

Home Washing Versus Damp Wash Service

ONE WASH MACHINE + ELECTRICITY + SUPPLIES + HIR- ED HELP OR PERSONAL LABOR AGAINST OUR DAMP WASH SERVICE OF 25 LBS. FOR \$1.25.

YOUR WASH MACHINE AND HOME WASHING is costing you too much money. Go over these figures carefully:— One wash machine costs you \$150.00 or more. \$5.00 down and \$5.00 per month until paid for. It takes you about 30 months to pay for the machine. During this time you use electricity, soap, blue, etc., for which you pay additional.

You must stay at home loading and unloading the machine and running the wringer and carry and hang out the clothes. If you do not do the work yourself and you employ some one it costs you their wages and meals. This is another expense.

Perhaps you are not always well on the day you do the washing, making it an additional hardship on you.

If you use the machine each week for 30 months it will begin to need repairs or you will have to call in the electrician or mechanic:—MORE EXPENSE.

Now sum up all these items of expense and compare the total with the actual cost of having your laundry done the "DAMP WASH" way, 25 lbs. for \$1.25 and \$.05 per lb. for each additional pound.

Very few families have more than 25 lbs. of laundry each week. At the price you pay for a wash machine, supplies, electricity, repairs and labor you may send your laundry to us for two or three years besides doing away with the muss around the house and you have the day to yourself for more enjoyable things than washing clothes.

Your laundry is called for and delivered to you the next day in a damp (not wet) condition with quite a number of pieces ready to iron.

If you have no wash machine you can have no better health insurance than having your laundry done the "DAMP WASH" way. Send us your entire family wash and see the remarkable results.

United Evangelical Church

I was glad when they said unto me, Let us go into the house of the Lord—Psalms 122.1.

Next Sabbath's Sunday school lesson will close the study of the great apostle Paul for the quarter. Those who are coming to Sunday school classes regularly have derived much good from a study of this man who could do all things through Christ.

The subject for the morning service will be, "Faithfulness to the small tasks."

At the evening Christian Endeavor service, a subject will be discussed that is of personal interest to everyone. "Our own conscience, Teaching it, Quickening it, Obeying it." We especially invite all young people to our league meeting beginning at seven p. m.

The well known story of Van Dyke, "The Other Wise Man," will be given at the evening preaching service and will be illustrated completely with stereopticon slides. We invite you to come and both hear and see this beautiful Christmas story.

On Christmas Sunday, a candle light service will be held in the evening, at which time Christmas carols and hymns will be sung. Complete your plans for Christmas day by arranging to come out to this evening service and thus be helped to feel anew the true spirit back of this holiday.

The annual Christmas program will be given by the Sunday School on Friday night, December twenty-third. Every Sunday School scholar is looking forward to this night and every one is cordially welcome. The offering taken at that time will be our Christmas gift to missions. Christmas time is a good time to test out that statement that it is more blessed to give than to receive.

At this week's mid-week prayer meeting, a large barrel will be seen which is to be filled with food and clothing and things that can be spared for the poor in our mission in Tennessee.
