

## A HAPPY SOLUTION

The following conversation should be heard in every Highland Park Home this Christmas Time:

PAPA: "Christmas time is drawing near, dear; what would you like for a Christmas Present?"

MAMA: "If you want to give me a useful present, why not buy me a new suit? I think I would appreciate that more than anything else."

PAPA: "Very well, dear, you may have that, if you wish, but be sure to go to MOLDANER & HUMER, won't you."

MAMA: "As I understand it, they are good men's tailors as well. I'll tell you what we'll do. Let me give you a suit or overcoat and you give me a suit, and we will both go to MOLDANER & HUMER."

LET'S GO!
