law after the first offense.

The Waukegan police have been guarding the home of Col. and Mrs. Smith and this plan will continue as a protection to them.

Members of the board of supervisors declared that if necessary an amount will be voted to provide special guards for the state's attorney's home.
