## RAVINA SEASON TO CLOSE MONDAY

### TRIPLE BILL SATURDAY

Several Good Things Scheduled For Last Few Nights; "Lohengrin" Will Be Given Again Sunday

Only a few days more, and the Ravinia Opera company will have packed up its costumes and grease paint, and departed until next June. This is in effect the last week, though Mr. Eckstein holds out promise of entertainment until the night of Labor Day, Sept. 5.

It has been a pleasant season, with many good things accomplished—one of the kind that makes everyone sorry when it is over. Twenty-seven different operas were given when "Lohengrin," the last on the list was sung Wednesday night.

Ravinia has done so well the last few years that certain other American cities are beginning to imitate it. However, Ravinia will probably remain unique for a long time. It would take a good many years to duplicate the physical surroundings of Ravinia.

The one thing that lessens the regret over the season's closing is an explicit promise that there will be another season of the same persuasive kind next summer.

This afternoon the last of the children's Thursday afternoon programs will be given. The program will be as follows:

**REQUEST PROGRAM**  
Conductor Albert Ulrich  
1. The Star Spangled Banner  
2. Prelude to Hansel and Gretel  
3. Forest Murmurs from "Sigfried"  
4. Forest Murmurs from "Sigfried"  
5. Side of the Valkyries  
6. Side of the Valkyries

The program for the rest of the week at Ravinia will be:  
Tonight: "Madam Butterfly," with Anna Fitzu, Miss Gentle, Chamlee, and others.  
Friday night: "Zaza," with Frances Peralta, Miss Gentle, Kingston, Ricardo, Stracciari and others.  
Saturday afternoon: Chicago Symphony orchestra in concert.

Saturday night: Triple Bill; balcony scene from "Romeo and Juliet," with Miss Sundelius, Hackett, Margery Maxwell, and Paolo Amanian; "Cavaleria Rusticana," with Miss Peralta, Chamlee, Pico, and Philine Falco, and the third act to "Manon," with Miss Fitzu, Hackett, and Rothier.  
Sunday afternoon: Concert by the Chicago Symphony orchestra.

Sunday night: "Lohengrin," with Anna Fitzu, Miss Gentle, Kingston, Marr, D'Angelo and Millo Pico.  
Monday afternoon: Concert by Chicago Symphony orchestra.  
Monday night: Triple bill: "Don Pasquale," Act III, with Vittorio Trevisan and Millo Pico. "I Pagliacci," Act I, with Frances Peralta, Kingston, Stracciari, Pico, and Patrineri. "La Boheme," Act III, with Miss Fitzu, Margery Maxwell, Mario Chamlee, and others.

"Lohengrin" proved a big popular attraction when it was presented for the first time last evening. A large crowd packed the auditorium and many found standing room around the outside. The opera was a great success, and it is to be regretted that it was not presented earlier in the season.

## GREEK WRESTLERS AT FORT SHERIDAN

The Greek Olympic club of Chicago staged three wrestling exhibitions at Fort Sheridan for the benefit of the disabled soldiers Monday night. In the main bout John Corries won a one-fall match from Frank Sterkal in fourteen minutes. Jim Talef and Sam Vorres and Peter Kiriaos and Gus Karas gave fifteen-minute exhibitions.

## MRS. JOHN F. SCOTT DIED LAST NIGHT

Mrs. John F. Scott died at her home last night at 12 o'clock, having been ill for the past few months, following an operation.

Mrs. Scott was 54 years of age, and has been a well known and highly esteemed member of this community for the past twenty years.

She leaves to survive her, Mr. John F. Scott and two sons, John and Homer.

## GLENCOE LOSES TO Y. M. C. BALL TEAM

### Duffy's Single Brings in Winning Run; Play Lake Forest Sunday

Two months ago the Young Men's club defeated Glencoe here in a hotly contested game. The Glencoeites not satisfied with the decision of the umpire in a close play, decided to protest the game. This was done, and the game was ordered by league officials played over at Highland Park.

Last Sunday the game was played, resulting in a victory for the "Home Guards" to the tune of 3 to 2. Both sides played good baseball and the score was tied by Glencoe in the eighth and it looked like extra innings for a while. But in the ninth "Ruddy" came up and smashed out his second double of the game, and Duffy who followed him, connected solidly with the spheroid and "Ruddy" galloped over the pan with the winning run. The Young Men's club were at a disadvantage in not having their regular line-up in the fracas, as several of the club were attending a tournament at one of the golf clubs, but in spite of the patched line-up the boys played the best kind of baseball and ably filled the shoes of the absentees. Elmer Therrien pitched for the locals. He displayed a line of wares to suit the most fastidious. Another series has been arranged with Lake Forest who are still smarting under the double defeat administered to them earlier in the season, and the first of the new series will be played Sunday afternoon on the local grounds. On Labor Day the locals will play the return game at Lake Forest.

