

Legislation is always a few jumps behind the crooks.

When a man runs for office he finds out how mean he has been.

And, when a man dies, his friends find out how good he was.

GRACE M. E. CHURCH

The series of special meetings at this church have been of real interest, and the attendance has been excellent—increasing from night to night, and the results have been evident to a satisfying degree. This (Thursday) evening, the subject will be "Comfort in Sorrow." On Friday evening, the theme will be "A Crucified Christ." Our Choral club will furnish special music, and the service will close with the Holy Communion. Sunday morning, Sunday school hour at 9:30. Preaching service at 10:45. A feature of this service will be the baptism of children and reception of new members. Our surpliced children's choir will sing special Easter music. Other interesting features have been prepared. We confidently expect this to be the great service of the year. The evening service will begin promptly at 7:45. Theme "John's Guest." The pastor is glad to see the increasing attendance of people from other sections of the city, and wants people of all classes and sections to come, feel at home, and enjoy our service.
