## LICENSES REQUIRED FOR ENTERTAINMENTS

### NEW ORDINANCE PASSED

#### Steps Taken at Meeting Last Friday to Control Public Amusements in Highland Park

An ordinance licensing and regulating public places of amusement was passed at the meeting of the city council last Friday evening. According to the ordinance any individual or organization presenting at any public place of amusement in this city "any amateur theatrical entertainments, cabaret, any whatsoever, whether musical or otherwise, or any dance or skating either of patrons or other persons, except as herein provided by this ordinance," must secure a license from the city authorities.

It is provided that the license fee shall be \$25, except where the proceeds "inure exclusively to the use or benefit of charitable, religious, or educational institutions, and where proof to such effect is furnished in a manner satisfactory to the Mayor, the license fee for any such entertainment shall be one dollar for each act."

If the place at which it is desired to conduct the entertainment "be not a fit or proper place" or "if the amusement or entertainment desired is to be produced or offered by an immoral or dangerous character, or if the person making application for a license be not of a good moral character, the Mayor may refuse to approve such application, and no license shall be issued by the clerk except upon the approval of the Mayor."

Another clause provides for the investigation of the applicant by the city marshal to determine whether or not the license shall be granted. The full text of the ordinance follows:

### AN ORDINANCE LICENSING AND REGULATING PUBLIC PLACES OF AMUSEMENT.

#### BE IT ORDAINED BY THE COUNCIL OF THE CITY OF HIGHLAND PARK:

SECTION I. That the term "place of public amusement", as used by this ordinance, shall be construed to include and to mean any building, hall, room, or enclosure to which the general public may be admitted with or without the payment of an admission fee or charge of any kind or character where they may engage in or witness the performance of any amateur theatrical entertainments, cabaret, or any dance or skating either of patrons or other persons.

SECTION II. No person or persons, society, club, firm or corporation either as owner, lessee, manager, officer or agent, shall give, conduct, produce, present, offer, permit, suffer or allow at any public place of amusement within the City of Highland Park any amateur theatrical entertainments, cabaret, any performance whatsoever, whether musical or otherwise, or any dance or skating either of patrons or other persons, except as herein provided by this ordinance.

SECTION III. Any person or persons, society, club or corporation desirous of conducting a place of public amusement, as defined in this ordinance, within the City of Highland Park, shall apply in writing for a license therefor from the City of Highland Park. Before any such license is granted, an application in writing signed by the applicant shall be made therefor to the Mayor of the City of Highland Park setting out the full name and address of the applicant, if an individual, the members of the firm, if the applicant be such, and if a society, club or corporation the

### MRS. CLARA JUDSON TO ADDRESS WOMAN'S CLUB

"The Business Side of Housekeeping" Subject for Meeting, January Third

Can you imagine a more interesting or a more profitable subject for an afternoon program for a Woman's Club than "The Business Side of Housekeeping"? Next Tuesday, January 3rd at 2:30 p. m. Clara Ingram Judson, who has all the knowledge to be gained by the practical application of her ideas in her own home, will address the Highland Park Woman's club on this subject.

Mrs. Judson is a remarkable woman, besides being a housewife and raising a family, she is the author of many books dealing with domestic problems. To accomplish all this and to find time for lecturing proves that she has made a most successful business of housekeeping.

Mrs. Herbert Smith will sing two groups of songs. Afternoon tea.

## CHARITY OF ELKS EDICTS PRAISE

### Anonymous Writer Enthusiastic in Commendation of Lodge's Relief Work

Highland Park, Ill. Dec. 26, 1921

Editor, The Press,

Dear Sir: Passing through the outskirts of this city last Saturday afternoon I chanced upon an automobile laden with good things to eat and articles of clothing standing near a lonesome looking little shack.

My curiosity getting the better of me I stopped. Just then a man, very well known in Highland Park, emerged from the house. I questioned him, and learned that he was a member of the Elks committee distributing Christmas dinners to the poor. His face fairly radiated with the Christmas spirit.

