## HIGH SCHOOL WINS FROM PROVISO 27-0

### NEW TRIER GAME NEXT

Visitors Blanked in Battle Here Last Saturday; Steele Scores Many Points

Deerfield-Shields won the second league game last Saturday by sending Proviso down to defeat 27 to 0.

The first quarter opened with both teams evenly matched. Deerfield advanced the ball to Proviso's 35 yard line, where it was held. A field goal tried by "Charlie" Steele was missed by inches. Both teams were scrapping hard at the end of the quarter.

In the second quarter Deerfield made the first touchdown by taking the ball down the field on straight football. Stewart took it over. Again Deerfield marched down the field, and Steele carried the ball over before half time. Steele kicked both goals. The score at the end of the half was 14 to 0 in Deerfield's favor.

The second half opened with Proviso trying to overcome the Deerfield lead. They were repulsed, and Steele made another touchdown. He kicked goal.

After much hard fighting, the Deerfield squad advanced to Proviso's one yard line, where they were held for three downs. Then McBride went through center for a touchdown. Steele missed goal for the first time this season. During the last quarter Deerfield put in many second team men and held Proviso for downs.

Saturday the local team will journey to New Trier to battle with their old rivals. The game will start at 2:30 p. m.

## DANCES TO BE HELD IN ODD FELLOWS HALL

The community harvest dance held at the high school last Saturday evening was easily the most enjoyable affair of the season. The gymnasium had been decorated with corn stalks and pumpkins. The largest crowd of the season attended the dance, and later in the evening when the confetti was released the young people had a royal time. Messrs Clavey and Bowden donated the corn and pumpkins for decorating.

Special notice is directed to a decision of the committee in charge to change the place of the dances to the Odd Fellows hall on Laurel avenue. There are many reasons for this change. In the first place the Odd Fellows Hall is closer to the heart of town, being only one block from Central avenue. The floor is better and there are no stairs to climb. It was also felt that the high school gym was a trifle large for the crowds that are patronizing the dances, and a more "homey" atmosphere would attend the dances in the new quarters.

The dance next Saturday evening will be held at the Odd Fellows hall and all are asked to take notice thereof. A local orchestra has been engaged and the very best of music will be provided. All members of the community and of the township, with their friends and neighbors are cordially invited to these dances. It is hoped that all readers of The Highland Park Press having friends at Lake Forest, Deerfield, Lake Bluff, Great Lakes and other places in or near the township will acquaint these out of town folks with the change in the location of the dance.

