## Bill Jones—

has a splendid Touring Car and when the cold winds of autumn blizzards around the open car, he realized the comfort and luxury of an enclosed body. After but little investigation, he commissioned us to build a winter enclosure. He selected one of our several models and made but one stipulation, which was that he must have a simple, compact, dignified job of good lines and best workmanship. "A job" that must be as good, in every way, as his car.

We delivered the car last week, but made a photograph of the finished job. You may be interested in seeing the photograph or a number of other cars that are in work right now—come in—we'll be glad to show them to you any day, and take your order for putting a winter enclosure on your car.

### HIGH SCHOOL NOTES

The program for the second meeting of the Junior Garrick Club was a short dramatization. The first two scenes were taken from "The Red House Party" scene in George Eliot's "Silas Marner" and the third program original play written by Harriet Swanton, one of the members, and called "Forty Years Later."

Last Friday in assembly General Sladen of Fort Sheridan, who has recently returned from Germany, gave a very interesting and enlightening talk on "The American Troops on the Rhine." General Sladen's children are just entering Deerfield.

The senior class met last Thursday and elected a Board of Editors for the Annual. The members of the board are as follows:

Business Advisor—Mr. Snyder.

The six weeks' examination came this week. School work is so organized this year that every student has at least two studies to take home at night. The required amount of study on each subject, unless it can be done well in a less time, is one hour.

Deerfield Shields is becoming quite cosmopolitan. There is one French student, three Philipinos and one Mexican.

The school regrets the loss of a number of students who because of the change at Fort Sheridan will have to attend Chicago high schools. However Harold Steele and Marion Steele will continue their work at Deerfield.

The Senior Class is planning a very wonderful Hallowe'en party for the rest of the school. Plans are on foot but they are of course, a dark secret. It is hoped that this party will take the place of the usual Hallowe'en mischief making that generally brings so many young people into disfavor.

In honor of Columbus day, school was closed last Wednesday afternoon at 2:15 instead of 3:15.

### PRESBYTERIAN CHURCH

The Church School will begin at 9:30 o'clock next Sunday morning. The attendance is now averaging more than 260. Let us make it 300.

The Rev. Frank Pitt will preach at the eleven o'clock service.

The Y. P. S. will make a trip to Chicago on Sunday afternoon to make a tour of the Home Mission churches and settlements of the city which are under the administration of the Church Extension Board. The start will be made by automobile from the Parish House at 2 o'clock. Gordon Manning is in charge of the trip. Let him know (phone 1528) if you intend to go. The automobiles will leave Chicago on the return trip about 9 o'clock. The Bohemian Settlement House will provide a supper at 35 cents.

The Westminster Guild will hold the first meeting of the year at the home of Mrs. Rigdon next Monday afternoon.

The prayer meeting will be held next Wednesday evening at 8 o'clock. This fall several of the devotional psalms will be considered. Psalm 23 will be the topic at the next meeting.

### CHRISTIAN SCIENCE

Subject for next Sunday's Lesson Sermon, "Doctrine of Atonement."

Services are held in this church every Sunday morning at 10:45. Sunday School meets immediately after the morning service, and is open to pupils up to the age of 20 years. The Wednesday evening meeting, which includes testimonies of Christian Science healing, is at 8 o'clock.

You are cordially invited to make use of the reading room at 387 Central avenue, which is open every week day from nine o'clock in the morning until six o'clock in the evening and Sunday afternoons from two to six o'clock.

### EBENEZER EVANGELICAL

10 a. m. Church School.  
11 a. m. Morning Worship.  
8 p. m. Evening Worship.  
8 p. m. Wednesday evening prayer meeting.

Last Sunday afternoon we organized a class in religion. This class will meet again next Sunday afternoon at 3:30. The class in Catechism will meet Sunday afternoon at 2:30. Enrollment in both classes is open to both boys and girls.

While the ignorant aliens are attending night schools for self-improvement, many sons of the natives are standing on the curb stone spitting into the gutter.

# Appeal to the Public

The Master Plumber's Association of Eastern Lake County have taken steps to reduce the general building cost in line with the movement under way in Chicago and elsewhere. We have offered to pay the plumbers and steamfitters one dollar and ten cents (\$1.10) per hour providing the obnoxious working rules and conditions objected to by Judge Landis are eliminated. The men have quit work. This is your fight. We are losing money. If we win you get the benefit.

The electrical contractors were obliged to go back and pay the old scale of one dollar and twenty-five cents (\$1.25) because the public hired electricians direct or took work away from them and gave it to other contractors. They felt the public were not supporting them in their fight.

You can support us in this way. Have no more work done at present than is absolutely necessary. We are all working with a limited supply of help. Do not penalize us by going elsewhere. Give us your usual patronage. Be patient in case of delays. If you do this we will be able to run our own business instead of letting some delegate run it and you will get the benefit in better service at a lower cost.
