DEERFIELD SLAUGHTERS THORNTON ELEVEN 46-0

"SUBS" GIVEN WORKOUT

Steady Gains Enable Home Boys to Score Many Times During Game Saturday

Deerfield added one more victory to her credit last Friday when she beat Thornton, 46-0. The game was played at Thornton on a muddy and snow covered field, which prevented anything but straight football being used on either side.

Soon after the game started, Stewart got away on an off-tackle play for the first touchdown, going through the first and secondary defense for twenty yards. Deerfield again gained possession of the ball after Thornton had fumbled. Again Stewart went through the line and dashed over the goal line.

In the second quarter Steele got away for a run of fifty yards for the third touchdown. The ball was worked down to Thornton's five yard line, and Baldwin plowed through the center of the line for six more points, and kicked goal. Before the half had ended, Stewart had gone over for another score, and Thornton had been downed behind the goal for two more points, when they were forced to kick from behind their goal line.

In the second half practically a whole new team had been put in for Deerfield. Due to the shortening of the periods from fifteen to ten minutes, not as many points were scored in the second half as in the first. Dyer got through the line for a touchdown soon in the third quarter.

When the game ended not one of the Deerfield men who had started in the first quarter was in the lineup. The final score was Deerfield 46, and Thornton 0.

CELEBRATE SILVER ANNIVERSARY, SUNDAY

Ladies Aid of Zion Lutheran Church Organized Twenty-Five Years Ago

Twenty-five years ago the Ladies' Aid, the first society of the Zion Evangelical Lutheran church, was organized. For a quarter of a century this society has been an important factor in the church work, and it is fitting and proper to celebrate its silver anniversary at this time. This will take place Sunday, Nov. 20. At the morning service Dr. M. Luecke of Concordia college, Ft. Wayne, Ind., will deliver the anniversary sermon, and in the evening the pastor will preach upon the subject, "Women and the Church."

There are some phases of church work which cannot be accomplished by individuals, where organizations within the church are needed to achieve the desired ends. Of these various organizations the Ladies' Aids are as a rule the most important — quietly, though energetically, continuously and faithfully working in various ways for the cause of Christ. It is is hoped that all of the members will show their appreciation for what the Ladies' Aid society has done for the church by attending both services.

THE OSSOLI DANCE A SUCCESSFUL AFFAIR

Next Meeting Nov. 22. Will be Addressed by Mrs. Ruth Bryan Owen

The Ossoli dance on Armistice night at the Highland Park Club house was one of the most successful in the history of the Club and netted a goodly sum for their Philanthropy fund.

The Club House was gay with flags and decorations of a military character, befitting the occasion. The music was fine and the large crowd present seemed to be in holiday mood. The task each year of raising the funds necessary to carry on the Philanthropic work of the Ossoli Club falls upon the Philanthropic Auxiliary Committee, and the great success of the evening was due entirely to the efforts of Mrs. John M. Tuttle, Mrs. Edward A. Smith, Mrs. Gerald Peck and the other members of this committee.

The next meeting of the club will be held on Tuesday, Nov. 22nd and promises to be an interesting one. The Current Events will be given by Mrs. John F. Mackenzie and the speaker for the afternoon will be Mrs. Ruth Bryan Owen, wife of Major Reginald Owen of the British Army and daughter of William Jennings Bryan. Three years in the West Indies and three years in Egypt, was in Palestine when the Turks were driven back and Gen. Allenby and his forces finally occupied the Holy City. Three years in London, during the great war, during which time she was prominently identified in war relief work. She was a co-secretary and treasurer with Mrs. Herbert Hoover on the Economic Relief Committee of the American Fund, which conducted work rooms for unemployed women, in different sections of London. She was also Secretary of the Woolwich Girl Club and was Secretary of the Duchess of Marlborough's Maternity Hospital in London. These have been incidents of a busy life, touching intimately the peoples of many countries, before, during, and after the war. The subject of her lecture will be "Modern Arabian Knights."

DEERFIELD-SHIELDS WILL PLAY IN EAST

Meet Boston Suburban League Champions at Brockton, Mass., Thanksgiving

Deerfield-Shields' crack eleven will clash with the Brockton, Mass., team, champions of the Boston Suburban league, on Thanksgiving Day. The game will be played in the morning at Brockton, where a new stadium has just been built. It is said by the Chicago papers, that this is likely to be the most important intersectional high school grid clash of the year.

At present the Brockton trip is out of the minds of the Deerfield boys, as they want to beat Oak Park. Nevertheless, if they are beaten by Oak Park, they will still make the trip to Brockton.

