BOYS', MISSES' AND CHILDREN'S SHOES

BUTLER'S SHOE STORE
 Highland Park, Ill.

Just a Word of Explanation:
 For certain reasons which I cannot enter into detail to explain, I have been placed in charge of this stock with instructions and full authority to slaughter same until a certain amount has been sold.

This stock, as the friends and patrons of this store know, is composed of nothing but A No. 1 shoes purchased direct from the best shoe manufacturers and strictly guaranteed by them.

Dependable shoes, marked in plain figures, courteous treatment and a one-price store has won for Mr. Butler the patronage he so justly merits.

While being heavily overstocked at this time means a loss to him, it also means a tremendous saving for those who take advantage of this to lay in their supply of footwear.

A. J. CLEVELAND.
