## The Race Victory at INDIANAPOLIS The Road Victory at WICHITA Help You Choose Tires

500 miles at 94.48 miles an hour—a relentless grind over a rough-finished, sun-baked concrete and brick pavement at record-breaking speed—that is the gruelling test Oldfield Cord Tires underwent successfully at Indianapolis Speedway May 30th. They were on the winner's car for the third successive year and on eight of the ten finishing in the money, upholding the confidence successful race drivers have in the trustworthiness and ability of these tires to meet the greatest demands of speed, endurance and safety. Their records in every other important race have been equally as good.

Consider this achievement along with another test of Oldfield quality made at Wichita, Kansas, this past winter and early spring.

34,525 miles on rutted, icy Kansas roads, running day and night on a Studebaker stock car without a single tire change. This test was made by a group of Wichita automobile dealers in a tire, oil and gasoline economy run. Mayor Kemp of Wichita was official observer and made affidavit to the mileage and service given by Oldfield tires.

You may never subject your tires to the gruelling experience of Indianapolis nor the steady grind of bad winter roads, but it is good to know you can get such safety and mileage economy by buying Oldfield tires. Ask your nearest dealer.

**165% Increased Business.**  
The buying public is the surest barometer of the value of any article. Their approval of Oldfield demonstrated by the increase of 165% in business for the first five months of 1922 over the corresponding period of 1921.

Agents Everywhere  
Oldfield Tires are distributed through 73 branches and distributing warehouses in all parts of the United States. More dealers are constantly becoming Oldfield agents and Oldfield Tires are now available in your community.

"The Most Trustworthy Tires Built"

The Oldfield Tire Company, Akron, Ohio

## ILLINOIS FARMERS DISABLED BY FLOODS

CALL FOR ASSISTANCE

Thousands Have to be Supported for Several Months, Says Official of the Red Cross

Thousands of people will have to be supported in the flood farming district of Southern Illinois for several months, according to messages received today from the flood counties by Walter Davidson, Manager, Central division, American Red Cross. These messages from Chairmen of Red Cross flood committees or from county farm advisers indicating that the tenants who have had their crop supplies and machinery are disabled financially and that funds and provisions are urgent.

The Chicago Association of Commerce is receiving generous contributions in that city in the drive there for \$100,000 and funds are also coming in to the Illinois Red Cross relief committee at Springfield as well as to the governor's flood relief committee. Manager Davidson points out that contributions must be made rapidly to pay for the large purchase of seeds and feed now being made for the Red Cross through Mr. V. Vaniman of the State Agricultural Extension service.

"The latest checking up of flood damages and losses," Mr. C. M. Ross, chairman, Alexander county Red Cross relief committee, wired from Cairo yesterday to Central division, "confirms earlier statements that hundreds of families have no food for themselves or their stock, no seed for replanting, money or credit and the only hope now is contributions by others in more fortunate circumstances."

3135 people in Alexander county alone in the vicinity of Cairo must be helped at least until July 1st, and many until September 1st, is the report of Miss Clara Kummer, Red Cross field worker at Cairo, and the condition of the flood sufferers is almost as urgent north of there in Union and Jackson counties. The islands in the Mississippi along Randolph county are found to be filled with families needing help, states Miss Beulah Russell, field worker at Murphysboro. Although the Red Cross chapter at Chester has advanced aid further assistance is sorely needed. While these farmers are caring for their livestock and trying to start farming, they must go miles through the mud to get feed for their stock and food for their families, and often times this has to be hauled through mud in boats drawn by farm animals. Building will have to be delayed, but the country people are going from temporary quarters back to their farms to start work at the earliest moment. They must have seed quickly to be in time for planting and food to keep them from starving before the crop matures.

\$60,305 will be required in Alexander county, until the future brings relief, according to a careful survey by the American Red Cross chapter at Cairo. Of this amount, \$8,000 will be necessary to supply 1250 persons with food; \$10,500 for feed for livestock; and \$41,805 to purchase feedstuffs and \$41,805 to purchase seed to replant the crop, which must be started quickly, in order to enable the farmers, mostly tenants, to become self-supporting this year.

New calls have come to Central division, from Schuyler, Greene and Morgan counties in Illinois, in addition to the requests already received from Cass and Scott counties for emergency help for destitute families and food supplies for livestock, feedstuffs and food supplies for livestock.

"Water is receding on 1600 flooded acres in Schuyler County," wires Mr. J. H. Young, from the Schuyler County Red Cross Chapter, "most of which may be seeded if prompt assistance is given the tenants, many of whom were financially disabled by the floods. Demands for funds are urgent. We hope ample provisions may be made."

