

Income tax collections are said to be painfully slow. It may be necessary to put some of the taxpayers under ether before anything can be extracted from them.

The boy bandits who are doing the holdups, may have had plenty of good instruction, but they need better acquaintances with the shingle and the woodshed.

ELM PLACE NOTES

Editor-in-Chief, Merritt Clifton
Assistant Editors, 8A Class.
Some crawfish, a goldfish, and a turtle were added to the kindergarten aquarium. A playhouse was loaned to the children until June. They have been having great fun with it. A doll carriage and a doll, named Lillie, were also given to them. Mr. Smith gave them a rag doll which they named James. They have dyed papers many colors. They have done this with Batik Dyes. They have also painted some pictures with Fresco paints on large white paper. The children have been very interested in the birds.
Miss Peterson has an assistant, Miss Ryder, to help her in the 2A room.
The 4B's have made a model of the island of Montreal in the sand table. Barbara Balke presented the 4B room with a statue of Nike of Samothrace. This was to help out in the study of Greek myths.
Miss Jones' 4B's are making a poster of animals native to Highland Park.
The fifth grade cleared sixty-five dollars on their bulb sale. Some rooms have the Darwin tulips now in blossom. They are especially lovely this year. The 5A's are painting castles. The 5B's are making Norse ships.

The seventh grades are working out bird, animal, an arbor-day posters in drawing. The 8A's have started book plate in drawing.
Miss Catherine Harvey of Kalamazoo, Michigan, Mr. Cortwright, principal of the Irving School at Hammond, Indiana, and some of the Wilmette teachers were recent Elm Place victors.

The Elm Place Musical Memory Contest team won honors for our school when they captured third place in the New Trier contest Saturday. The members of the team that are to partake in the final contest at Orchestra Hall are: Kathryn Wagner, Elizabeth Booth, Dorothy May, Anne Wood and Clover Benson. Hats off to the girls. Not a very good showing for the boys though. Buck up, fellows and show these girls what you can do.

The tomato plants in the plant house which were started from seed by the fifth grade pupils have grown so well that they are being reset for the first time this week. They will occupy more than 150 flats. The fourth grade pupils have already reset their cabbage plants and now have 14 flats of sturdy plants. The fourth grade has also planted cotton seed in pots, the plants to be set out later on. The seed was sent by Mrs. Tom Bellhouse of Alto, Ga.

GRACE M. E. CHURCH

It is unusual that from the beginning of a pastorate for congregations to grow in numbers. Usually it is the other way. But the past six months at Grace church has reversed the rule. Larger Sunday evening congregations, and an evident growth in interest has characterized the service of the present pastor. Last Sunday evening the congregation was larger than at any previous service for years. And the folks gave splendid attention to the sermon on "The Price of a Dance."

During the past week large audiences heard the visiting preachers whose messages were very helpful; especially fine was the sermon of Rev. Frank Fitt last Friday evening, and it was greatly enjoyed by all who braved the storm to hear it.

This week the pastor is giving a series of sermons of interest to fraternity members. This (Thursday) evening, the theme is "A Widow's Son." Mrs. F. H. Okey is the soloist. Tomorrow evening "Rebecca's Choice" will be the subject, and Miss Florence McGath will sing. We are expecting large attendance.

Next Sunday, Palm Sunday, the morning theme will be "The Triumphal Entry." In the evening the sermon will deal with "Causes of Moral Decay."

During Passion Week the following themes will be discussed on the evenings indicated:

Monday: "A Filthy Temple."
Tuesday: "The Judgment Day."
Wednesday: "Memories and Meditations."
Thursday: "Comfort in Sorrow."
Friday: "A Crucified Christ". The Sacrament of the Lord's Supper will be observed, at the close of the service.
The cantata "The Kingdom of God" will be given Friday evening, April 21. Remember the date. Further particulars later.

7:30 p. m. Friday evening rehearsal for the Pageant. It is very necessary that every one be present for this rehearsal. The Pageant will be given Easter Sunday morning.
7:30 Sunday evening stereopticon slides on the subject "The Crucifixion of Our Lord." In connection with this service Mr. Hansen will sing the illustrated song "The Palms" in keeping with Palm Sunday. A cordial invitation is extended to the community to be present and enjoy this Palm Sunday service with us.

To the Citizens of Lake County:

The importance of electing suitable persons to public office is too obvious to require comment. The question is—do all those who fully recognize this fact use diligence in determining who is suitable?

I am a candidate for the office of Probate Judge — there are others. The one elected becomes your servant for four years. Since the duties are exacting and important to all, you certainly will exercise the prudence necessary to the safe employment of other servants. This means the investigation of our respective fitness for the position. I ask for nothing more—you doubtless agree that I am entitled to nothing less. Upon the results of your impartial inquiry, I am content to rest my case on the day of the primaries—April 11th.

Respectfully,
Chas. E. Jack.
