

BROCKTON DEFEATS DEERFIELD H. S.

(Continued from Page 1)

the line for two yards. Healy made four more. On the fourth down, when the signal was given for a kick, Stevens made a bad pass. The ball was wet and slippery, and this was the only bad pass that he made in the game, when a whole lot more would have been excusable. Healy fell on the ball but it was Deerfield's on the 44-yard line.

Stewart made three yards through tackle. McBride made five yards more through the same hole. Stewart made first down when he went around the end for five yards. Stewart carried the ball to the 15-yard line on a delayed play. The Deerfield team seemed to have the Brockton boys worried with their delayed plays. Bryant went into the game in place of Gurney at guard. Deerfield made eight yards on the next two plays. McBride made first down through the middle of Brockton's line. Baldwin crossed the line on the next play, going through guard. Baldwin kicked the goal.

Proctor kicked to Mongeau, who was downed on his 30-yard line with no gain. The second ended as the Brockton team was lining up for the next play.

Second Period
Randall and Gustafson tried two plays through the middle of the line but were only able to make three yards. Randall kicked to Stewart who was downed by Billhardt and Keith and the 30-yard line. Bryant stopped the next play. When Stevens threw Stewart for a three yard loss Deerfield decided that it was time to punt. Stewart punted to Randall who received the kick on the 35-yard line and ran it back to mid-field. Healy made two yards through the centre of the line. The ball was becoming more slippery and harder to handle on each play. Healy fumbled on the next play and Deerfield recovered the ball. Steele made two yards around the end. Keith missed his tackle but Healy got Steele before he had gone very far. Bryant was through the line and broke up the next play before it was started. Baldwin was stopped for a yard loss. Deerfield used their delayed play again with Stewart carrying the ball. When Stewart was brought down he had carried the 25-yards and the Deerfield team was now within 10 yards of the goal line. Baldwin failed to make anything through the middle of the line. Steele was thrown for a yard loss. Baldwin again failed to make any gain. Brockton had held the Deerfield team on the 10-yard line for three plays with no gain. A forward pass from McBride was blocked by Randall. Creedon took Mongeau's place at end. The Brockton team took time out and the whole team went over to the sidelines for resin.

Randall was stopped for no gain. Fullback Healy gained six yards in a plunge through tackle and Gustafson followed with enough to make first down on Brockton's 30-yard line. Healy made six yards in two plunges through centre of the line and Capt. Randall scored a first down with another shot at the centre of the line.

Randall made only a yard through tackle and Billhardt made five when he tore through guard and centre. Another plunge by the Brockton captain netted two more yards and Jackson, playing at left halfback in place of Billhardt, carried the ball off left tackle to mid-field, crawling for a five-yard gain after being thrown by a Deerfield tackler.

Brockton Loses on Downs
Jackson was called on again to advance the ball, this time responding with a net gain of one yard. The western boys stiffened their defense here and held Brockton for downs. Deerfield took possession of the ball in mid-field and Baldwin dashed through the Brockton team for a first down, gaining 10 yards. Steele fell and lost several yards when Jones alertly smeared him before he could regain his feet. A forward pass attempt by Stewart was spoiled when Bartlett of Brockton hurried the dusky Deerfield player and the pass was incomplete.

Deerfield lost the ball on Brockton's 40-yard line on downs. Healy tore through tackle, but was stopped after a yard gain. Capt. Randall on a plunge through the centre of the line gained 12 yards and made first down. Coach Roberts' boys had possession of the pigskin in mid-field when the whistle sounded for the conclusion of the first half.

Third Period
Jones kicked off to Steele of Deerfield at the beginning of the second half, who caught the ball on his own 25-yard line and was downed on the 30-yard line. Steele made two yards through centre and Baldwin added a couple of yards. Stewart punted to Moberg, now playing quarter in place of Randall, who shifted to halfback for Jackson. Moberg ran the ball back 10-yards, placing it on Brockton's 30-yard mark.

Capt. Randall ripped through the centre of the line for 11 yards and a first down. Line charges by the entire Brockton backfield in which Gustafson, Healy and Randall were the big gainers advanced the ball to dangerous territory for the Deerfield team. Brockton made three consecutive first downs, losing the ball on Deerfield's 18-yard line when Healy failed to gain enough distance for a first down.

