HARVEST FESTIVAL ON COLUMBUS DAY

GOOD THINGS PROMISED

Pageant to be Given Here on
Wednesday, Oct. 12. Street
Dance During Even-
ing a Feature

The executive committee for the Harvest Festival Pageant decided on Wednesday afternoon, October 12, for the date of the presentation of the beautiful Pageant now in process of rehearsal. It was thought best by the committee to set the date on October 12, Columbus Day, a legal holiday. Many will be able to see the Pageant and participate in it. Mrs. Annette Jones, chairman of the committee has secured the services of fifteen members of the Chicago Symphony orchestra, who will play the incidental music of the festival.

A full rehearsal of all people in the Pageant will be held at Sunset Wood on next Saturday afternoon at 3:00 p. m. Admission to the Pageant will be 25 cents and tags will be sold for this amount. These tags may be secured from members of the Pageant committee, from the Community Center and from many of the stores.

A special feature of the day will be a street dance to be held in the evening on Central avenue in front of the city hall. The dancing will start at 8:00 p. m. and will be in charge of the Community Service. A splendid orchestra has been secured for the dance and the park plan of admission will be in vogue.

Some of those participating in the Pageant are as follows:

Elde — Miss Helen Bournique.
Indian Prophet — Ray S. Anderson.

Massasoit — Calvin Aynsley.
Priestesses — Miss Smith, Mrs. C. Drake, Mrs. Kellogg Speed, Mrs. Arthur Dady, Mrs. Frank Ronan, Mrs. Harry Paul, Mrs. Herbert Smith, Mrs. Carlton Vail.

The Pageant's Story
The ceremony opens with a processional. Priestesses enter and consecrate the altar, followed by maidens bearing a great bowl symbolizing the world, which is to receive the products of man's industry and earth's fruitfulness. Erde, Mother Earth, succeeds the throne, as the community procession brings offerings to the bowl. The Indians, natives of this land, are summoned by Erde, and perform the Indian Corn and Peace Pipe Ceremonies. These are followed by the Puritans who struggle once more for the conquest of the soil.

DANCE CHAIRMAN IS GIVEN WRITE-UP

Mrs. Wyles Thought She Was
Joking a Friend; Remarks
Published in Paper

Last Saturday afternoon a reporter for a Chicago paper called Mrs. Thomas R. Wyles, popular chairman of the community dances, on the telephone and asked a number of questions concerning the rules of the dances. Mrs. Wyles thought it was one of her friends who had called her up as a joke, so she gave the unwelcome reporter an "earful" concerning modern jazz and the "shimmy". Imagine her surprise when she picked up the Sunday "Trib" and on the first page saw an article quoting her scolding remarks of the day before. Mrs. Wyles has declared that hereafter she is through with telephone interviews.

LARGE ATTENDANCE AT COMMUNITY DANCE, SAT.

Many "Devotees" of Past Years
Attend Opening Dance, on
Saturday at H. S. Gym

"Just like old times," "I don't believe I saw a single strange face," these were the remarks of Mrs. Thos. R. Wyles, and Mrs. Howard Wrenn, Chairman and Lieutenant, respectively, of the Community Dance committee of Community Service. The said remarks were made after the initial dance of the season held last Saturday evening at Deerfield-Shields high school had passed into history. The crowd was easily the largest that has attended an "opener" in the three years' history of these affairs.

Mrs. Wyles and Mrs. Wrenn have been at the helm of these popular dances ever since the Community affairs were started and they were kept busy greeting old friends last Saturday night.

Mr. John L. Udell and Howard W. Stoker kept things moving at the door, while a snappy and wholly efficient orchestra did likewise on the floor. It was a large, happy, "glad to be back again" crowd that gathered from the four corners of Deerfield-Shields township.

The membership cards gave out about 9:30 p. m. but the committee will have cards for everyone next Saturday evening.

The dances will continue each Saturday night, starting at 8:30 p. m. and all citizens of Deerfield-Shields township are cordially welcome.

Remember the time — each Saturday night — and the place is the girls' gym of Deerfield-Shields High School.

MOOSE DRILL TEAM TO TAKE PART IN PAGEANT

The entire Moose drill team, headed by Captain William Kearney and Lieutenant Winfield Zimmer will assist in the Indian episode of the Harvest Festival Pageant to be produced by Community Service at Sunset Wood on the afternoon of Columbus Day, Wednesday, October 12. The Indian episode will be made up of members of the Young Men's Club, Elks, and American Legion. With the acquisition of the Moose drill team, Miss Sharretts, Director of the Pageant, feels that particular part will be in good hands. No doubt all concerned will acquire themselves creditably as they are all known to be "good Indians."

HIGH SCHOOL TRIMS LINDBLOM HUSKIES

IS FIRST GAME OF SEASON

Light Rain Causes Many Fumbles on Each Side;
Stewart Makes
2 Goals

Mainly because of superiority in punning upon fumbles, Deerfield Shields high school trimmed the Lindblom team of the Chicago Public school league 14 to 6 Saturday on the Deerfield gridiron.

With a light rain falling continuously, the ball was slippery and the fumbles on each side were frequent, but the Deerfield boys cling to the ball better than the south siders, and nearly every time a Lindblom player fell the oval slip an opponent fell upon it. Coach Rathacher has his youngsters well schooled in the important fundamentals of following the ball.

