PARK TO HIGHLAND TAX-PAYERS

The temporary injunction issued May 23rd, 1921, restraining the County Treasurer from collecting more than 67.4% of the total tax has now been made permanent and changed to 70%. There is a balance due of 2.6%. All tax-payers should make sure that 70% of their tax has been paid, as judgment will be asked for Oct. 10th, on the 2.6% balance and said balance will be offered for sale as soon thereafter as can be arranged.

ROY W. BRACHER,

County Treasurer.

Appeal to the Public The Master Plumber's Association of Eastern Lake

County have taken steps to reduce the general building cost in line with the movement under way in Chicago and elsewhere. We have offered to pay the plumbers and steamfitters one dollar and ten cents (\$1.10) per hour providing the obnoxious working rules and conditions objected to by Judge Landis are eliminated. The men have quit work. This is your fight. We are losing money. If we win you get the benefit.

The electrical contractors were obliged to go back and pay the old scale of one dollar and twenty-five cents (\$1.25) because the public hired electricians direct or took work away from them and gave it to other contractors. They felt the public were not supporting them in their fight.

You can support us in this way. Have no more work done at present than is absolutely necessary. We are all working with a limited supply of help. Do not penalize us by going elsewhere. Give us your usual patronage. Be patient in case of delays. If you do this we will be able to run our own business instead of letting some delegate run it and you will get the benefit in better service at a lower cost.

Money and Time Saved

By taking advantage of the "station to station" long distance telephone rate out of town calls can be made more quickly and at less expense.

For instance, the day "station to station" rate for a three-minute conversation between Chicago and Cleveland is \$2.05. The same call can be made in the evening, 8:30 p. m. to midnight, for \$1.05. From midnight to 4:30 a.m. the cost is but 55 cents.

Get acquainted with the money and time saving "station to station" service.
