

"MONEY TALKS"

To the thriftless money says, "Good-Bye."

To the self-respecting, forward-looking citizen it says, "I am yours, I represent your best working days. Be careful with me for I am your best friend. Put me in the bank where I am safe and will work for you. Remember I move the world."

PARENT-TEACHER ASS'N.

The regular monthly meeting of the Elm Place P. T. A. which was to have been held April 20th and which was deferred one week will now have to be postponed until the time for the regular meeting next month. A special program had been arranged for but those who were to furnish the two principal numbers on the program were obliged to cancel their dates. Another reason for postponing the meeting from the regular date was that it would occur the day before the meeting of the Lake Shore Division of the Illinois State Teachers Association at Oak Park and necessitated the presence of the Elm Place teachers at Oak Park.

The Lake Shore Division includes in its membership all the teachers in Lake County and Cook County outside of Chicago. More than sixteen hundred teachers were present at the general meeting Friday morning. The big feature of the occasion was an inspiring address by Mr. Frank Slutz of the Moraine Park School, Dayton, Ohio. The Oak Park High School orchestra gave a fine musical program in connection with the address. The afternoon was given over to sectional programs, Primary, Elementary, Intermediate and High School, Rural, Applied Arts, etc. Notable addresses of the afternoon were given by Dean Davenport, Mr. Edward Yeomans' Architect Irving Pond, Dr. Jonathan Rigdon and others.