Stewart, the colored half back, was the sensational performer of the game, twice getting loose for long runs to the goal line. Once he circled the end and was speedy enough to run around all his opponents. Another time, after Lindblom had fumbled on its two thirty-five yard line and lost the ball, Stewart was sent thru the line on the first play and ducked and dodged and twisted his way over the goal. Lineup:

DEERFIELD (14) DEERFIELD (6)
Seymour, Landis RE Ryan, Bruce
Wait RT Ryan, Bruce
Wolf, P. Watt, Mann RG Brainerd, Bodin
G. Proctor C Varley, Baker
Reichelt, Stiles RG Conler
Spelman, Benson LT Blain, De Keler
Sandwick, Emerson LE Yerdorn, Roberts
McBride, J. Proctor QB Carlson
Steele RB Graves, Marks
Stewart LHB Francis
Chapman, Allen FB Antonides
Touchdown — Stewart (2), Francis. Goals
from touchdowns — Chapman. 2. Referee,
Haylock. Umpire — Brown.

Next week Deerfield-Shields starts its Suburban League schedule with a game on the local field. Riverside will send a strong team here.

HORSESHOE FANS SEE EXPERTS PLAY

ALDINE PITCHERS HERE

Chicago Club Wins 40 Games,
Locals 24; Date of Tri-
angular Tourney to be
Announced Later

The Community Horseshoe Pitchers' association brought the Aldine Horseshoe club of Chicago out last Sunday for a Round Robin tourney on the Community Service courts.

The Aldines had a well balanced team of eight among which were two Chicago champions, Hogan and Watson. The eight highest men in the local tournament now running were selected to meet the visitors, and they were, Finney, Ludlow, Fosbender, Crosby, Scheskie, Drake, Brew, and Krueger. Out of the 64 games played the visitors carried off 40 and the home boys 24. The Aldines accumulated 224 ringers while the Community lads were getting 81.

The event was most enjoyable as the visitors were a fine sportmanlike bunch of fellows. It is possible that return match on the Chicago courts will be played soon.

The date of the triangular series between Lake Forest, North Chicago, and Highland Park cannot be announced yet as the toursney now running are not finished. KENOSHA HERALD QUITS THE GAME

City Too Small to Support two
Newspapers; "Daily News"
Buys the Plant

The suspension of the Kenosha Daily Herald on Saturday marks a struggle of a second newspaper in a one-paper town which was prolonged for two years and a half by the backers dropping in huge bunches of money week after week, just as was done in Waukegan in the case of the second newspaper when it was backed here by rich men. But, as in Waukegan so in Kenosha, it was a case of "survival of the fittest" and finally the Herald "gave up the Ghost" by selling out its plant to the Kenosha News. The time came three years ago when a city which actually had reason for but one newspaper failed to support the second. The cost of getting out a newspaper, through advanced wages, high paper costs, etc., has advanced until, added to the expensive equipment necessary to operate, a city has to be quite a place before two papers can be supported. Kenosha, with a population of 40,000 has proved several times and disastrously to many leading citizens' pocketbooks, that Kenosha may look like a two-paper city, but it isn't. Waukegan with a population half as much as Kenosha, also proved the fact even before the time of high costs arrived, but the failure of the Herald in Kenosha adds further emphasis to the fallacy of a city having more than one newspaper any more than having two telephone companies, two electric light companies or two postal departments—they all serve their cities in a "public service" manner and therefore duplication of institutions mentioned, is just duplication of expense—and it always falls on the dear public which foots the bills for all. — Editorial in the Waukegan Daily Sun.

SPECIAL ELECTION SATURDAY, OCT. 15th

IN SCHOOL DISTRICT NO. 107

Must Have More Money to Pay
Deficit and Maintain
High Standard of
Dist. 107

In March, 1920, the Board of Education of District 107 sent to all the citizens living in the District a formal statement of the finances of Elm Place School and invited representative citizens to a conference to consider the situation. The rapidly mounting expenses of the school corresponding with the general rise of commodities all over the world and the necessity of increasing in a substantial manner the salaries of the teachers had compelled the Board to face a steadily growing deficit in its finances. At the conference thus called together it developed that while many persons favored raising by private subscription a sum sufficient to overcome the deficit then in sight, a majority favored relying upon the regular channels of taxation to secure greatly increased revenue. It was confidently expected that legislative action would at an early date furnish relief. In the meantime the Board was instructed by unanimous vote of those present to incur whatever expense it deemed necessary to maintain the morale of the school and increase its efficiency. A memorial and petition to that effect and addressed to the Board was signed by one hundred five representative citizens.

At the time of this meeting the deficit amounted nearly to \$20,000. Since then it has greatly increased. Highland Park was included in the recent illegal tax assessment, and District 107 suffered a loss of \$12,000, in its receipts because of this. This was after its budget for the year had been laid out and contracted for. At the end of the current fiscal year, March 31, 1922, the deficit in the school funds, carrying with it the above mentioned item, will amount to \$35,000.

Through legislative enactment relief for this condition is now available. The state legislature passed a law which went into effect on June 27, 1921, authorizing any school taxing body to submit to a referendum vote the proposition to levy not to exceed four per cent on the district's assessed valuation, this to be divided on the basis of three per cent for
