

# FALL CLEANING

It's all right to sing about the leaves that fall in the fall, tra la, and the harvest moon and all the autumnal artistry, but you've other things to remember.

Don't forget that Willie is getting ready for the three R's and Mother is hauling down the living room hangings and Pop is looking quizzically at that 1919 double-breasted.

In other words, when Mother Earth makes her zodiacal dip into Libra there is a lot of cleaning to be done. We are ready to do the cleaning of your entire wardrobe, your drapes, rugs, and furnishings. We can dye your old garments and make repairs that will make your older garments last a great deal longer.

Remember to call Highland Park 178-179 or Libertyville 67-R when you are ready for us to call.

### Bowman's Milk Is Whole Milk

Nothing is taken from it — nothing is added to it. It is just as rich in cream as when it was taken from the cow. BOWMAN'S MILK is perfectly pasteurized and bottled in the country — then transported from country stations in special refrigerator cars. BOWMAN'S MILK is delivered direct from refrigerator car to you. Every drop is kept at the proper temperature from the time it leaves the cow until it reaches you. Insist on BOWMAN'S MILK.
