ARDEN SHORE MAKES REQUEST FOR CLOTHING

Does anyone want to help give the
Arden Shore boys a merry Christ-
mas? If so some stout shoes and
boys' clothing would be most welcome.

John K— is 16 years old and is
"over the top" in weight. He wants
to get a job but his clothes are so
shabby that he is afraid no one will
take him. John has no home, no father
or mother, no one in the world, in fact,
who belongs to him. He is willing and
eager to work and he is well and
strong now after his weeks at the
Camp.

That he may remain in his present
good condition, he will be kept at the
Camp until he can be suitably placed,
but some better clothes would help
him quite a lot. Can anyone give John
some clothes or a job?

Many of the boys need shoes. The
Camp budget does not allow for shoes
and the boys' parents are supposed to
provide them. But some of these boys
have no parents and some have par-
ents so poor or with so many children
that it is a hard task to keep them all
clothed and fed.

One of the best things a boy gets
at Arden Shore is his exercise and
play in the open air. For this heavy
shoes are a necessity.

The boys are from 14 to 16 years
but many of them are small for their
age. New shoes or those slightly worn
would be most gratefully received.

If convenient please send articles
to the Arden Shore Camp at Lake
Bluff. Otherwise notify Mrs. Bruce
MacLelish, Glencoe, and they will be
called for.

GRACE M. E. CHURCH

These are busy days for Sunday
school teachers and little folks every-
where, and the neighborhood of Grace
Methodist Church is no exception to
the rule. A wonderful program has
been prepared by the superintendent,
Mr. W. E. Bletsch, and all are con-
scientiously at work getting ready
for the big event to be pulled off on
Christmas eve, December 24. Almost
every boy and girl has a part and of
course they will do their best. There
will be a Christmas tree. A treat
and a real old fashioned Christmas
occasion is promised. To the great
credit of all concerned it was voted
to have a White Christmas, that is,
where everybody gave to those most
in need, and did not expect any treat
or gift from teachers, officers or each
other. But some of the older heads
got together and felt that it would
be too bad if we neglected entirely
the faithful, loyal boys and girls;
and so—but that is something to find
out later. Only this is true, none will
go away empty handed, from our
Christmas celebration. Yes it will be
a White Christmas after all, for we
are going to give a whole truck load
of flour to the Lake Bluff orphanage.
Boys, girls, men and women are giv-
ing eighth, quarter, half and whole
barrels of flour. And besides that
we are going to make a generous gift
to a colony of lepers, people who are
dying by inches from that dread dis-
ease of leprosy. This we hope will
reach not less than a hundred dol-

lars. Giving? Of course we will
give and be glad to have the oppor-
tunity.

Oh! for a sunny Sunday, when
no one can have a sane excuse for
a cloud in the sky, a flake in the air,
or a rain drop to spoil the "Sunday-
or-a-rain-drop-to-spoil-the-Sunday-
go-to-meeting" duds. There are a
lot of people in Highland and High-
land Park, who have no church
home, who, let's imagine, could come
to church twice or even once on Sun-
day, and enjoy it, and live just as
long. Come, good people. Break
long. Come, good people. Break
long. "Go to church Sunday." If
you do not regularly attend some
other church, the "little friendly
Methodist church," corner Lauretta
Place and North Ave., invites and
will welcome you. You may not like
the preacher or the sermon, but will
surely enjoy the hearty welcome, and
the singing. And if you come once,
you will come again.

Next Sunday morning the pastor
will talk about "The Coming King-
dom." You ought to hear about it.
Those Sunday evening Song ser-
vices seem to be greatly enjoyed.
There is another one coming next
Sunday evening; and the climax will
be another splendid number by our
new choir. Evening sermon "Be-
yond the Stars."
