

MOVE TO AMEND CITY ZONING ORDINANCE

PUBLIC HEARING JULY 21

Proposed Change Would Benefit Small Property Holders; Council Met Friday Evening

In order that the new zoning ordinance may not bring hardship upon small property owners an amendment has been proposed under which the Board of Appeals may make exceptions in certain cases. The matter has been duly taken up by the city council, and will be given a public hearing at the city hall Friday, July 21, at 8 o'clock.

According to the present wording of the ordinance, there is no loophole for the man who owns a 40-foot lot. He must leave 20 feet of open space and the remaining 20-foot space is too small for a dwelling. The ordinance also provides that houses must be built 40 feet back of the front lot line. One lot in Highland Park is located on the edge of a ravine. In order to comply with this regulation the owner if he wishes to build must build in the ravine. These cases are not numerous, however, and by making a few exceptions hardship to individual lot owners will be lessened.

Council Met Friday

At the regular meeting of the city council last Friday evening several amendments under construction were authorized. The amounts were as follows: E. E. Farmer, Chicago avenue paving, \$143.35; E. E. Farmer, First street and Elm place paving, \$2,751.59; F. E. Kaminsky, water pipe extension in Ravinia Highlands subdivision, \$5,110.05; F. E. Kaminsky, sewer extension in Ravinia Highlands (final payment), \$1,067.99.

The ordinances providing for the construction of two reinforced concrete bridges in North Sheridan road, having remained on file for public inspection, as provided by law, were finally passed. Thomas Morton was appointed to spread the assessments.

Robert Anderson was appointed special police officer with jurisdiction limited to the premises of C. W. Buckley, Judge Barnes, A. O. Mason and Walter Gradle.

A motion was passed authorizing the publication of 1,000 copies of the auditor's financial report for the fiscal year ending April 30, 1922.

HIGHLAND PARK Y. M. C. TEAM PROTESTS GAME

Declare That Decision Changed Netted Two Runs for Glencoe Sunday

The game last Sunday, in which they lost 10 to 7 against Glencoe, has been protested by the Highland Park Young Men's club team. The members of the local team claim that the umpire changed a decision at first base after he had called a Glencoe man "out", and that two runs were scored by Glencoe as a result. The matter has been left in the hands of the Umpire's association. If the "umps" admits that he changed his decision the game will no doubt be played again, and Highland Park will have a good chance to get the league championship. If the protest is ruled out Glencoe will have the pennant honors cinched, it is said. The argument occurred during the first inning Sunday.

A. C.'S WHITEWASHED BY HIGHWOOD TEAM

Shannon Hurls Good Ball Against Visitors; Play at Glencoe Sunday

The Highwood-Glencoe A. C. game at Highwood last Sunday was a walk-away for Highwood. The score was 14-0. The A. C. boys didn't have a chance at any time during the game. Ted Shannon pitched his usual good game for the home team and his mates batted the sphere around the lot at random. They secured 21 hits against the visitors.

Next Sunday Highwood will play Glencoe at the latter city.

"FEDORA" COMING SUNDAY

Opera Season Enters the Third Week; Interesting Schedule Arranged for Next Few Days

"Boris Godounoff" the opera by Moussorgsky, which so successfully opened the season at Ravinia Park this year, will be repeated Friday evening. Adama Didur takes the name part, and he is again assisted by Philine Falco, Bessie Morton, Anna Roselle, Giordano Paltrinieri, Leon Rothier, Orville Harrold, Alice Gentle and Louis Derman.

Ravinia has scored a series of successes during the past week. Sunday night "Rigoletto" was given for the first time, and the fact that the company has found itself as a unit was well illustrated. Tuesday night "La Boheme" was presented, and Wednesday night "The Tales of Hoffman".

This afternoon the third children's program will be given. Mr. and Mrs. Marx Oberndorfer will interpret for the young folks the orchestral numbers to be played by the orchestra.

Tonight "Lucia di Lammermoor" will be the attraction.

The program for the rest of the week is as follows:

8:15 Friday, "Boris Godounoff".

3:00 Saturday, orchestra program, Louis Hasselmann conducting.

8:15 Tuesday, "Mattha" with Dux, Harrold, Rothier, Ballster, Anna Roselle and Falco.

8:15 Wednesday, "Faust" with Dux, Harrold, Rothier, Ballster, Anna Roselle and Falco.

A recent bulletin from the Chicago Opera names Richard Hageman as the newly appointed associate musical director and first conductor of French repertoire. Mr. Hageman conducted at Ravinia for six successive summers.