Brockton is about 25 miles from Boston. According to reports it has a fast, aggressive group of boys. Brockton has won all of its games this season and is regarded as a worthy foe. By defeating Haverhill High, who, up until a week ago was considered one of the best teams in the east, Brockton established the championship of the Suburban league of Boston.

The weight of each team averages 155 per man. It is not necessary to state the powers of Coach Rothacher's boys.

At present the boys who will make the trip are not known, and will not be known until after the game with Oak Park, when Coach Rothacher will announce them. The team leaves Chicago at ten o'clock Tuesday. They will spend Wednesday afternoon and Thursday in Brockton. Friday and Saturday will be spent in visiting Boston. They will return to Highland Park, Monday morning, Nov. 28.

Tickets for the Oak Park game are on sale at the following places: Gsell's Drug Store, Highland Park and Quality Tire Shop, Lake Forest.

HOME-COMING DAY AT "DEERFIELD" SATURDAY

GAME WITH OAK PARK

Many Alumni Will Gather at High School for Annual Reunion; Dance During Evening

Saturday is Homecoming Day for the alumni of Deerfield-Shields high school. All the alumni have been urged to be present and it is expected that there will be a large crowd. Some graduates from a distance who have not visited the school for years are planning to be present. It will be a memorable occasion for Deerfield-Shields.

The same day the high school foot ball team will play Oak Park. It is the decisive game of the season, the championship of the Suburban league lies in the balance. So far Deerfield has gained 9 victories. Only 3 points have been scored against her, and her line has never been crossed. Oak Park opened the season with the greatest team in her history. Inquiries to three leading players in later games, hurt her record, but these players will be in the lineup against Deerfield. Rodney Starkweather Mason, the old Deerfield cheer leader (later cheer leader for Illinois) will lead the yelling. Both the Deerfield and Oak Park bands will furnish music. Four or five thousand people will probably witness the game. A section of the seats are being reserved for the Alumni. Lake Forest and Highland Park will be decorated in Deerfield's colors, the Blue and the White.

Directly after the game there will be a dedication of the memorial tablet, in the gymnasium. The class of 1920, is presenting to the school a beautiful bronze tablet in honor of the more than 300 boys who fought in the late war, and in memory of the eight who gave their lives.

A cafeteria dinner will be served in the lunch room at 6 o'clock. Only the alumni of Deerfield are invited. The team will be present as the guests of honor.

At 8 p. m. there will be dancing for the alumni and football men only. The best orchestra obtainable will furnish music and the boys' gymnasium will be appropriately decorated for the occasion.

OVER $4,000 RAISED IN COMMUNITY DRIVE

COMMITTEES MET MONDAY

Campaign For Budget Loyally Supported by Business and Professional Men and Others

The Community Service drive was officially started at a dinner given at the Community Center Monday evening. The dinner was attended by a large gathering of workers and it was a huge success.

R. C. Jacobsen, President of the Community Service Board, acted as toast master in the absence of Mayor S. J. Hastings, chairman of the drive committee, who, at the last moment was called to St. Louis. Mr. Jacobsen read the following telegram from Mayor Hastings:

"Regret exceedingly my inability to be with you at Monday evening dinner. Community Service is doing a great work in Highland Park and with the concentration of a number of efforts under one management, still greater benefits will accrue with the least expenditure of effort and money. Please enter my subscription for $100.00. I regret I cannot make it five times as much. Hope that the drive will be a great success."

President Jacobsen also announced that the Special Gifts committee had secured a total of $200.00 as a starter for the drive.

The business men's committee consisting of John L. Udell, chairman, William Witten, William Guyot, and S. A. St. Peter announced that the business and professional men of Highland Park were coming through practically 100%. Every business man approached so far has contributed liberally, and all are to be congratulated upon their splendid cooperation in this drive.

The announcement by Executive Secretary Herring that the Americanization class, being conducted by Community Service, had contributed over $200.00 to the drive brought a great round of applause.

During the course of the dinner talks were made by Fred D. Silber, George A. Mason, Harry E. Eichler, William Guyot, William Bowden, John L. Udell, Rev. Bihler, Mrs. Tom R. Wyles, Mrs. E. W. Spencer, Mrs. W. A. Alexander, Mrs. E. A. Bournique, Mrs. Searcy, Secretary of the Y. W. C. A., A. L. Herring and others. All spoke glowingly of the work accomplished in the past and of the splendid future for Community Service.

