

The piece work system is not popular, as it fails to provide time enough to look out of the window and discuss sporting news.

The people are urged to study the footprints on the sands of time and anyway the ladies find plenty of footprints on their white shoes after a dance.

## Nature's Greatest Food Certified Jersey Milk

THE MILK WE HAVE FOR SALE IS THE BEST, THEREFORE IT COMMANDS THE HIGHEST PRICE

Dr. Collum of John Hopkins University, Baltimore, Md., finds after many years of experimental work, that butterfat is the most valuable human food.

JERSEY MILK contains 5.37% butterfat, the highest percentage of any breed of cows.

JERSEY MILK is rich, creamy, appetizing and highly nutritious.

THE UNITED STATES GOVERNMENT SAYS:

"Milk is the best food we have. Give your children milk, a quart a day for every child if possible, a pint without fail. Plenty of milk will help you give all your children both big and little, a chance for health they ought to have. Buy more milk and less meat and your family will be better fed."

Our herd is regularly tested for tuberculosis by the U. S. Govt., Bureau of Animal Industry.

The prayer meeting on Wednesday night will be omitted during the months of July and August.

### GRACE M. E. CHURCH

William E. Grose, Pastor.  
Next Sunday is missionary day in the Sunday school and a special program is promised by the superintendent.

"God in American History" will be the theme of the morning sermon next Sunday.

Last Sunday evening our folks had the great privilege of hearing a most excellent sermon by Rev. W. H. Cardwardine, D. D., the religious editor of the Chicago Herald-Examiner. A good congregation greeted him. He was pleased to meet a number of old-time friends and seemed to greatly enjoy his visit to the most beautiful spot on the north shore. His good wife accompanied him. They were guests at the parsonage for Sunday evening luncheon.

Next Sunday being patriotic day, the Epworth League has invited Mr. W. W. Dike, a veteran of the Civil war to give some of his army experiences. Mr. Dike is one of the very few left in our city who wore the blue, and it is hoped that a large congregation will greet him. Remember that our evening service is a combination Epworth League and Sunday evening congregation affair. Song service under the leadership of Oscar Meyers begins promptly at seven o'clock, and the program lasts but one hour. It is a time of real enjoyment. An hour that is being greatly appreciated by an increasing number of attendants.

Next Sunday morning will be the last service of the season at which our vested choir will lead the music. They will take a two months vacation. All members of the choir are urged to meet with Mrs. Pease Saturday afternoon for rehearsal.
