

Here's the Reason Remodeling

In coming here I have my orders to turn this gigantic stock into cash, and I have marked, slashed and slaughtered prices, never giving a thought to costs or profits. Come double the purchasing power prices in my efforts to give the people of Highwood and surrounding territory the greatest bargain of a life-time. Seeing is believing. ~~Save~~ your own eyes will not deceive you. Come expecting great bargains, you will not be disappointed. Again I say come, you will thank me for the good advice.

Respectfully,
A. C. ARMBRECHT,
Sales Conductor in Charge

Here's the Reason Low Prices

We are going to remodel the store, and owing to the size of the stock for present day conditions, and in order that we might convert our merchandise into cash quickly, we have engaged Mr. A. C. Armbrrecht, sales conductor of Chicago to hold this immense sale. PRICE CUTTING MUST BE DONE. In this matter we have given him a free hand to make prices as he sees fit; and we have given him the order to sell \$15,000 in 9 days. We will guarantee every one who attends this sale that EVERY reduction will be genuine; so come and share in the bargain feast.

Respectfully,
CHARLES GLASS.
