Sennett Comedy

Good many impecunious people feel that they take no risk in buying automobiles on borrowed money.

The conservative citizen of the north shore who drives an automobile slowly and cautiously, sometimes finds the speeders running into him from behind.

If this is such a terrible country to live in as the communists say, it would show good judgment if they left it right off.

The Russian people were splendid folks so long as they were merely workers, but when they set out to be thinkers, it wasn't quite in their line.

If you see a really tired looking man, he has probably just got back from a summer rest resort.

Claimed the young people still dance gracefully, but the foot marks on the white shoes the day after a dance don't look like it.
