

CRAFTSMANSHIP IS A CREED HERE, AND ACCURACY A LAW

THE new Cadillac plant, like the New Type 61 Cadillac, stands as the visible consummation of nineteen years of development and progress. During this period of sound growth, thousands of instruments of manufacture, expertly contrived and almost unbelievably exact, have been designed especially to meet Cadillac

standards of precision, and these the new plant houses most efficiently in its more than 2,500,000 square feet of floor area.

A monument to both the highest standards of personnel and quality of manufacture, this new home of Cadillac is justly deserving of the same title accorded its product—"Standard of the World."

NORTH CHICAGO HAS COMMUNITY PAPER

ISSUED EVERY TWO WEEKS

New Journal Published by Commercial Association; Other Brief Items of Lake County News

The "patronize your home dealers" and "boost your home town" ideas have found expression in a new publication designed for North Chicago and called "The North Chicago News." The newspaper is published by the North Chicago Commercial Association every other week. One of its objects is to instill in the people of North Chicago the spirit necessary for the development of the community. This is done in comment on civic and business editorials pointing out the necessity of "boosting the home town."

Charles Armes of Waukegan and Ed. McCormick of Libertyville, two of Lake County's crack trapshooters, carried off high honors in the Indiana State Trap Tournament which closed at Indianapolis, Ind., last Thursday. Jay Graham of Ingleside was high in the professional class for the shoot.

Maurice Zelechower, former manager of the Majestic and Orpheum theatres in Waukegan, announced last Saturday that he has taken a five-year lease on the Colonial dance pavilion at Fox Lake. He has renamed it "The Casino." The opening date has been set for Saturday, May 27.

The Willis Inn, a dance hall and saloon at Fox Lake, one of the best known resorts in the lake region, is closed by injunction as the result of a writ granted last week by Judge Edward D. Shurtleff, who presided at night court here. The writ was directed against Edward Froelich, proprietor of the place, and included his bartenders and servants.

Business throughout the country is booming and better days are in store, declared A. C. Babize, editor of the Industrial News and former city editor of the Chicago Daily News, speaking last week at the weekly dinner of the Rotary club in the Salvation Army hotel. The subject of his talk was, "The Business Situation and Its Promise for 1922 and Coming Years." The hope of the future for a harmonious working order and resultant improvement in business conditions lies in the cooperation of capital and labor, he said.

The opening of the White Way in Waukegan is to be marked by a more or less elaborate demonstration. This has been decided by members of the city commission, and Mayor Bidinger has been authorized to appoint a committee of citizens to cooperate with officials in preparing the plans for the opening celebration.

It will be some time before the lights are completely installed but the officials are desirous of having time to make all necessary plans. Just what sort of a celebration or how elaborate has not yet been decided upon.

Miss Louise Gilbert of Antioch, sang last week at one of the Chicago radio broadcasting stations. She is probably the first resident of Lake county to make an appearance on a radio concert program. She is very well known throughout Lake county.

A real "Knight of the Road" was sworn into duty by Sheriff Elmer J. Green last Friday afternoon, and promises to be a "terror to speed demons" in Lake county. Jack Beckly of West Deerfield, is the "Knight" and his mount is a speedy motorcycle. His territory is bounded by Lake county lines and his job is to pinch speeders.

Ceremonies consequent to the laying of the cornerstone of the Victory Memorial Hospital at Waukegan Saturday afternoon proved most imposing and impressive.

With sailors from Great Lakes, in the parade, with a band from the Station and Zion City, with mounted soldiers from Fort Sheridan, and with other local organizations including the army units of the Civil War and World War, the whole affair took on a nature of a memorial day celebration.

The new hospital is to cost about \$300,000 and while all the funds have not been raised at present, the promoters are confident that Waukegan people will rally to its support and that the structure will be completed without very much delay. The plans are to enlarge the hospital the specification calling for a second unit to be built to the north.

L. B. "Bede" Miltimore, 55 years old, 835 Glen Flora avenue, Waukegan, received fatal injuries Saturday night about five o'clock when a little motor truck he was driving was struck by a southbound limited train on the main line of the North Shore line at Glen Flora avenue. He died in the Victory Memorial hospital about two hours later. Mr. Miltimore's wife, who was sitting on the porch of their home which is only a few feet from the tracks, witnessed the tragedy.