## COMMUNITY SERVICE CARNIVAL A SUCCESS

Many Attend Dance at Sunset Wood Thursday, Friday and Saturday

The carnival held at Sunset Wood Thursday, Friday and Saturday of last week for the benefit of Community Service was a success in every way. The crowd was fair on Thursday night. It was not expected that a record crowd would attend that evening because many were resting from their labors on Highland Park Day, but Friday night's attendance would undoubtedly have been larger had it not been for the threatening weather, and a small shower early in the evening. But on Saturday evening the weather and all conditions were propitious and as a result there were about three thousand who attended the affair. The dancing was enjoyed by hundreds, and the music furnished by Benson's orchestra was a feature.

## NEW FOUNDRY COMPANY HOLDS FIRST MEETING

Election of Officers Monday, Aug. 22; A. K. Barr, No. Chicago, President

The first regular meeting of the stockholders and directors of the Waukegan Foundry company was held Monday evening, Aug. 22, for the purpose of incorporating. A. K. Barr, former manager of the Barr Pattern company, North Chicago, was elected president. Elmer L. Clavey, manager of the Ravinia Nurseries, was elected vice-president. E. T. Skidmore, for the past 15 years credit manager for the Chicago Hardware Foundry company, was made secretary-treasurer. O. G. St. Peter of Highland Park was elected a director. The company operations have been held up on account of building trouble, but it is expected that they will soon start manufacturing semi-steel and grey iron castings.

A large number of members attended the meeting of Highland Park lodge, No. 1362, B. P. O. E., last Friday night. Several candidates were initiated, bringing the total number of members over the 300 mark. A fine luncheon was served after the meeting.

## ELKS TO HOLD BIG OUTING LABOR DAY

### LARGE CROWD EXPECTED

Many Interesting Features Promised in Celebration Monday at Sunset Park; Base Game with Highwood

A big Labor Day outing will be held by Highland Park Lodge No. 1362, B. P. O. E., next Monday in Sunset Park, Highland Park. This big event will vie in importance with the Highland Park Day celebration held Wednesday, Aug. 24, in Sunset Park. Everyone is invited, and preparations are being made to accommodate a huge crowd.

During the day there will be a continuous round of entertainments and special features. Boxing and wrestling matches will help make the day snappy. In the evening there will be a big dance on the fine open air pavilion recently erected in Sunset Park.

The baseball game will attract thousands, it is expected. The fast Elks' team will meet the Highwood team, which this year took the North Shore League championship cup. Those who saw the Elks-Young Men's club game a week ago are anxiously awaiting the contest Monday.

The usual concessions will be running full blast on the grounds Monday, and in addition there will be several features in this line. Two \$300 diamond rings will be given away.

The Highland Park Elks have a wide reputation for initiative and enthusiasm, and the outing Monday will no doubt be one of the biggest celebrations ever held in this city.

A powerful wireless receiving station will be erected on the grounds at Sunset park for the occasion. Messages from all over the world will be received during the day. Alex J. H. Smith of Glencoe, electrician, and member of the Elks lodge here, will superintend the installation of the wireless apparatus, and the construction of a large aerial.

## MAY CLEAR \$2,000 FROM CELEBRATION

Persons Having Bills Against H. P. Day Committee Urged to Turn Them in

According to an early estimate about \$2,000 was cleared Highland Park Day. Bills are still coming in, however, and this amount may be cut down. The money will be divided equally among the following organizations: Business Men's Association, Woman's club, Young Men's Club, American Legion, Y. W. C. A., Community Service, and the Highland Park firemen.

Anyone having a bill against the Highland Park Day committee is urged to turn it in to Charles Grant at the Highland Park State Bank, after having it sanctioned by the chairman of the particular committee in whose department it lies.

Unfortunately, the story of the Highland Park Day celebration last week had to be written for the Press in a hurry, and the names of several individuals who did a great deal of work were omitted in the write-up. George Bock of the refreshment committee, Harry Eichler, concessions committee, and Mrs. Harry Butler of the prize drawing committee, are among those who deserve special mention for their work.

## CHILD TAKEN ILL IN MILWAUKEE

Margaret Veronica Merriman, the seven-year-old daughter of Thomas Merriman, Second street, is in the Trinity hospital in Milwaukee, where she is recovering from an operation recently undergone. She had gone to Milwaukee to visit an uncle and aunt, Mr. and Mrs. George Merriman, and became suddenly ill.

## ELKS LOST TO NEW TRIER LAST SUNDAY

Absence of Veteran Pitcher Handicaps Local Team; Play Glen View Sunday

The Highland Park Elks baseball team lost 5-2 to the New Trier Pioneers at New Trier last Sunday. A large crowd attended the game, many Highland Park rooters, accompanying the team. Hessler, the veteran Elk pitcher was troubled with a sore arm, so Richardson of the Logan Squares pitched for Highland Park.

