ARDEN SHORE AS A CONSTRUCTIVE AGENT

BUILDS BODILY STRENGTH

Summer Camp for Chicago Poor Has Been Conducted Successfully for Several Years

(Editor's Note—) This is the last in the series of Arden Shore articles. It gives a brief resume of the work done at the camp and was written by the president of the Arden Shore Association. The drive for funds to maintain the camp at Lake Bluff began May first.

BY Mrs. Carl R. Latham

For many years Arden Shore has maintained a summer camp, with all the ordinary advantages found in summer outing places, and a few special ones of its own, like Lake Michigan. All the dwellers in Chicago's congested districts who are given the privilege of a vacation here enjoy the lake bathing, and all who will are taught to swim. Efficient swimming teachers and innumerable bathing suits are just as essential a part of the equipment as the trained nurses.

Each year of camp life suggests new needs, and we try to supply these as we see them. For instance, it was found that when the mothers took their babies with them to meals they could not resist the temptation to give baby a sip of coffee or a bite of the famous Arden Shore doughnuts. So the Baby-fold was born, an attractive little building on the way to the dining-room, where all the babies under two must be parked while Mother eats, thereby often obviating as many as twenty-seven cases of indigestion per meal. The trained nurse in charge gives instruction to the mother's about baby diet and bath.

Another need that made itself clear was a department for motherless little girls, so last year we inaugurated a cottage called Cinderella Lodge, where a group of twenty-eight little girls flocked together under the protecting care of a most sympathetic foster mother.

Most of the vacations are for a period of two weeks, but that time can always be extended in case of special need; and certain specialized groups, like the four groups of convalescents, and the group of under-nourished girls from the Vocational Bureau, stay all summer.

These under-nourished children whom our pitiless civilization and individual hard luck force prematurely into the role of bread-winner for a family, have grown to be more and more Arden Shore's special care. The work of building them up is carried on with the greatest skill, in accordance with the best scientific thought of the day. A weekly record is kept of the advance of each individual child, and the group of girls at Arden Shore last summer surpassed in their gains all other groups on record at that time. The boys now resident in the winter camp are surpassing even that record.

Once a year there is a home-coming day, when all the boys who have "graduated" from the winter camp are asked to return for a reunion, and thereby give us a chance to tally up on our product. This year 73 boys made the trip to Lake Bluff to renew old memories. They were asked various questions: 67 were at work; 6 were in school; 45 had kept the same job ever since starting to work; 41 had had advances in responsibility; 43 had money in the bank; 12 were going to night school. One of our boys has helped to pay off a mortgage on his home, is helping his mother to run a bakery and putting his brother through high school. From the sickly, under-nourished, pitiful little dependents they were when they entered Arden Shore, they have been transformed into sturdy, self-reliant, self-respecting citizens, responsible members of society, each one representing a family assisted towards a state of independence. There would be something discouraging in trying to help some one who either could not or would not stay helped. Arden Shore puts these children on their feet in such a way that they are not only able to take care of themselves, but to remove their families from the need of charity, and Arden Shore's work stays done.

One and One-half Million

ELKS NEW BALL PARK NEARING COMPLETION

Will Be Finest Athletic Park on the North Shore; Game Next Sunday

Highland Park will have the finest athletic park on the north shore when the Elks' new baseball park is completed. The 1,800 foot fence around the Elks' field in Central avenue has been practically completed, and very soon the lodge expects to have a large new grandstand, which will accommodate about 600 people and a bleacher for 400 or 500 more.

The gate to the park will be adorned with a large Elk head and emblazoned underneath will be the words "Elks' Field." There will be parking space for cars near the grand stand. The field covers seven acres of ground.

The park though not yet fully completed will be officially opened Sunday when the Elks' team will play the "Jack Rabbits" from Chicago.

CLEAN-UP WEEK BEGINS MONDAY, MAY 15

Urge Citizens to Clean Up Alleys and Lots During Coming Week

Clean-up week will begin on Monday, May 15. The Health Department and the Street Department want Highland Park to have a real housecleaning. Refuse in alleys and lots should be picked up and placed in piles and the City Hall notified to send their new truck around to haul it away.

The city officials request the full co-operation and assistance of every householder in cleaning Highland Park so that there will be no disease breeding spots and no rubbish or filth will remain to mar the vision and beauty of our city.

D. S. H. S. ANNUAL CONCERT TO BE MAY 26

Master William Carver, Boy Cellist of Nicholas Senn H. S. Will Take Part

Friday evening, May 26, has been set as the date for the annual concert of the Deerfield-Shields musical organizations. This date comes somewhat later than has been the custom, on account of the performance of Gilbert and Sullivan's "Trial by Jury" which was given by the Glee clubs on April 28.

Another departure will be a soloist on the program. Master William Carver Williams, the boy cellist will play. Although only a student in the Nicholas Senn high school, Master Williams has already made his mark in the musical world.

REMOVE ELECTRIC BULBS FROM CHURCH

Last Saturday evening the Ebenezer church located on Second st., was entered and all of the electric bulbs removed from the fixtures, and a quantity of coin envelopes were strewn all over the church floor. It looks very much like a school boy prank. Whoever it was gained entrance through a basement window.

SEVERAL BUILDING PERMITS ISSUED

Work Begins on Number of Small Dwellings in Highland Park

Several permits for new homes have been issued during the past two weeks by City Building Inspector Laing. Most of them were for small dwellings. The list is as follows:
Herman Pomper, \$8,000 frame house, Maple avenue.
E. C. Day, (building for Mrs. C. Tremaine) two dwellings, \$7,000 and \$9,000, Forest avenue.
Fred Lindstrom, \$4,000 house, Homewood avenue.
C. F. Sitta, three-room bungalow Ravinia Woods subdivision.
Alma Kelly Jennings, \$3,000 bungalow, Walker avenue.
John Oliver, \$900 private garage, Sheridan road.
Oscar Larson, \$1,500 addition to house, N. St. Johns avenue.
L. M. Brouillette, three-room bungalow, Cedar avenue.
Sarah Wixon, three-room dwelling, Rice street.
Leo Haak, private garage, 25 S. Second street.

GLENCOE WALLEPS YOUNG MEN'S CLUB

The Young Men's club baseball team was beaten 6-0 by Glencoe in a practice game on the home lot last Sunday afternoon. The regular league schedule will start next Sunday. Rudolph pitched for the club and Scholtz was the visitors' hurler. The Highland team defeated the Fort Sheridan nine 19-9 last Sunday afternoon.

CLEAN UP GROUNDS AT INCINERATOR

The incinerator grounds at the foot of Deerfield avenue, have been cleaned thoroughly, and a wire fence has been put up to keep loose papers and other waste material from blowing on the new golf course.

Those in charge of the incinerator have notified the public that no garbage may be deposited there after five o'clock in the evening or before seven o'clock in the morning.
