SHOOT TO KEEP CAR OFF FRESH CONCRETE

DRIVER PROTECTS ROAD

Claims Motorist Broke Through Barricade Near Volo; Other Brief Items of Lake County News

Firing a charge of shot into an automobile, James Lanaghan, truck driver for Paschen Bros., Chicago contractors, Saturday wounded a man. It was believed that J. J. Onchank, detective, 3268 Armitage avenue, Chicago, was the man injured. According to the license number he is the owner of the car. The driver, according to Lanaghan, brandished a revolver and demanded that the latter take away a truck placed across Belvidere road, between Hainesville and Volo, to protect the green concrete. A warrant was sworn out Saturday by State's Attorney A. V. Smith, charging Onchank, who is believed to have been the driver of the car, with a misdemeanor. It was charged that Onchank broke the padlock on the barricade at the end of the stretch of new pavement, and was coming down the road at the rate of 60 miles an hour, when Lanaghan drove the truck across the road to prevent the machine from going into the soft concrete.

Frank Maloney and Earl Cushman, aged 10 and 11 years, Wednesday evening, Sept. 7, discovered about a dozen large bottles of morphine and heroin which had been carefully secreted under a small culvert near their homes in West Belvidere street, Waukegan. There were one hundred tablets of morphine sulphate, 1-4 gram, and one hundred tablets of heroin hydrochloride, 1-12 gram. Where the poison came from was not discovered.

D. G. Hall, charged with impersonating a motorcycle policeman and extorting "fines" from autoists was bound over to the grand jury under bonds of \$1,000 when he was arraigned in police court in Waukegan last Friday. Hall, it was said, admitted stopping C. L. Meyers of Milwaukee, near Zion and accusing him of speeding. He let the motorist go when the latter deposited \$5 with him.

Paul Trator, who conducts a "soft" drink emporium on Tenth street, Waukegan, was fined \$750 and costs by Judge Persons in county court last week. At the time Trator's place was raided it was reported that the large quantity of bonded whiskey which was found had just been smuggled across the Canadian border and brought to Waukegan in an automobile.

LIFT RESTRICTION ON HUNTING AT FOX LAKE

New Game Warden Issues First Order; Two Hours Grace Allowed Sportsmen

William J. Stratton of Ingleside, Lake County, the new game warden of Illinois, has issued his first notice on hunting as pertaining to Lake county. It comes in the shape of a notice to hunters relative to the restriction placed on hunting at Fox Lake.

The notice is of interest to Lake county hunters because it lifts for certain hours, the ban that has heretofore existed for years on Fox Lake, the resting ground for game birds and hunters may now hunt certain game at certain times. In the past it was an offense to shoot game birds on Fox Lake. The notice, which changes the old rule allows hunters to hunt on Fox Lake between noon and 2:00 o'clock afternoons and leaves it an offense to hunt at other hours.

JOCKEY ROBBED OF \$350 DIAMOND PIN

Rider for Joe Paule Loses Platinum Horseshoe; His Helper Arrested

Claude Shepard, Negro, 5466 W. Chicago avenue, Chicago, jockey for Joe Paule, who drove and rode the latter's horses at the Libertyville Fair last week, was robbed of a \$350 platinum horseshoe, studded with diamonds, Friday morning and Wm. Anderson, a helper, who lives in Chicago, was held to the grand jury Saturday morning before Justice Lytell H. Morris, at Libertyville, charged with the theft. Shepard had pinned the horseshoe inside the sleeve of his sweater, and claims Anderson was the only person who knew where it was. He also charges the pin was in the sweater when he left the stable and a few minutes later he saw Anderson coming out. When Anderson was accused of the theft he went to the building where the poultry exhibit was shown and picked up the pin, claiming he had seen someone drop it there. Anderson was released on \$1,000 bonds.

It doesn't pay to try to whack a competitor for the unfair whacks he gives us. Whatever his weapon, it always comes back in the shape of a boomerang.

A North Shore Business Man—

—in a recent interview, had this to say about the North Shore Line:

"I make many trips to Milwaukee Racine, Kenosha and Waukegan. I always travel on the North Shore Line. The trains are fast and frequent, the cars are clean, the seats comfortable, and the train crews are efficient and courteous. It's a pleasure to ride through the pleasant North Shore country without the annoyance of smoke, dust or cinders. The dining car service is fine and the food first-class."

CANADIAN LANDS LISTED FOR SALE

Government to Aid Purchasers in Finding Suitable Tracts of Western Land

An undertaking that should prove of interest to American holders of land in Canada, of which there are quite a number in this vicinity, has been accomplished by the Department of the Interior at Ottawa, namely, the listing of vacant lands for sale in the Western provinces, together with particulars as to the area suitable for cultivation, nature of soil, price, terms, etc. The value of the information contained in these lists lies in the fact that it places the intending purchaser directly in touch with those who, for one reason or another, have been unable to cultivate their holdings and are, therefore, willing to dispose of same at inviting prices.

The availability of such land is not due to any lack of value. On the contrary, particularly in the Prairie provinces, such idle land is rich in virgin soil. When one considers Canada's vast area, however, and its comparatively small population it is at once apparent that a large proportion of the acreage which is in private ownership must be unoccupied and, therefore, available for purchase at reasonable prices. The lists have been published by districts and may be obtained free of charge upon application to the Natural Resources Intelligence Branch, Department of Interior, Ottawa.

The inquiry, "Is it hot enough for you?" has been particularly trying this summer.
