

A Radio Phone

for Your Home

is a practical success and simple to operate

PROVIDED—you get the right equipment for your requirements, have its installation properly directed, and receive instruction until you learn to operate it.

We are prepared to give this important service when taking your order for a radio phone.

The "broadcasting stations" are sending out news, stock reports, bedtime stories for your children, the opera, concerts, lectures, sermons, etc. The air is full of messages bringing joy, education, beauty, to your home if you only had the "ears" to receive it.

Owing to the demand for radio phone sets, you should see us immediately. We have a limited number of phones on hand for immediate delivery. Room 10, Highland Park Trust & Savings Bldg.

Even the stormy weather did not keep a goodly number from the evening service last Sunday. The pastor appreciates the growing number of those who come from central and southern Highland Park. At every service there is quite a number of folks who do not live in our immediate neighborhood. There is always room for a few more. Just keep coming, folks. Maybe some day it will be a habit.

The little white church, corner North avenue and Lauretta place, keeps open house every Sunday according to the schedule above. Next week we begin a series of special services to be held every evening. On Sunday evening, the pastor will preach. Theme: "Fallow Ground." At the morning service, a second sermon for parents and children.

On Monday evening Rev. Allison F. Clark, D.D., superintendent of the Chicago Northern district, will preach. He is worthy of a large congregation, son, pastor of

On Tuesday evening, Rev. A. C. Carlson, pastor of Broadway M. E. church, Chicago, will preach. This young man is one of the most successful pastors in the city.

On Wednesday evening the pastor will preach.

Thursday evening, Rev. J. C. Dickey of Libertyville will be the speaker. Dr. Dickey has had the joy of serving some of the important pulpits of our church, and is always interesting and eloquent.

On Friday evening, Rev. Frank Fitt, pastor of the Highland Park Presbyterian church, will bring to us one message. The mere announcement of the coming of Rev. Fitt should fill the house to the limit.

The Highland Park Choral club, under the direction of Mr. Hiram C. Nichols, is doing wonderful work at the rehearsals for the Easter cantata. With the splendid soloists and a number of duets, quartets, and well balanced choruses, this will be a notable musical event. The soloists are Misses Florence McGath, soprano; Claretta Reese, of Lake Forest, contralto; Messrs. Carl McGath, tenor; and Oscar Meyer, baritone. Further particulars next week.

You missed a great Epworth League service last Sunday evening, if you were not present. Be sure to be there next time.

CHRISTIAN SCIENCE

You are cordially invited to make use of the reading room at 387 Central avenue, which is open every week day from nine o'clock in the morning until six o'clock in the evening and Sunday afternoons from two to six o'clock.
