### GRACE M. E. CHURCH

The concert by the Bowen choir, of Chicago, on Monday evening, was an enjoyable affair. There were twenty-eight young people who took advantage of an opportunity to show their regards for their former pastor and his wife. The social hour after the concert was appreciated by all who were there.

Our choir, under the leadership of Mr. Hiram Nichols, has already begun preparation of an Easter cantata. They expect to make it an

affair equal if not superior to any similar affair ever given in Highland Park.

Come to our Sunday morning service. You will be surprised how many old friends you will meet there. And you will also have an opportunity to meet some most excellent new people, who seem to take pleasure in our services, especially at the morning hour.

Next Sunday evening we will use our splendid new stereopticon. A goodly number of beautiful pictures and an illustrated song will be the principal features. The theme will be "Stewardship."

Our Epworth League room is crowded every Sunday evening at the 6:30 service. At the present rate it looks as if we would have to use the main auditorium for this popular event.

## Dangler Gas Ranges

MORE than a stove! The Dangler has patented rotary flame burners that spread the flame tip underneath the utensil. No heat is wasted. The Dangler has an extra depth oven. The heat is distributed evenly and everything you cook will be perfectly done—no matter where you place it in the oven. But the feature you will like best is the wonderful

### LORAIN OVEN HEAT REGULATOR

Set the Lorain red wheel at any one of 44 temperatures, from "Slow" oven heat to "Very Hot," and Lorain keeps the oven at exactly the heat you want, as long as your oven is lit. That means a successful baking every time, because the cooking heat is the only uncertain part of baking. Lorain also offers whole-meal cooking, and an easier way to can fruits and vegetables. See it demonstrated at our store now!
