HIGH SCHOOL NOTES

Last week the Boosters' club met and had a very interesting meeting. Mr. Zipoy gave an excellent talk on school spirit which precipitated some very interesting discussions.

At the recent senior girls and faculty basketball game, the faculty won by a score of 19 to 18. This is no indication on the senior girls playing, however, because the faculty team is largely composed of college stars.

This Tuesday the Garrick club held its meeting. The time was devoted to a debate on the subject of movie censorship. Those who debated were: Nellie Hunter, Francis Harrison, Wilhemina Bell, Dorothy Atride and Gemina Tecktenstien. Those who favored movie censorship won.

A number of new books have arrived for the library shelves. They are principally history books, but are none the less interesting.

Tuesday of last week Mr. Scully, the superintendent of Brockton high school, spoke to the school. He was in Chicago because of the teachers' conference. He spoke very highly on the fine bunch of boys the school had sent down to Brockton last fall, and spoke of how greatly the Brockton boys esteemed our Coach Rothacher.

The seniors had a class meeting recently to discuss the question of a class motto and class yell, and the question of a gift to the school. Nothing was definitely decided.

The "Blue and White" has increased in size from 6 pages to 8. The price, however, has gone up accordingly.

The School Annual is progressing splendidly, but this week has been devoted to a big Annual campaign. The object is to increase the subscriptions, and a very clever clock to indicate the Annual sales has been invented, and put up in the main hall. After the 15th the price of an Annual will go up from \$1.50 to \$1.75, so it is to everyone's interest to subscribe before that time. The Annual is going to be very worth-while this year, with new departments, new ideas, original pictures and drawings. There will be fifteen individual outlined pictures of the football players which will go to make up part of the football section. Under each picture there will be a separate write-up of each player. In addition to this there will be several pages devoted to the Brockton trip, with some snap-shots and sketches.

Under Mr. Conover's direction an operetta is under way, to be given by the school choruses. The operetta is "Trial by Jury," by Gilbert and Sullivan. From the sound of the practice it promises to be a very lively and entertaining affair.

Last Friday there was no school due to the fact that there was a teachers' conference at the high school. All the teachers from Lake county were invited. There were over 500 present.

ZION LUTHERAN

Rev. W. F. Suhr, Pastor
Sunday school at 9:45
Morning worship in English at 10:45.

During Lent there will be a Lenten service every Thursday evening at 8.

Following the Lenten services on Thursday evening the regular meeting of the Luther League will be held in the assembly room, (March 9).

There will be no Bible class during Lent.

The Concordia Club held its monthly meeting in the assembly room Wednesday evening, Mr. and Mrs. Geo. Schumann entertained.

The Dorcas met at the home of Mrs. J. Snyder on Tuesday evening.

OAK TERRACE SCHOOL

The final examination in "History of Illinois" will be given March 23. In arithmetic written work for the month of February, Ossion Carlson averaged 100 and Elizabeth Welch 99.

Remember the Firemen's dance tomorrow (Friday) in the Oak Terrace school. Further notice appears elsewhere in this paper.

GRACE M. E. CHURCH

Lieut. Don M. Young, a former parishoner of the pastor is now located at Ft. Sheridan. We expect to see him often at our services.

At the Sunday school board meeting Monday evening all of the old officers were re-elected, except that Mr. Robt. Boyd was elected assistant secretary; and Mrs. Gertrude Goosman was chosen superintendent of the primary department. A very important item of business was the move to have the primary department as a completely separate school, having their own opening, closing and other exercises. With the new superintendent of this department and the introduction of kindergarten ideas and up-to-date methods and equipment we hope for some fine results.

The Intermediate Epworth League is having sessions of unusual interest every Sunday afternoon. And they are having a most happy time.

The attendance on the illustrated lecture last Sunday evening was quite large. It was most interesting to compare conditions in New York with those of Chicago. But most startling were the revelations of the conditions under which the foreign-born population lives. These pictures showing with faithfulness the actual scenes, and the wonderful contrast as seen in the show places, parks, rivers and ocean left impressions that will not soon be forgotten. One week from next Sunday evening we will have a hundred or more pictures of Chicago and Chicago life. You may think you know all about Chicago. But do you? Be sure to see these pictures. Would you hear about the "Glorious Hope?" Come to church next Sunday morning. In the evening the theme will be "The Far-Sighted Mother." Daughters of Rebecca are especially invited to this service, especially if they would know more of the name-sake of their order.

EBENEZER CHURCH

10 a. m., Church school. Temperance lesson. Chalk talk by the pastor.

11 a. m., morning worship. The second subject dealing with our Lenten theme will be presented. "Love Divine" to be sung by Mrs. Schuster and Mr. Hansen.

2 p. m., class in religious instruction will meet.

7:30 p. m., stereopticon lecture on "The Holy Land." This will be the first of the series of stereopticon lectures that will be given Sunday evenings during the Lenten season. Special music and illustrated songs at each service.

7:30, Wednesday evening, prayer meeting.

The committee in charge of the Easter pageant has already begun work. The characters have been chosen and assigned. "The Triumph of Love" by Margaret Slattery is the pageant selected.