All drew attention to the fact that in this drive it seems to be the sentiment of the whole town to put the thing over. People are giving who have never given before, and those who have given in the past, are giving even more generously. Tabulated reports when this article was written show that more than $4500 has already been pledged in the drive. It now appears that it will be impossible for the drive committee to call on every one this week and the drive will be extended until next week in order to give everyone an opportunity to contribute.

A meeting of the entire drive personnel will be held next Monday evening at 8 o'clock at the Community Center at which time a complete canvass will be made of the situation and the work will be laid out for the following week.

Attention was called to the fact that those who have not yet subscribed may send in their subscription to the Community Center without waiting to be called upon.

The Young Men's club orchestra furnished music during the dinner. T. E. Welch was in charge of the catering.

BAZAAR DECEMBER 1 AT COMMUNITY CENTER

The general membership of the Y. W. C. A. will hold a bazaar in the Community Center Thursday, Dec. 1, lasting from 3 o'clock until everything is sold.

MRS. PETER HINTZ PASSED AWAY FRIDAY

BURIAL IN MILWAUKEE

Funeral Held Monday Morning at Ebenezer Church, Rev. Milton Geil Officiating

Emma Dietrich Hintz was born in Bastein, Kreissgericht, Mebbrichstadt, Bavaria, Germany, January 8, 1855, and died Nov. 11, 1921. She was the daughter of John and Margarete Dietrich (nee Fick).

On Nov. 4, 1860, the family came to America and settled in Glencoe, Ill.

She was married at Highland Park Sept. 2, 1886, to Peter Hintz, who died Feb. 5, 1912.

The Ebenezer Evangelical church of Highland Park sustains a distinct loss in the death of Mrs. Hintz. She was one of the charter members of the church, laboring incessantly for its uplift and fruitfulness. The first meetings of the church were held in her home and she watched with a glad heart its every forward move.

Her character was of that sterling quality, made so by her every thought for others and her wondrous patience in suffering. Her death marked a life of triumphant victory. As in the very last hours she manifested her interest in the prayer for peace on Armistice day, and on the evening of that day, she entered into eternal peace.

She leaves to mourn her loss: her daughter, Mrs. R. M. Burgess of Somonauk, Ill.; her son, William R. Hintz, of Highland Park; and Joseph Blum of Oakland, Calif., whom she loved and cared for as her own son for so many years; one grandson, Robert Burgess, of Somonauk, Ill. Her sister, Mrs. William Ritter of Milwaukee, Wis., and three nieces, Mrs. Michael Orth, and Mrs. Henry Kelling of Milwaukee, Wis., and Mrs. O. B. Brand of Highland Park, also survive. There are also three sons of her husband's former marriage, Edward and Adolph Hintz of Chicago, and Eugene of Highland Park. Other relatives and a host of friends.

The funeral services were held on Monday, November 14, from the Ebenezer Evangelical church at Highland Park, conducted by the pastor, the Rev. M. G. Giel. A former pastor, the Rev. Umbach, of Evanston, sang two beautiful selections.

The interment took place at Forest Home cemetery, Milwaukee, Wis.

H. P. BUSINESS MEN GO TO MILWAUKEE

ANNUAL STAG YESTERDAY

Good Time Reported by All Who Went. Make Tour of the City Parks in Automobiles

About forty members of the Highland Park Business Men's association left, as per schedule, at one-thirty, over the North Shore line, for their annual stag to Milwaukee yesterday afternoon, and merely to say that they had a good time is "putting it mildly." Upon arrival in Milwaukee, they were met by a dozen automobiles and taken to the Chamber of Commerce, where an address of welcome was given by Mr. Philip Grau, secretary of the Milwaukee Chamber of Commerce, which was responded to by John O'Keefe, Charles Grant and Tom Welsh. The members were then shown through the Chamber of Commerce and Athletic club, and then taken for a tour of the boulevards and parks of the city. They also saw the "animals" at Washington park. "Sol" St. Peter tried to lift the hippopotamus to see how much it weighed, and, not content with that, tried to take a bone away from the lion but suddenly changed his mind for some reason.

After seeing the animals they were driven back to the Wisconsin hotel where, after a "little excitement" in room 405, they were conducted to the Badger room and given a chicken dinner that most of the members will remember for awhile.

After dinner Tom Welsh corraled the "bunch" and took them over to the Majestic where the rest of the evening was spent "very agreeably."

It was early this morning before the party got back, but who cares for sleep when you're having a good time?

About ten members of the Highwood Business Men's association went along as invited guests.