## VOTERS GRANT MORE MONEY TO SCHOOL

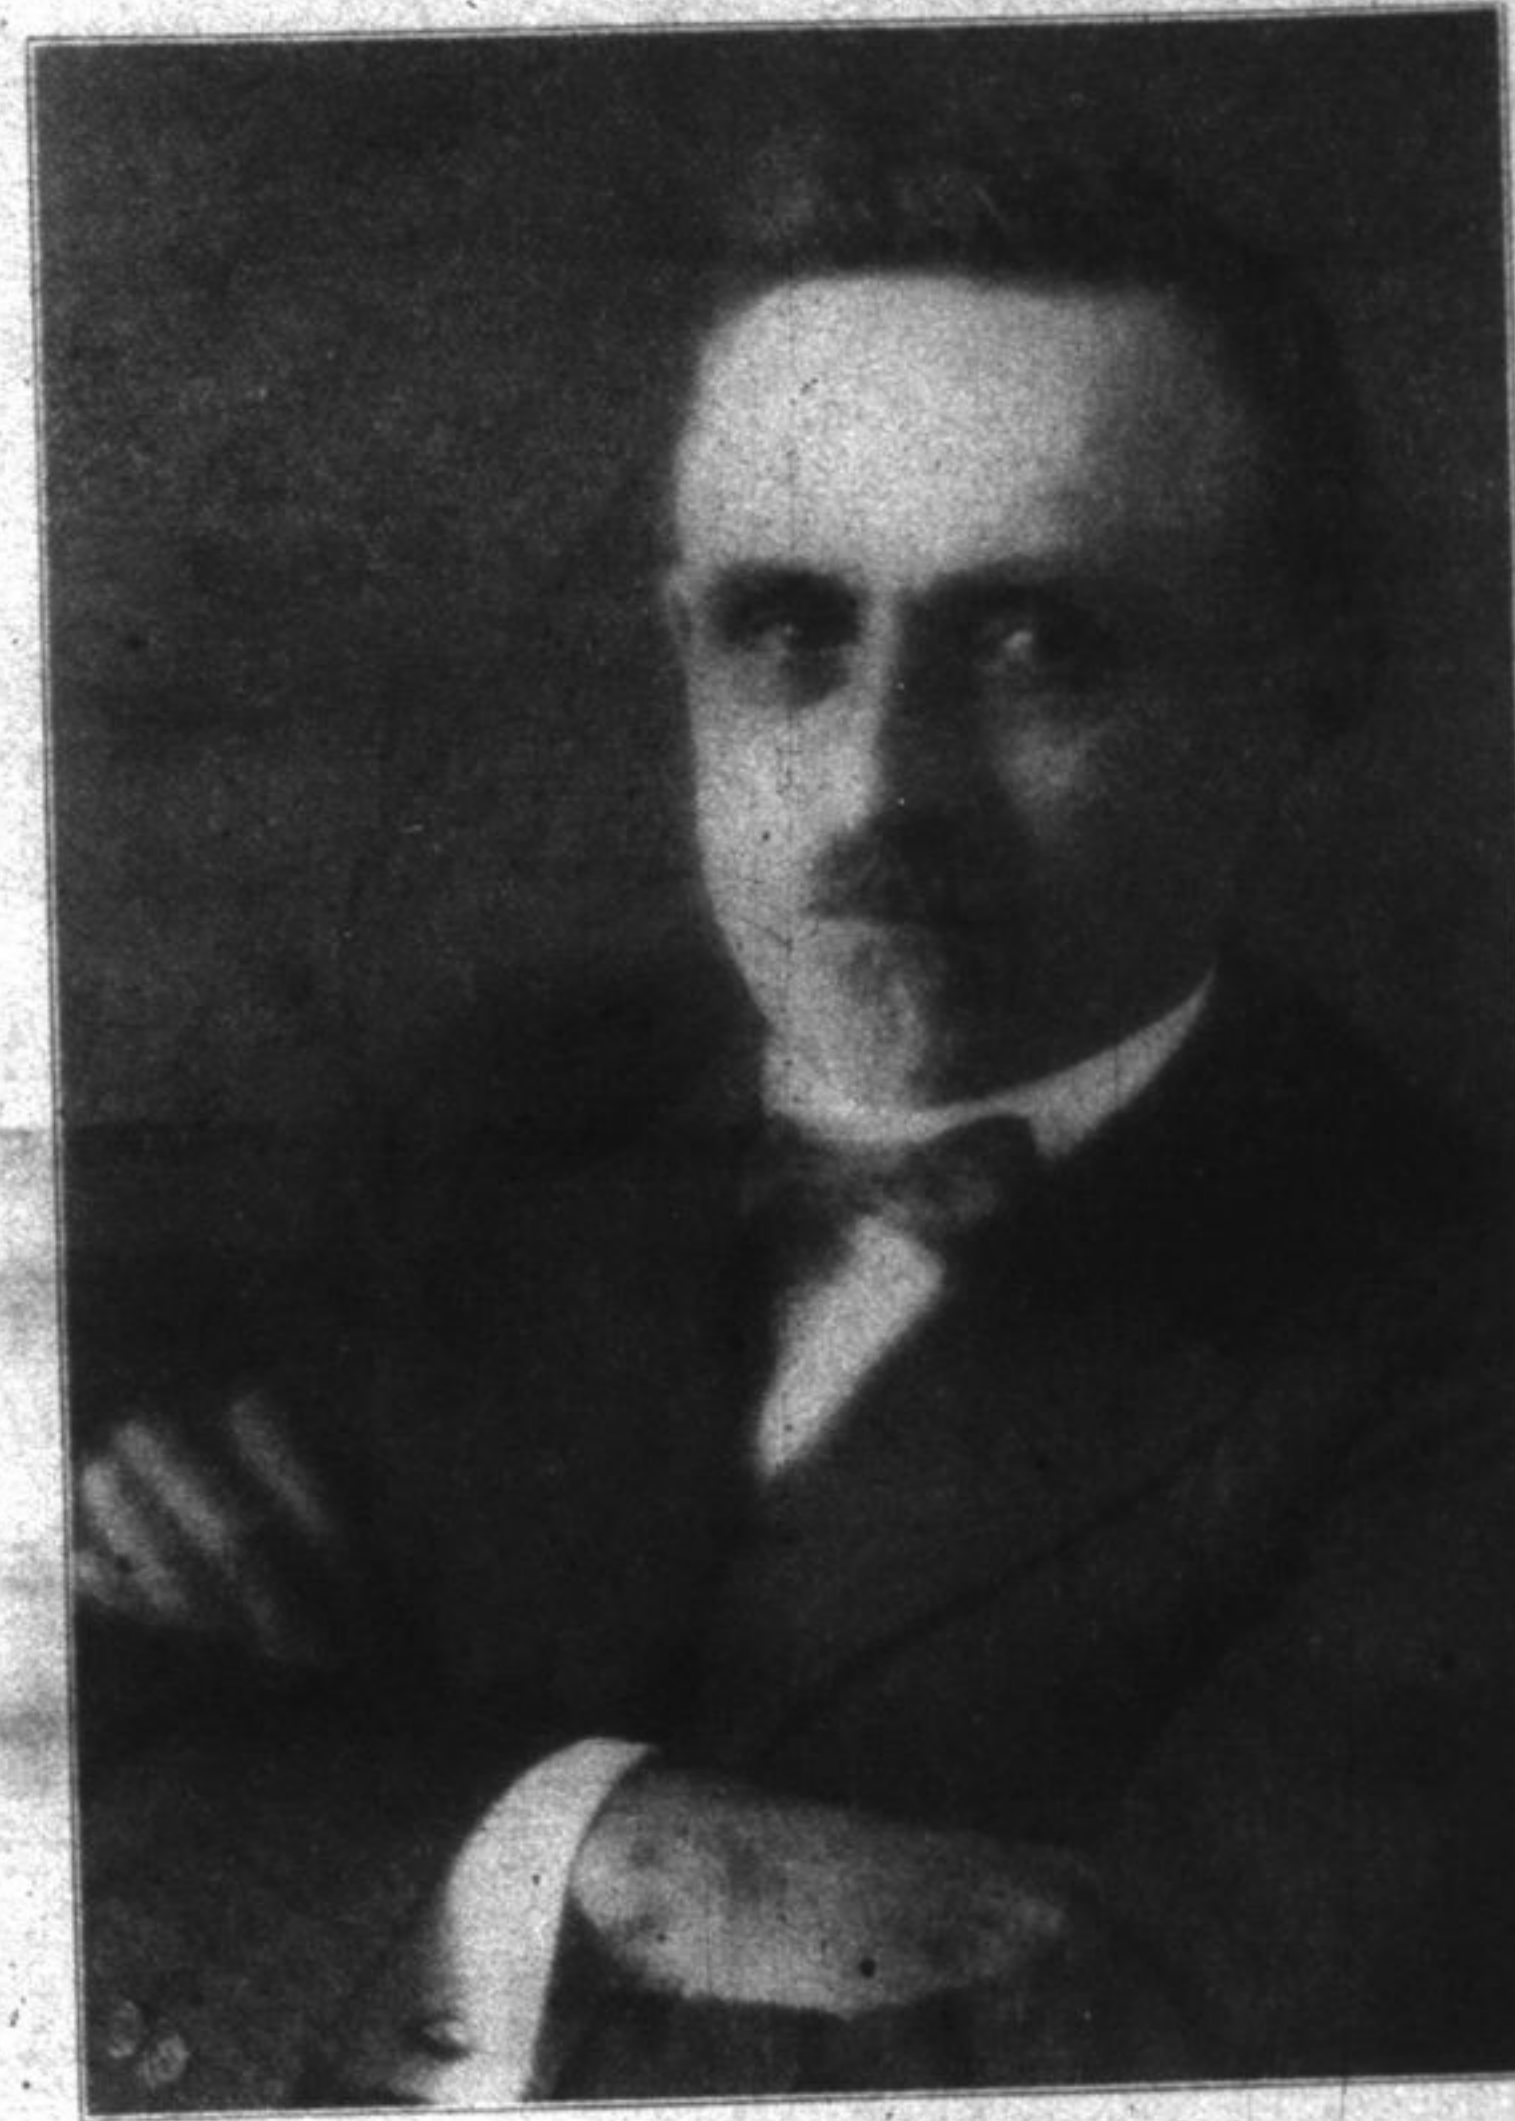

The voters in school district 107 were strong in their support of the Elm Place school in the election which took place last Saturday afternoon. Both measures were passed by a large majority.

This decision by the voters will make it possible for the school to continue its high standard of work. The results were as follows:

For educational fund	252
Against	38

## DR. LLOYD MOSS BERGEN

Born November 21, 1865 Died October 17, 1921

Dr. Lloyd M. Bergen died at the residence of his daughter, Mrs. Charles I. Mansur, in Highland Park, on Monday, October 17th.

Dr. Bergen was a self made man. He was the son of Rev. George P. Bergen and Mary M. Bergen, and his father was a Presbyterian minister. Dr. Bergen was born at Birmingham, Iowa, November 21, 1865. His father died when he was 11 years old, leaving his mother with four children, Paul, George, who was afterwards a missionary to China; George Bergen, who afterward became an educator, Dr. Bergen, who was then 11 years old, and Nora Bergen, who was then five years old.

His mother, after her husband's death, moved to Lake Forest and, with the aid of the boys, supported the family by acting as matron of the dining hall of Lake Forest Academy. On account of the children being the sons of a minister, they were admitted to the Academy and University