

The splendid side of the custom is that it makes people think of the happiness of others. During most of the year people go driving ahead on their own affairs, never thinking of the welfare and the happiness of others. But once a year, when Christmas comes along and tells people to quit this self centered life, and think a bit on what they can do for others. The world needs more of this giving spirit not less.

COMMUNITY SERVICE

About twenty-five members of the Boy's Community Club, attended a Boxing Tournament at Ft. Sheridan last Friday evening. The boys Club itself is active in the promotion of sports and at the present time are forming a basket ball team which will meet all comers in their weight on the North Shore.

The Dramatic section of the club is also at work on a boy's play called "Ding-a-Ling" which will be produced at an early date, in Highland Park.

Every Wednesday night is "Boy's Club Night" and their parents and the public in general are invited to come to the Community Center and observe the work that is being done for the boys in Highland Park.

The Community Center will be closed over the coming week end for repairs and renovation. The Center will be re-papered and re-decorated and will be put in general order for the coming year.

Americanization classes at the Community Center are now working on a Christmas play which will be given some time around the holidays. The play is called "A Christmas Carol" being an adaptation of Dickens story by that name.

Attention of the public is again called to the fact that there is still a great deal of unemployment in Highland Park and every one must do their bit toward relieving the situation. At the Community Center, we have on file chauffeurs, gardeners, general house workers, cooks, butlers, truck drivers, painters, laundry workers and general labor. This is the season of the year when everyone is having their lawns fixed and storm windows put up and if you need any work of that kind done please call Community Center and we will send you a reliable man.

Attention of the public is called to a Young People's Play Night to be held at the Community Center on Wednesday evening, Dec. 14th, at 8 p. m.

All members of the Community Boy's club with their sisters and friends are invited to come and play games under the direction of Miss Zipora Blumenfeld of National Community Service, Inc., staff. Miss Blumenfeld is an expert in recreational play for young people and she assures the boys and girls of an interesting evening's entertainment.

The feature of the evening will be that the parents of the children are invited to accompany them and take part in some of the games. A great deal of the success depends upon the parents accompanying their children and playing with them. Dancing and refreshments will be the order of the evening after the games.

Community Boy's Gym classes held on Saturday morning at the High School are proving to be quite successful. The classes are well attended and are proving to be of a great deal of benefit to the physical lives of the boys.

Attention is called to the fact that the younger boys should not enter the building before nine in the morning and they should remain in the hallway until the director appears.

Boys from ten to thirteen should come at 9 a. m. and boys from 14 to 18 should come at 10:15. The classes are free to all boys of Deerfield-Shields Township.

The Church of Our Saviour invites this congregation of this church to witness the pageant "The Battle of Armageddon", to be given in the church, 530 Fullerton Parkway, Chicago, Wednesday evening, Dec. 14. The pageant is written about the life and experiences of Bishop Tuttle, who will be present himself and appear in the last episode.

HIGH SCHOOL NOTES

At the faculty meeting on Wednesday, November 30, it was decided by a majority vote of the teachers to close school for the Christmas holidays on Friday, December 23. The vote was taken after a discussion following a request by the grammar school to commence the holidays on Wednesday, December 21, and to open them on Wednesday, January 4. The teachers felt that these two half weeks, preceding and following the two weeks' vacation, would be largely wasted; besides there would not be time to prepare for the Christmas play, unless the play could be as late as the 23rd.

This week the annual Thrift Campaign has been in progress. The work was carried on by the English Classes. It consisted of discussions and oral and written themes. Here are some of the topics:

1. National Wealth as a National Blessing.
2. Saving within the Family.
3. How Students may practice Thrift.
4. Saving.
 - a. time.
 - b. care in buying.
5. Thrift of good Health.
6. Advantage of Securing a good Education.
7. Keeping accounts.
8. Wise Investments.
9. Thrifty traits of Character.
10. Thrift in the use of the automobile.

The Deerfield Savings Bank will be reorganized in the near future. Home Session day the Councilors addressed their particular sessions, making a plea for scholarship.

Have you pledged to buy an annual? Have you paid for your annual? "Better late than never" but "Eventually why not now?"

The third meeting of the French Club took place a week ago Monday. The subject for the meeting, was "France's Great Men of Today." The speeches were — "Le President Millerand", by Constance Williams; "Artiste Briand", by Mildred Walther; "General Petain" by John Gorbey, and "Leon Bourgeois", by Dan Rogers.

ELM PLACE SCHOOL

Editor-in-chief, Paul Blanchard
Assistant Editors, SA Class

Christmas work is being done in all the classes in Elm Place. Our lovely Christmas carols are being rehearsed for our Christmas program. The 8th grade boys and girls are busy with the annual Christmas play.

The 1B's are working on Christmas stories. They decorated the room and windows very nicely with Christmas ornaments. They have made a model of Santa Claus in the sand table. They, also, made a model of him going down the chimney in the doll house they have in their room. The 1A's are making Christmas presents out of clay. Some of them are very interesting. Miss Fleishchauer's pupils dyed cloth. They, too, are making Christmas presents. The girls are making doll bed spreads, and the boys are making marble bags. Miss Jones' 4A's are making Christmas posters.

The 7B's received the prize of two dollars for having the largest percentage of mothers at the last P. T. A. meeting. They gave the money to the library fund.

A Highland Park man brought some fine sugar cane direct from a Louisiana plantation. Miss Guiney told about it to the nature classes.

George Benson, an SA pupil, underwent an operation for appendicitis last week. We hope he will soon be back with us.

It has been decided to close for the Christmas vacation on Friday, Dec. 23. The Christmas play will be given on Thursday afternoon, Dec. 22, and repeated in the evening of that day for the benefit of adults. The carols will be sung on Friday morning and school will close at noon.

The governor of Michigan is suing to compel the auditor-general to pay himself, the treasurer and the secretary of state an additional \$2,500 a year voted to them by the last legislature.

This is a Studebaker Year

On October 1, 1921, there was 117,000 more STUDEBAKER CARS in use than there were on October 1, 1919. Notwithstanding this large increase in number of Studebaker Cars in operation, our sales of REPAIR PARTS for the first nine months of 1921 were 6% less than the same period in 1919.

THIS PROVES CONCLUSIVELY that Studebaker Cars are standing up in service and keeping out of the repair shop.

Buy a Studebaker and you will always be satisfied with your investment.
