

This Community's Tribute

Next Tuesday we seek to honor our soldiers and sailors who fought not for conquest but for liberty and justice.

May the memory of their priceless service inspire each one in this community to defend the principles for which they died—that these may be handed down to future generations.

What memorial tribute could be more fitting?

BUYING A NEW FIRE TRUCK

Tomorrow evening at five o'clock the city authorities will open bids for a new fire truck. The need for more adequate fire fighting apparatus in Highland Park has been felt for a long time, and the majority of citizens read with gratification that the step toward securing it is about to be taken. The choice of machine will not be made until all of the bids have been carefully examined. It is hoped that the best will be purchased.

According to specifications the city wants a 600 or 750-gallon machine. The American-LaFrance is perhaps the best buy. More of these machines have been sold during the past few years than all other makes combined. It is said that the sales for the last three years were as follows: 1919, American-LaFrance 432; all other makes 298; 1920, American-LaFrance 455; other makes 397; 1921, American-LaFrance 377; other makes, 294. The American-LaFrance has been tried by hundreds of cities and is endorsed everywhere. It is a substantial machine, chain driven, and dependable. Why take a chance on a less-known make when there is so much at stake?

OUR WORN OUT STREETS

When the new Highland Park-Deerfield pavement is completed within a few months this city will have a good concrete pavement all the way to Deerfield and Telegraph road—almost! That is, there will be a stretch from Green Bay road to the city limits full of ruts, and all but impassable in places. At present that part of the road is perhaps the worst between Highland Park and Deerfield. The rest of the road, though not paved, is more smooth. The situation here is somewhat like that in Zion. On either side of Zion Sheridan road has been in good condition, but the stretch through the heart of the city has always severely tried the patience of even the best-humored motorists. Surely we do not want Highland Park classed with Zion in the matter of roads. When the new Highland Park-Deerfield pavement is constructed let's bring it right up to Green Bay road, instead of stopping it at the city limits!

North Green Bay road presents another problem that must be soon solved. Although it is a busy thoroughfare, accommodating a continuous stream of motor cars and trucks, Green Bay road north of Central avenue is still a bumpy, patched-up stretch of worn out macadam. Each year the worst holes are filled temporarily with rock and tar, and each year many more are hollowed out by the constant wear and tear of thousands of vehicles. The present pavement is inadequate, and it is only a question of time before a permanent improvement will be necessitated. Let's go, for better streets in Highland Park.

SUDDEN DEATH FRIDAY RESULT OF PNEUMONIA

Howard Durment, 10 Years Old,
Dies Following Weeks' Illness, Funeral Sun.

Little Howard Durment, the ten-year old son of Mr. and Mrs. Otto Durment, died of pneumonia on Friday morning, May 19, at nine o'clock, after a week's illness. Every possible effort was made to save him but from the beginning the disease was of such malignant type that the efforts of the doctor and of friends were unavailing.

The funeral services were held in Trinity Church at three o'clock on Sunday afternoon. The boy choir, of which Howard had been a member, sang the hymns along with the girls' choir and the quartette, the service was simple and impressive and the church was filled with sympathizing friends. The floral tributes were many and beautiful and testified to the affection in which Howard was held and to the sympathy and regard for his afflicted parents.

At the close of the service the congregation withdrew and the body remained in the church until Monday morning when it was interred in the North Shore cemetery, the Rev. Mr. Bihler officiating.

Howard was a singularly attractive and promising child and he is not only mourned in his own home but by a wide circle of friends to whom he had endeared himself.

CHAS. W. BUCKLEY SELLS LAKE FOREST PROPERTY

The Northmoor Realty Co., have just acquired 18 acres on Sheridan road, fronting the McCormick and Ryerson estates. This property was purchased from Charles W. Buckley of Highland Park, through his representatives, Mr. N. J. Lareau and Joseph Wenzler. The Northmoor Realty Co., are going to subdivide this acreage into lots and are going to develop this into a high class residential community.

The natural beauty of the grounds together with the surroundings will doubtless tend to make this one of the most beautiful residential sections on the North Shore.

HIGH SCHOOL MUSIC FESTIVAL

(Continued from Page 1)

Successful performance of Gilbert and Sullivan's "Trial by Jury," a few weeks ago, and their various appearances before the P. T. A. and at the Father's and Son's, and Mother's and Daughter's dinners. The Boys' glee club has also been invited to sing at Waukegan High School in the near future.

The dances, which will be done by Misses Alice Flint, Margaret Kreuger, Edith Vail, Ellen Smith, Norma Watrous, Elena Fantoni, and Genevieve Wilson, will be delightful, both as to dancing and costuming. They will include:

La Calabrese Italian
Gavotte Director Lincke
Kamarinskia Russian
Pierot et Pierrette Chaminade
They will be accompanied by Miss Salome Brand, piano; Miss Carson, violin, and Mr. Conover, cello.

The Mandolin club, which has recently been reorganized, has not yet been heard in public, but we know from former years that whatever Mr. Tomaso does, is done well.

The remainder of the program will be given by the Orchestra and the chorus under Mr. Conover's direction. The orchestra, which is larger than ever before, has twenty-four players, and the proceeds of the concert will go chiefly into a fund, started by the P. T. A. to purchase some of the less known, but highly important orchestral instruments. The Chorus will consist of a hundred voices and will sing two groups of songs, one of them with orchestra accompaniment. The other chorus accompaniments and those for Master Williams will be played by Agnes Bodholdt Conover.

Tickets will be on sale at the High School today and Friday noon, and may be ordered through any of the high school students, or may be purchased Friday evening at the door. Time, 8 p. m. Place, D. S. H. S. Girls' gymnasium.