without tuition and by the aid of the mother and the boys working while they were being educated, the family managed to keep together. Dr. Bergen often spoke of his mother and his appreciation of her character as shown by her success in supporting and educating her children.

When Dr. Bergen arrived at the age of 17 years, he and his older brother, George, decided that they would like to take a course in mechanics and the family then moved to Milwaukee, where the two boys entered as apprentices in the Allis Machine Shops and served out their apprenticeship of two years, their mother aiding in their support by keeping a boarding house in Milwaukee. The boys both concluded that they would give up the machine business and return to Lake Forest for further education.

After Dr. Bergen had taken two

## BANQUET IN HONOR OF ELKS BALL TEAM

### GIVEN LAST EVENING

Highland Park Lodge, No. 1362, B. P. O. E., Gives Dinner at Witten Hall. Many Attend Affair

One of the most enjoyable affairs given by Highland Park Lodge 1362, B. P. O. E. since its organization was the stag dinner given in honor of its base ball team in their club rooms last evening. The entertainment committee had provided dinners for one hundred and twenty-five and practically every place was filled. Exalted Ruler A. E. Smith presided as toast master and several short, but "snappy" speeches were made by various members of the lodge. Several good stories were told and coupled with the "Elks German Band" (which is a new organization and a "scream") the hall was kept in an uproar all evening. The members of the "German orchestra" are Tom Clark, Paul Wohlbruck, "Fritz" Gieser, John Gallagher, Jake Hecketweller and Clifford Moran and the way they were "made up" was certainly a credit to the "organization." Solos were given by various members of the "orchestra" which showed many months of "hard training." Jack Gallagher sang "Paddy Murphy's Wake." One of the principle speeches of the evening was given by Mr. John White, who said in part that: "As this feed and banquet cost me nothing I hope the lodge will give another just like it next year."

Eight members of the Young Men's Club base ball team did the serving and a great deal of credit is due them for the manner in which they served their "hated rivals." After the banquet members of the B. P. O. E. ball team served and entertained the waiters.

Esteemed Leading Knight Walter Jones was the "brains" of the banquet and together with the other members of the entertainment committee consisting of Raymond W. Schneider, Tom Clark, Fritz Gieser and Paul L. Udell, certainly gave the members of the Elks Club and ball team a good time.

The report of the historians committee which was read by Mrs. Frank B. Green was a most interesting feature.