Greene County sent in a request today for 2,000 bushels of corn for seed and other grains needed in one district, and states the water continues to stand over the other districts.

"Jackson county flood sufferers," Mr. C. J. Thomas, County Farm Adviser, wires Central Division, "lack corn and hay to feed stock, and prospects for a cash crop are gone. Many good men have exhausted their credit. Help is sorely needed to supply their July 1st planting, and seed wheat for next fall." In Jackson County many families are now receiving provisions through the local committee, and the well are reported in a very dangerous condition. Much sickness has developed.

Since the last report on the Flood Fund, Chicago Banks have made generous contributions including \$1000 from Central Trust Company, \$750 from First National Bank, \$750 from First Trust and Savings Bank as well as \$500 from small public utilities as the Chicago Telephone Company and smaller sums from many other contributors.

The lawyers have assessed each of their members for the fund.

"It goes without saying that Chicago will make the expected response for the need of each territory" says Mr. Marquis Eaton, Chairman of the Association's Flood Relief Committee "and realizes that in every emergency the value of the contribution is increased by prompt remittance."

## BEAUTIFUL LACES AT ART INSTITUTE

Exhibits in Gunsaulus Hall Are Property of Mrs. Rockefeller McCormick

North Shore patrons of the drama, particularly those who have observed the excellent work of the North Shore Theatre Guild, this season, are anticipating an evening crowded with thrills on June 29th, when the guild is to produce the celebrated Percy Mackaye production "Jeanne d'Arc," at Patten gymnasium, Northwestern university, Evanston.

Rehearsals now in progress indicate that "Jeanne d'Arc" is to be the outstanding dramatic event of the year on the north shore and a fitting climax to a season that has been replete with excellent portrayals given under the auspices of this youthful, but thoroughly seasoned dramatic organization.

Best North Shore Talent "Jeanne d'Arc" will be the most elaborate venture of the Theatre Guild in this its first season. One hundred persons are to be found in the production and practically all of the talent is enlisted from the north shore towns and villages.

The play is given under auspices of the Drama League of Chicago and the proceeds are to be divided between that organization and the Theatre Guild. Funds directed into the coffers of the Drama League are to be devoted to the advancement of educational work conducted by the league in Chicago's Municipal recreation centers. The part of the proceeds left to the Theatre Guild will be utilized in furthering the work of the Guild in the next season.

Cast, Roster of Stars The cast of "Jeanne d'Arc" contains the names of many distinguished north shore players. Prominent among these are Mrs. Dudley Cates of Winnetka, in the title role; Mrs. Mark Walton, Miss Virginia Fitz-Hugh, Mrs. Joseph E. Otis, Jr., Miss Mary Riecksen, Mrs. Sagmose, Messrs. Abram Mendenhall, J. Lincoln Gibson, Minor Coburn, William Ziegler Nourse, Samuel Otis, Robert Andrews, George Martin, L. L. Buchanan, Jack Gibson, Robert Dwyer, Irving Odell, George Battey, Warren Ramsey, Samuel Smart.

Sales of tickets to residents of the north shore—other than members of the Guild—will be provided through the various drug stores of the north shore. Geell's drug store of this city will have tickets for sale. Members are to receive two tickets each.

Advance reports indicate the sale of tickets will insure a packed house when the curtain rises on "Jeanne d'Arc," Thursday evening, June 29.

Following is the list of boxholders: Mr. and Mrs. Olanson Follansbee, Mr. Herman Waldeck, Mr. Louis C. Eckstein, Mr. and Mrs. Dudley Cates, Mr. and Mrs. Hathaway Watson, Mr. and Mrs. Bruce McLeish, Mr. and Mrs. W. A. Levering, Mr. and Mrs. Charles Peterson, Mrs. Rockefeller McCormick, Mr. David Goodwillie, Mr. and Mrs. Julius Rosenwald, Mrs. Joseph B. Long, Mr. and Mrs. George Dryden, Mr. and Mrs. B. A. Eckhart.

Here's to the June Bride. May she live long and happily.

No man is a failure until he admits it.

Gossip is more dangerous than dynamite, yet we use it for a plaything.

When a woman tells you what a great man you are—look out.

## Ask Hupmobile Owners

Find out from owners how little the Hupmobile costs to operate, and to keep. Get the amazing facts.

Ask them about its flash get-away in traffic; its speed on hills; its pulling power on sandy roads.

Ask about its high re-sale value—a final saving that proves the soundness of the Hupmobile as an investment.

A great car—and service worthy of it—at our Hupmobile sales and service station. Phone for demonstration, or call.
