

# Special for Christmas, Gift Suggestions

We carry a complete line of general merchandise and shoes from which you can make a selection to suit every member of the family. We always put the lowest prices on our goods at the time people need them. When buying merchandise from our store you can purchase the same quantity for \$1.00 that you can elsewhere for \$2.00.

We are carrying the best brands of merchandise made — goods made by nationally advertised concerns. We are buying our goods for three stores and paying no rent, and it is this arrangement that enables us to sell at prices lower than elsewhere.

##### Christmas Party

The Annual Christmas party for the juniors of the Y. W. C. A. will be held Monday evening, Dec. 19th, at 7:30 p. m. in the gymnasium.

The invitation is the same as in other years. All the Girl Reserves, with the members of the dancing classes and their mothers are cordially invited to enjoy the tree and candy.

The dancing classes will be held the same as usual this week, regardless of the Christmas Party.

##### Be Square Club

Monday evening Miss Marion Moseley gave a most interesting talk before the Be Square Club on "Courtesy".

The program committee chose their own subject and Miss Moseley handled it in her own original charming manner. She brought in many experiences that demonstrated her point that courtesy is only another name for kindness to one another.

The whole day can be spoiled or gladdened by the spirit in which we greet each other. A little thoughtfulness here and there will go a long way toward making some people happy and each has it in their power to spread sunshine as the days go by.

These talks to different clubs will be held throughout the winter and are under the direction of the Educational committee of the Y. W. C. A. Board. Light refreshments and a good time followed.

##### Girl Reserve Supper

Thursday evening the Girl Reserves gave a supper at six-thirty in the gymnasium, planning their Christmas activities.

The girls prepared the supper which showed a great deal of culinary skill on their part as well as good healthy appetites.

##### PLAY NIGHT OBSERVED AT CENTER WEDNESDAY

The community play night held at the Community Center last Wednesday evening under the auspices of the Community Boys club was a very pleasant and enjoyable occasion. A program of games, first for the boys and girls, and then for the older folks was the feature of the first part of the program. The games were directed by Miss Blumenfeld of the National Community Service staff. A short program of songs was given by Dino Corina, Charles Tingle, and others. This was followed by dancing, the music being furnished by the Young Men's club orchestra. The party was also in the nature of a house warming as this is the first affair held in the Center since the renovating and redecorating was completed.
