ELM PLACE SCHOOL

Editor-in-chief: Allen Porter
Assistant Editors: SA Class
One of the kindergarten teachers, Miss Morrison, has gone to her home in Muncie, Indiana, for a stay of two days.

Two new additions have been made to the family of ring doves living with the 1B's. They have not been named yet.

Several cucoons have been spun in the 1B room.

The third grade collected crab apples last week from which they made some fine jelly.

The Elm Place football team is going to play the Tarzans this afternoon.

Among the dead birds brought in by the pupils of the school this fall are the cool, ruby-throated hummingbird, fox sparrow, white-throated sparrow, golden-crowned kinglet, Virginia rail, sora rail, gray cheeked thrush, Blackburnian warbler, magnolia warbler and junco. Myrtle warblers have been very abundant during the past few days. A red-eyed vireo has been busy for several days eating Virginia creeper berries from the vines growing on the side of the building. It is quite fearless and does not seem to mind being observed from the windows.

The physical examinations are being given this week by Dr. Larson and our school nurse, Miss Johnson.

This is bulb planting week and the various rooms are preparing to plant bulbs in pots and store in cold frames

for forcing purposes. Pupils are also encouraged to plant bulbs in the ground at home and watch them come up and blossom in the spring. Bulbs are sold to children only and at wholesale rates.

Mrs. S. T. Walker of Gobelville, Michigan, called to deliver a message of good will from her boys who were formerly students at Elm Place. Arthur, the eldest, is taking an advanced course in business administration at Kalamazoo College; Leland is instructor in physical training in the high school at Niles, Michigan; Geo. is in the normal school at Kalamazoo, and Frank is in business in Chicago.

Mrs. Bieger and Mrs. Lewis, members of the P. T. A. at Lake Bluff, were Elm Place visitors on Tuesday.

HIGH SCHOOL NOTES

Last Friday the third General Assembly of the year was held in the girls' gym. Dr. Larson, of the Great Lakes, who gave the physical examinations last week and this, talked on the results of his work. He said that as a whole we were a very "healthy bunch" due mostly to the fine athletics developed at Deerfield. For the latter part of the period under the direction of Mr. Zippy, the students practiced a new form of marching into the gym. It was arranged that upon entering, each session would march the length of the floor so that their military prowess could be commented upon, and considered in the awarding of the banner.

The mandolin club held the second meeting on Sept. 23. Senor Tomaso was present for the first time this year. Two pieces were chosen for the next meeting, and it was decided that other instruments besides mandolins should be allowed in the club. From the number of members present at this meeting the club promises to be a very good one.

We are glad to hear that David Wheeler of the class of 1921 who is taking a mechanical engineering course at the University of Wisconsin, has received advanced credit for the mechanical drawing work which he took in Deerfield-Shields.

The Freshman classes in shopwork are building a new cement walk in back of the industrial arts building. Mr. and Mrs. Taylor have moved into their new home at 605 Deerfield avenue.

Mr. Einbecker's wife and little daughter have come to live in Highland Park on North Second street.

The following officers were elected at the first meeting of the French club, Oct. 2:

- President — Elena Fantoni
- Vice-president — Edna Walther
- Secretary — Catherine Rubins
- Treasurer — Virginia Supple

Those present discussed the idea of caring for their orphan this year, as they did last. After it was agreed that they should do this, they decided to send a Christmas box to him and his family. Miss Griswold told the Club about the orphan and showed a picture of him.

There were 51 present at the meeting.

The Garrick club held its regular meeting on Tuesday morning. A scene from "The Rivals" by Richard Sheridan was dramatized by three of the club members. Margaret Cliggett took the part of Mrs. Malapop, a very comical old woman, Margaret Day that of Lydia Languish, the niece of Mrs. Malapop, and Wilhelmina Bell, as Lucy, the maid.

On Thursday of this week, during the 6th, 7th and 8th periods, from 1 o'clock to 2:10, parents of Freshmen and other students entering Deerfield Shields for the first time, are invited to visit classes, especially of those teachers with whom the particular child is registered. After school closes there will be a reception to the new mothers and teachers of the school.

Ten boys competed in a try-out at Exmoor Tuesday afternoon to determine who should represent the school on a team of six in the suburban golf tournament.

- The ten boys tried out were:
- Harold Martin Peter Kelly
- Fred Glader Edward Stupp
- Richard Martin Raymond Sheahan
- Henry Foley William Kriesant
- James Marshall Edmond Crowley

Because of the wind and rain, it was only possible for nine holes to be played. The scores ran from forty to forty-seven, but it was not the kind of weather to test a golfer's skill. The try-out will be continued next Monday if the weather is favorable. Deerfield is sure to be a strong contender for the championship, as she has many of the best high school players around Chicago. Among these are Harold Martin, ex-Western Junior champion, and Henry Foley, caddy-master champion of the north shore.

UNITED EVANGELICAL

Rev. J. H. Keagle, Pastor
October 9th —
9:30 a. m. Sunday school: Subject: Paul in Ephesus.
10:45. Regular morning sermon by the pastor.

6:45 p. m. Preliminary prayer service.
7:00. Christian Endeavor meeting in charge of the Look-Out committee.

7:45. Song service and sermon.
Wednesday, 7:45 p. m. Prayer meeting.

Thursday, 8:00. Choir practice.
The choir, which has reorganized after the vacation season, rendered two beautiful selections last Sunday, and are promising special music for all the church services during the fall and winter.

Strangers and newcomers to town, are most cordially urged to attend any or all of the regular church services.

There is a feeling among the children that the movies should be reformed, so that it would be safe for their parents to see them.

The only drop so far in coal is when it is being delivered into the cellar. After speeding up preparations for making war, the nations issue statements telling how much they love each other.

The men have pulled off a number of overall processions, but so far none of the girls has formed a work

Sale Starts Oct. 8, Ends Oct. 22