It is not the policy of the Elks to advertise their good deeds. As an outsider, however, I would like to say a few words in commendation of the noble work done by that lodge. Every needy family from Winnetka to Lake Bluff that the lodge was able to discover was provided with a big basket of food, and many were given warm clothing. Every patient in the Highland Park hospital, and the Alice Home hospital at Lake Forest was given a small potted plant, and there were large potted plants for each ward in the Fort Sheridan hospital.

The members of the lodge gave freely not only money but also time and the use of their automobiles to this good work. It is only just that some mention be made of their kindness.

## MUCH WORK IS PLANNED

### Highwood and Highland Park-Deerfield Stretches Included in \$1,000,000 Highway Project

Eleven of the main highways in Lake county will be improved with the \$1,000,000 worth of road bonds that are advertised for sale by County Clerk Lew A. Hendee, on December 30th.

The state aid roads to be improved with this money are: The Highland Park-Deerfield road, beginning at the west limits of Highland Park, thence southwesterly and west to the intersection with the Chicago-Wisconsin Federal Aid Road, in the Village of Deerfield, a distance of 2 1/2 miles to be improved with a graded way 30 feet wide and with an 18 foot concrete pavement at an estimated cost of \$73,000.00.

At a meeting held in West Deerfield by the citizens of Deerfield and West Deerfield townships the taxpayers decided to widen the Highland Park-Deerfield road from eighteen feet to twenty-four feet, and to pave it with concrete, and to stand the \$27,000 additional estimated cost necessary to bring this about.

The Half Day Road, from the west limits of Highwood, west a distance of 2 3/8 miles to an intersection with the Chicago-Wisconsin Federal Aid Route, to be improved with a graded way 30 feet wide and with an 18 foot concrete pavement at an estimated cost of \$195,000.00.

The Rockland Road, from an intersection with the Chicago-Wisconsin Federal Aid Route west to Milwaukee avenue, also, beginning at Park avenue, in the Village of Libertyville thence westerly to the west line of the town of Libertyville a total of 6 3/4 miles, to be improved with a graded way 30 feet wide and with an 18 foot concrete pavement at an estimated cost of \$42,000.00.

Barrington-Wauconda Road, north a distance of 1 1/2 miles to be improved with a graded way 30 feet wide and with an 18 foot concrete pavement at an estimated cost of \$42,000.00.

## DISTRICT 107 TO HOLD ELECTION JANUARY 21

### BOARD MET DECEMBER 19

### To Vote on Location of School Site, and Authorize Board To Erect New Building

At the regular meeting of the Board of Education of District 107 on Monday evening, December 19, the building question was brought up and action taken which will be of interest to many readers of The Press. The members of the Board were unanimous in agreeing that the matter of providing more adequate school facilities should no longer be deferred and that the time is at hand when the citizens living in District 107 should agree upon a building program and authorize the Board to carry it out.

In accordance with this sentiment it was decided to call an election for Saturday, January 21, next, to vote upon the proposition to locate a school site and to authorize the Board of Education to build a building and to issue bonds for carrying out such a program. The president of the board was authorized to give wide publicity through The Press and by circular letter to a program upon which the Board has already agreed and to outline an alternative program both programs to be submitted to popular vote at the coming election.

## TO SELL PROPERTY FOR DELINQUENT TAXES

### Highland Park Property Ordered Sold by Court Yesterday. Must Pay Penalties

Judge P. L. Persons today issued a formal order authorizing County Treasurer Roy W. Bracher to sell property in Highland Park upon which the taxes are delinquent. The court order followed the application of Roy W. Bracher, county treasurer and ex-officio county collector, for order of judgment against real estate returned delinquent for non-payment of general taxes for the year 1920 and other years.

Treasurer Bracher on Oct. 19, filed notice of application for judgment and order of sale for general taxes for the year 1920 on lands and lots in the City of Highland Park. The court held that all persons interested had ample time to file objections.