Sunday the Elks will play Glen View at that place. Monday will occur the big game with the Highwood North Shore Suburban league champions at Sunset Park. Wednesday, Sept. 7, the team will meet Waukegan in the tournament at the Libertyville fair.

## LEAVE OCT. 5 FOR TOUR IN EUROPE

Former Residents of Highland Park Return for Visit; Now Living Near Paris

Mr. and Mrs. Lawrence C. Ammons, formerly of Highland Park, have recently returned to Evanston from their present home at a villa in Saint-Cloud, near Paris, France. They will sail for France on the SS. Paris October 5, and will take with them a group of young people who will study music, French or college preparatory work in Paris during the coming year. They expect to tour the continent during the winter, stopping for a month at Saint Moritz for the famous Swiss winter sports, and visiting the Riviera later. Next summer they will travel in the British Isles before returning to this country. Two young women from Highland Park will be members of the party.

## ROOMS FOR TEACHERS ARE IN DEMAND

The Elm Place school is opening its doors for the fall term on Tuesday, September 6.

There are some new teachers coming, for whom as yet, no accommodations have been found. If there are any moderate priced single rooms available in homes within a radius of three or four blocks of the school, the school board would like to hear of them, through Mrs. George G. Greene, telephone 820-M.

The Board deeply regrets not having suitable quarters ready for all the teachers, in the shape of a teachers' home. This is something that the town owes to its fine corps of teachers, and which, now the financial conditions have somewhat improved, should be planned for without further delay.

## SCHOOL WILL OPEN TUESDAY FACULTY CHANGES ANNOUNCED

### THIRTEEN NEW TEACHERS AT DEERFIELD-SHIELDS

High School, Ravinia and Oak Terrace Lose Many of Last Year's Teachers; Preparations Practically Completed for Beginning of Fall Term Next Week. No Confusion Expected.

Highland Park schools will open Tuesday for the fall term. Preparations are practically completed at each school for the entrance of students, and very little confusion is expected.

Several new teachers have been secured at the Deerfield-Shields high school. The new members of the faculty and the subjects they will teach are as follows: William Einbecker, science; E. L. Williams, physical training; Edward Burwell, civics; Gail Hathaway, English and public speaking; Beasis Proudfoot, English; Linda Rodenbeck, Spanish; Lila Lunderdale, Christine MacMartin, Mathematics; Lois Hodges, typewriting; Mercy B. Miss Rhodus will be an assistant at Lake Forest college. Mr. Brooks has taken a position at Carleton college. Miss Dennison is in Cincinnati. Dr. Newhall has gone to Haverford school for boys at Philadelphia. Miss Munson will remain at home because of the illness of her mother. Three of the teachers who leave Deerfield-Shields were engaged temporarily last year to finish the term.

**Lincoln School**  
At the Lincoln school the staff will be the same as last year with the exception of an additional teacher, Miss Edith Cornell of Chicago, who will have charge of the fourth grade. The kindergartens at both schools will be discontinued for the coming year, because of a lack of suitable space. New building plans provide for kindergartens.

On account of the crowded conditions it was decided to charge tuition to children living outside of District 108.

**Catholic School**  
The Immaculate Conception school will open Tuesday, September 6.

**Oak Terrace**  
Only one of last year's faculty at Oak Terrace will return this fall. Miss Olive Renehan will continue her work as teacher in the fourth grade. S. D. Nelson is principal of the school.

**Elm Place**  
Elm Place will open its doors to the children on Tuesday morning with a corps of thirty teachers. Provision has been made so that there will be no crowded rooms, but every bit of space available for class rooms will be utilized. The original capacity of Elm Place is twenty class rooms, but beginning next week there will be twenty-six class rooms in regular use. The extra rooms, six in number, have been provided for by making minor alterations in the annex, and by turning two office rooms and the wings of the auditorium into temporary class rooms.

To secure more nearly even distribution of enrollment during the year in kindergarten and in first grade, it is proposed to set a limit upon the admission of under age pupils to these classes. Kindergarten age will be five years and only children under that age will be admitted whose fifth birthday occurs before the first of October. Children eligible to kindergarten privileges must be enrolled during September or wait for enrollment until the February class is organized.

Pupils beginning the work of first grade must be at least six years of age and only those under that age will be admitted whose sixth birthday occurs before the first of October. Exceptions to this ruling, if made at all, will relate to pupils that have completed the kindergarten course.

Elm Place bookstore will be open as usual and books will be sold at cost. For note books, pencils, water-colors and other supplies pupils will be referred to local merchants.
