## Give Their Legs to Uncle Sam

Living pictures no less than drawn pictures tell their story at a glance. Here is a photograph of a living combination used to advertise the recent Chicago Carnival for Disabled Veterans. Students of human ingratitude can learn a lesson from this story without words.

The Epworth League combination service with the evening congregation at a Vesper service at 7 o'clock is a success. Mr. Vercoe gave an interesting talk last Sunday evening. Mr. R. E. The home brew makers may not be out so late as formerly, but perhaps their wives don't find it prudent to come home so early.

## This Popularity A Steady Growth

The Hupmobile has always been a remarkably reliable, economical car, but it did not gain its present immense popularity and sales volume overnight.

For 14 years it has steadily and soundly grown in favor.

Each succeeding Hupmobile has been a little better in service, and in value.

Today it stands alone as the one really fine car that can be purchased at a price practically as low as that of cars which no one thinks of comparing with the Hupmobile in reliability, in long life, in low costs, and in brilliant performance.

Ask for a demonstration. Phone now.