At the June Term Treasurer Bracher applied for judgment for only 67.4 per cent of the amount of the collector's taxes extended on the collector's books on said real estate because of a temporary writ of injunction issued May 24, 1920, in the Circuit court. On Aug. 1, 1921, the temporary writ was modified so as to restrain the collection of more than 70 per cent of the amount of the taxes extended on the collector's books for the year 1920, leaving 2.6 per cent of the (Continued on Page 6)

The new certificates yield 4 1/2 per cent, compounded semi-annually.

## WOMAN'S CLUB PLAN THREE UNUSUAL EVENTS FOR MONTH OF JANUARY

### Henry Turner Bailey to Give Lecture at First Performance, January 9, in Pearl Theatre

Highland Park is to put herself on the map as a truly important centre of high class entertainment during the first month of the new year. On January 9th, 23rd and 30th at Pearl theatre three unusual events are scheduled - designed to please a discriminating public, save time and carfare which going to the city to hear them would entail, and benefit our community by presenting the best.

First will come Henry Turner Bailey of Cleveland, Ohio, who is well known all thru the country as a lecturer and authority on nature subjects. With his blackboard and chalk he becomes a man of magic, delighting young and old, male and female, with his speedily drawn illustrations to his running comment on the traits, habits, dyscrasias and development of nature's children. Once each year for sixteen years he has appeared at Fullerton Hall, Art Institute, and hundreds who never enter those doors on other occasions never miss one of Mr. Bailey's talks. His date there for 1922 is on January 10th and Highland Park secured him for the preceding evening, January 9th.

The second of the evenings, January 23rd, brings Harrison M. Wild, conducting one hundred voices in a part song concert. Those who heard Mr. Wild as a lecturer at the Presbyterian Church on November 2nd, and there learned his ideals in choral singing, will here have an opportunity to realize his achievement with these members of the Apollo Musical Club which is this year celebrating its fiftieth year - twenty-three of these fifty being under the present leadership. That Percy Grainger's "Seventeen come Sunday" is to be listed in their offering is sufficient urge to any who have once heard it done to come to the concert if only for that alone! Mr. Paul Malory, tenor, will be the assisting artist at this concert. He is well known on the North Shore and in musical circles every where and will be remembered by the many in our immediate neighborhood who delighted in his singing of the solo in the play "Prunella" given by the Drama League in Jens Jensen's garden last summer.

The third of the series present a man but little known to us, because Mr. Walter Macpherson has considered the 'big time' circuit in the travelogue field well covered with Elmdorf, Holmes and Newman. He is a young man, hailing from Joliet, coming into the lecture field just a few years ago. Now with the incomparable (Continued on Page 10)

## BRIERGATE GOLF CLUB MAKES RAPID STRIDES

### Members Enthusiastic at First Annual Meeting of New Organization

A large and enthusiastic gathering of the members of the Briergate Golf Club celebrated the first annual meeting at the Great Northern Hotel Thursday.

W. P. Kelly, treasurer, presented the financial statement of the club, and the excellent showing contained therein was somewhat of a surprise to the members present. President W. M. Reay pointed out that the entire cost of construction of the new eighteen-hole course now completely bunkered and the equipping and furnishing of the clubhouse, locker rooms etc., has been entirely met from the initiation fees collected from members during the year.

This result is somewhat remarkable in a year like 1921, fraught with bad business and financial conditions. He also stated that if the club can obtain within the next year or eighteen months its full quota of membership, then the entire purchase money indebtedness of the club can also be discharged from the proceeds of membership sales, and the club would then be entirely free of indebtedness of every character. Under this condition no assessments are anticipated.

The following officers were elected for the ensuing year: President, W. M. Reay; first vice-president, G. W. Rossetter; second vice-president, J. E. Woodman; treasurer, W. P. Kelly; secretary, R. D. Hesser.

The following were elected directors: R. M. Calkins, vice-president C. M. & St. P. Ry.; L. W. Ferguson, president Ferguson Coal Company; Charles Johnson, president Citizens State Bank; H. K. Curill, International Harvester Company.
