

The newspapers are now making many converts to the higher education by printing pictures of the football heroes.

The statements of the various powers at the conference will either have to reduce armament or see themselves reduced to private life.

Gen. Foch, it is said, will observe the 18th amendment "in spirit" while in this country. Many Americans however, observe it in spirits.

Denied that Congress has done nothing, as they have tucked away a lot of matters in the appropriate pigeon holes.

COMMUNITY SERVICE

Special Business Men's Committee

A special committee of business men has been named by the executive committee of Community Service drive week during the week of November 14 to 19.

This committee will call on the business houses for subscriptions for the 1922 budget. This committee has already started this week and encouraging reports have been received.

The committee is as follows:
John L. Udell, chairman
William Guyot
S. A. St. Peter
William Witten
William Pearl

All business houses of Highland Park should make their subscriptions to one of the above.

Dances Discontinued Temporarily

Owing to the intensive work now being done for the Community Service drive which takes place during the week of Nov. 14 to 19, it has been thought wise to discontinue the dances at the Odd Fellows' hall until after the drive.

The dances will be resumed after the drive and announcement will be made later as the time and place of their resumption.

Horse Shoe Flingers

A team from the local Community Horse Shoe Pitchers association held an informal meet last Sunday afternoon in Chicago, with the Aldine club. This meet was in the nature of a return game as the Aldines played here earlier in the season.

The players reported a splendid afternoon's pastime and although they were defeated by the Aldines, who number in their club some of the best pitchers in the country, still the home boys made a very creditable showing and their work has improved tremendously.

Notice is hereby given that the monthly meeting of the local association will be held next Sunday morning at the Community Center at 10 o'clock. A full attendance is desired as plans for the winter term will be talked over.

The following players went to Chicago Sunday:

T. E. Brew
John Scheskie
William Fosbender
Art. Krueger
W. J. Crosby

Dinner to be Given

A dinner will be given at the Community Center next Monday evening at 6:30 to the members of the drive organization to signalize the opening gun of the drive.

At this time a review will be made of the activities of Community Service during the year and the plans for the big program now under way.

Invitations have been sent to all the members of the Community Service board, and the various committees and personnel of the drive. At this time the results of the work of the Initial Gifts committee will be announced and campaign details fully explained to those present.

Hon. S. M. Hastings, mayor of Highland Park, George A. Mason, Fred D. Silber and Secretary Herring and others will speak.

The committee in charge of the affair is as follows:

Harry E. Eichler, chairman
Mrs. T. R. Wyles
Mrs. A. R. Jones
Mrs. H. B. Roberts
Miss Adele Everett
William Witten
William Guyot

BUILDING UP THE HOME PAPER

The Highland Park Press hesitates to introduce any subject that looks like a private business matter. Yet one can't enumerate the forces that help develop a city and leave out the local newspaper. As the newspaper grows, the town grows. Any community that has a fine and well developed newspaper publication, is going to give an impression to the outside public that it is a place of civic enterprise and business hustle.

The citizen who is anxious to see his home city realize its possibilities, should co-operate by renewing or entering his subscription to his home paper. The well-supported newspaper can do far more for all civic causes, and it can do far more to spread abroad the impression that a city is going ahead, than a journal that lacks the hearty backing of its townspeople.