The Chicago team commenced an offensive drive at this point which

placed them in mid-field finally. Stewart slipped through the centre of the line for six yards and followed with five yards for a first down off tackle. Baldwin got away around end for six yards and a 20-yard run by Stewart advanced the ball to mid-field. Brockton strengthened at punt, and Stewart dropped back to punt. Jones broke through and blocked Stewart's kick, knocking the ball toward the Chicago goal. Jones picked the ball up on the bound and dashed toward the Deerfield goal with no one between him and a touchdown. The speedy Chicago boy was quick to sense the situation and dashed after Jones, steadily cutting down the margin and hauling down the tall Brockton tackle on Deerfield's 20-yard line.

With Brockton in possession of the ball and a first down on Deerfield's 20-yard line. Healy tried to gain through centre and netted only a yard. A forward pass, Randall to Gustafson failed and was grounded behind the Deerfield line, Brockton losing the ball on a touchback.

Stewart's Wonderful Run
The western boys took the ball on their 20-yard line, but were unable to penetrate the strong Red and Black first defense. Stewart was obliged to punt, kicking to Brockton's 40-yard line, to Randall, who ran the ball back 15 yards. Healy gained five yards through centre and Gustafson failed to gain. With the ball on Deerfield's 40-yard line, Capt. Randall tried a forward pass to the end, but Stewart intercepted it standing on his own 10-yard line and ran thru the entire Brockton team, dodging, loping and slipping from the grasps of the individuals until he evaded the masses and ran straightaway for a touchdown. Capt. Randall gave chase but Stewart was faster than the Brockton man and scored, giving Deerfield the lead 13 to 7. Baldwin kicked the goal and Deerfield was leading, 14 to 7.

Brockton chose to receive at this point and Capt. Randall came through with a 60-yard runback placing the ball on Deerfield's 35-yard line. Randall cleverly evaded the Deerfield tacklers by dodging and side-stepping the tacklers. He was given excellent interference by his teammates. But Stewart was faster than the Brockton man and scored, giving Deerfield the lead 13 to 7. Baldwin kicked the goal and Deerfield was leading, 14 to 7.

Gustafson Scores Touchdown
Healy fumbled here but quickly recovered and Randall got through tackle and end for 15 yards, advancing the ball to Deerfield's five yard line. Gustafson ripped through the opposing line for a touchdown. Jones had the opportunity to kick a goal and tie the score, but failed and the crowds demonstrated their disappointment. But there was excuse for the miss, the ball being water-soaked and soggy, and the toe on Jones' right shoe very soft. He had no stiff toe to put behind his kicking as the wet field softened the box toe of his shoe.

Deerfield received when Jones kicked to McBride who was downed on his 35-yard line by Houde. Deerfield had the ball on the extreme western edge of the field ready to receive a forward pass. Brockton stands yelled loudly to the players trying to attract the attention of some Red and Black player to the Deerfield man. None of the Brockton men saw him and if the whistle had not blown ending the period here, a pass might have been completed by this player, unseen by Brockton boys.

Fourth Period
Karl Billhardt, resting for the fourth period, was injected into the Brockton lineup by Coach Roberts, taking Randall's place at left halfback and the Brockton captain shifted to quarterback in place of Moberg. Deerfield was obliged to surrender the ball to Brockton at Brockton's 35 yard line.

Here Brockton commenced an offensive drive which ended when Capt. Randall carried the ball over the Chicago line for a touchdown. Brockton failed to gain on two plays, but Deerfield was offside and gave the Red and Black first down. Billhardt made two yards through the line and Randall got around end for 12 yards and Billhardt shot through tackle for eight yards.

The ball was on Deerfield's 40-yard line here. Randall made 10 yards around left end and the next play was no gain. Here Deerfield was penalized for offside play, F. Watt being too anxious to get through.

Healy got a 5-yard gain through guard and centre and with the ball on the western team's 20-yard line, Capt. Randall got nine yards on a plunge through tackle. Billhardt made first down and the Brockton leader got a yard.

On a fake forward pass, Randall grabbed the ball as Gustafson pretended to prepare to throw it to Billhardt, and dashed through the centre of the line for eight yards, placing the ball on the Deerfield 20-yard mark. Deerfield was penalized for off-side and Brockton got the ball a yard nearer the line. It was first down and Brockton had four chances to gain a yard to make a goal and take the lead.

