COMMUNITY SERVICE

The monthly meeting of the Board of Directors of Community Service will be held at the Community Center on next Monday evening, May 1, at eight o'clock. Plans for spring and summer activities are to be discussed at that time.

Officers of Community Service are working on plans for summer activities which will be of interest to all in Highland Park—it is hoped to put over some activities this summer that will be constructive and of interest to all.

The Employment Bureau at the Community Center have calls for cooks, nurse girls, women for general housework, and the like. If you are looking for work please call at the Center and we may have just the kind of a job you are wanting.

On Friday, May 5, the Ladies' Aid Society of St. John's Evangelical church will hold an afternoon and evening cake and parcel sale at the Community Center.

Community Service of Peru, Indiana, and of Elkhart, Indiana, will both have Horseshoe Associations and teams this summer, and it is not improbable that an effort will be made to hold a Tri-City Tournament between those towns and the local Association. Negotiations to that effect are now being made. The Community Center courts will be among the best in this vicinity when completed—and will be the Mecca for all lovers of the "Barn Yard Golf" game, which is growing in popularity by leaps and bounds in this country.

Y. W. C. A. NOTES

Mother's Club.
The next meeting of our Mothers' Club will be held Tuesday evening, May 2nd in Library hall at eight o'clock.

A very excellent program has been arranged consisting of instrumental music by Mabel Howe, Mrs. Briedert and Miss Charlotte Brand.

There will also be several vocal selections.

Mrs. Otis L. Beardsley will give a talk on Mexico, which promises to be very interesting and instructive.

These meetings are open to all women and are always worth while, new members are being added every meeting and a cordial welcome awaits every one.

Girl Reserve Party
The Junior Girl Reserves gave a very unique party last Thursday afternoon when they entertained their little sisters with a party. Those who were not fortunate enough to have little sisters borrowed from their friends and neighbors so a very merry party of little people had a jolly time.

Games and good things to eat made the day long to be remembered by the Girl Reserves and their little guests.

Pageant
The pageant of Fairy Woods will be given by the Y. W. C. A. the evening of May 12th.

OAK TERRACE SCHOOL

The children of the upper grades are preparing a bird lecture to be given some time in May. Considerable time has been given to bird study this year.

There will be a school exhibit about the middle of May.

The Highland Park physicians who so kindly volunteered their services in assisting Dr. Jacks, must be commended for their good work.

"Snow White" is the name of the next movie, May 5. In addition to the feature, their will be a two-reel comedy entitled "Birthday Guests and Jungle Pests."

"CONCEIT"

If Steel Could Speak—

What mysterious and romantic tales, a safety deposit box could tell. Of keepsakes, without intrinsic value and yet priceless—hoarded as a boy will keep a marble, or a fish-hook; of gems and bonds and stocks; of deeds and policies and legal papers which protect your home.

But steel can't speak—and you alone know what the safety deposit box holds safely for you. Every person has things which he does not wish to lose. To keep them they must be in a safe place.

We have that SAFE PLACE. It will cost you only three dollars per year to rent it.

LINCOLN

MOTOR CAR LELANDBUILT

The Lincoln Policy persists inflexibly to produce the finest motor car in the world.

By finest motor car in the world we mean, without reservation, the most attractive in appearance; the most comfortable and least fatiguing in which to travel; the most fascinating to drive; the most dependable; the most enduring; the most roadworthy; and by every standard the most desirable and most satisfying motor car of which it is possible to conceive.

The effecting of that policy is made possible only because of abundant resources—in scientific equipment, in adept craftsmen; and in finances which are practically without limit.

LINCOLN POLICY is not subject to one iota of compromise. It is not subject to the influence of desire to meet a pre-determined selling price. LINCOLN POLICY is not subject to any adverse influence regardless of whatsoever effort or expenditure may be required to perpetuate the world-known Leland standards. Quality and character, as always, will persistently stand foremost. These, scrupulously maintained, price then necessarily becomes incidental; and LINCOLN prices are merely what a car of LINCOLN quality and LINCOLN character, scientifically produced, must of necessity demand.

NOTE:—Owing to the unprecedented demand for Lincoln Motor Cars we advise you to place your orders immediately to insure delivery within thirty to sixty days.

SPRINGER & PERSON

Authorized Dealers
Tel. Highland Park 164 Cor. St. Johns and Park Av.
HIGHLAND PARK, ILL.

What They Will Do—

1—Save You Between \$25.00 and \$75.00.	6—They Save Oil for You.
2—They Save Reborring Cylinders.	7—They Stop Piston Slap.
3—They Save Your Pistons.	8—They Stop Oil Pumping.
4—They Save Your Rings.	9—They Stop Plug Fouling.
5—They Save Gasoline for You.	10—They Stop Oil Dilution.
	11—They Increase Power.
	12—They Increase Compression.

They will do all of this and more. And when you think of the price—can you afford to do without them? Read what users have to say for them. Try them yourself and you will never be without them. Thousands of motors are equipped with them and are today delivering more power and mileage on gasoline and oil than ever before.