The first try at the centre of the line by Billhardt failed to gain and then Randall on a direct pass shot through guard and centre and carried the ball across the line. Jones missed another try at goal, but Brock-

ton took the lead, 19 to 14. Brockton kicked to Deerfield. The latter team carried the ball to Brockton's 17-yard line on straight line plays, mainly through the excellent work of Stewart. Here Quarterback McBride called for four forward passes after gaining consistently through the Brockton line. Brockton got the ball when none were completed.

Brockton had the ball on its own 15-yard line when the game ended.

BROCKTON FANS BURST INTO SONG

Visit of Deerfield Boys Inspires Verse; Two Tributes Published

The visit of the Deerfield boys at Brockton last week occasioned an outburst of verse from that city. A number of poems, dedicated to Deerfield were published in Brockton newspapers. Here are two of them:

To the Deerfield Boys
By L. M. Churbuck

Out from the west your schoolboys came
Bearing the famed New England name,
From the pulsating heart of the great middle west,
They came, twenty warriors seeking conquest.

On Keith field,
Like new limbs sprung from the old Pilgrim tree,
Toughened by winds from Michigan's sea,
Trained in heart, in mind and muscle,
Trained for the great Thanksgiving tussle.

Was Deerfield,
But Brockton High, of the old shoe town
That has Booted the World all up and down,
Had the strength of heart, of mind and muscle—
And something to boot in this grid-iron tussle.

With Deerfield,
So here's to the boys who came from the West—
You lost the game, but you made a conquest;
Whether sprung from New England's old Pilgrim tree,
Or sired by late pilgrims from o'er the sea.

We are just as sure as sure can be
YOU WON BROCKTON'S HEART
ON KEITH FIELD.

High School Alumni in Tribute to Deerfield
Here's to the boys of Deerfield High,
Who'll win or lose; who'll live or die,
They fight with eager "vim" and pep,
And care of honor, law and step;
They know what's duty, wrong, and right,
And have clean hearts with a mind that's bright.

It matters not what place they hold,
They have good cheer and courage bold;
In Brockton, where they'd seem alone
They act as if they were at home.

And 'tis the way we'd have them do,
For it's not their place to e'er feel blue;
In the friendliest city of boots and shoes
Who pay homage to those who win or lose.

May Captain "Red" Proctor and Stewart, art, too,
Take home to Chicago best greetings from you
Who as citizens, sportmen and students bright,
Cheered Brockton; 'twas no more than right.

The "Red and Black" played well and gained the day.
About our victory there can be much to say;
But the Chicago boys really did play their game,
May their spirit rest in the hall of fame.

Here's to the boys of Deerfield High,
Who'll win or lose; who'll live or die.

Although the service will be particularly adapted to the juniors, adults will be welcomed and will find it most profitable to attend.

There will be the usual fifteen minute preparatory prayer service immediately preceding the Christian Endeavor meeting at 7:45 p. m. The topic to be discussed is "Thy Will be Done with my Plans," and will be led by Miss Lucille Eritsch. As this is the regular consecration service everyone is urged to be present.

At 7:30 there will be the usual service of song, special music and the pastor's sermon. Come and bring your friends.

CHRISTMAS TOKENS OF LOVE.

WHEN any uncertainty exists let us give a token of love, or friendship, or human kindness, something that, while expressing these things will, at least, be harmless. Let it be something that does not last—that brings the meaning and vanishes—something that never will know the indignity of the top shelf of the spare room closet!

A knock at a friend's door on Christmas morning and the clasp of a hand do this. A growing plant does it—but, most of all, thou beside me, singing in the wilderness—the personal revelation does it. Suppose a letter came on Christmas morning, to say—"you are perfectly dead to have sent me a spool box" but "I want you to know that your patience, or courage, or tenderness, during this last year, will help me to live more bravely and courageously and lovingly this next year." What a Christmas present the receipt of such a letter would be to any one of us! What a Christmas present for any one of us to send to the human heart that has given us courage for the burden and heat of the day!—Indianapolis News.

Don't hurry about buying your Christmas gifts. On the day before the holiday there are always some left over that everybody else has rejected.