Distribute Tickets

At the last meeting of the Ravinia club, in response to many inquiries on the subject, it was arranged that Mrs. Annette Jones of Highland Park would dispose of all unused tickets which may be sent her by patrons of the park, who are not able to use them. Mrs. Jones will see that the tickets are used by music lovers who are unable to buy tickets, deserving music students and disabled soldiers and sailors from Chicago as well as along the north shore. Since there has been a demand for such an arrangement it is hoped there will be a considerable response to the plan.

The Ravinia club is entertaining a group from children's institutions, settlement houses and congested Chicago districts at each Thursday afternoon concert, arranging for the transportation, entertainment, luncheons and reserved seats of more than 30 children a week.

Children's Rehearsal

The one and only Highland Park group rehearsal for the Historical Pageant at Ravinia, July 27, will be held at the Community Center Tuesday afternoon, July 18, at 4 o'clock. Miss Iles, the director of the pageant, will come out from Chicago to be present at this meeting of the children, and will be accompanied by Miss Taft, who will help with the designing and suggestions for the costumes. The cost of the costumes will not exceed seventy-five cents each. Miss Iles will give out the materials and patterns for making same at this same meeting.

The children of Highland Park from seven to twelve years are urged to take the same enthusiastic interest in the carnival as in other years, and to be present at this meeting, July 18th. The pageant this year is to be historical, illustrating the different stages of United States history. Mothers and children remember to meet Miss Iles at the Community Center Tuesday, July 18 and if any further information is desired it will be supplied by Mrs. C. G. Alexander, telephone 445, who is the town chairman for Highland Park.

CANCEL GAMES WITH DES PLAINES TEAM

HALF OF HOSPITAL QUOTA IS RAISED

COMMITTEE WORKING HARD

Large Amount Still Needed to Meet Campaign for New Addition Over Top; \$150,000 Goal

The committee, composed of Messrs. Hastings, Baldwin, Boynton, Dean, Hitchcock and Price, have been busy practically every evening for the last three weeks, endeavoring to secure subscriptions to the amount of \$150,000 needed to build an addition to our hospital. Although every call which they have made has met with response, they have succeeded in securing less than half of the needed amount.

While it is conceded by everyone that the little hospital started four years ago has given relief to hundreds of citizens of this community in hours of distress and suffering, but few realize that the devotion to its management given by a few of our citizens, is the real reason for its popularity and the confidence which everyone has in the wonderful service rendered in that small hospital, pronounced by some of Chicago's leading surgeons to be the equal of any of the big hospitals in the city of Chicago, plus the quiet and fresh air of our north shore.

This is an institution as much needed in every up-to-date community as schools, churches, pure water and sewers, and no one can say what hour they may not require its service. Like our fire department, it stands ready, night and day, to protect the lives of the citizens of this community, regardless of class, color, religion or wealth, and when big business men of Highland Park make their homes in Highland Park, are willing not only to subscribe liberally to the needed fund, but to put their shoulder to the wheel and spend night after night canvassing the town in order to raise the needed amount, we believe that everyone in Highland Park will be willing to do their bit.

Hundreds have made Highland Park their home for the reason that here they found everything that goes to make perfect environment for a home, and we believe when the necessity is fully understood, that the citizens of Highland Park will not only respond in proportion to their financial ability, but will render the needed assistance to our committee in an effort to keep Highland Park in the front ranks as a desirable place in which to live.

Contributed.

COOKING INSTITUTE PROVES MOST POPULAR

Last of Lecture Course by Miss Hinkley to be Given Tomorrow

The four day cooking institute being held under the auspices of the Highland Park Woman's club in the new headquarters of the North Shore Gas company is proving a tremendously popular affair. Eighty-seven registered the first day and there were many new faces the second.

The history of Miss Hinkley's classes is that they grow in popularity with each successive lecture. She has a most pleasing personality and such evident knowledge of her subject that she doubly impresses her hearers. Our women are learning many new and improved methods in cookery which will prove of both time and money value in housekeeping.

Friday morning at ten-fifteen will be the last lecture of the course. It is on salads, salad dressings and sandwiches, foods peculiarly appealing in summer menus. ELECT MAYOR HASTINGS LOCAL BANK DIRECTOR

Directors of the H. P. Trust & Savings Bank Hold Regular Meeting Monday

At a regular meeting of the Board of Directors of the Highland Park Trust & Savings bank, held last Monday evening, Mayor Samuel H. Hastings was elected a member of the Board to fill a vacancy.

Both Mr. Hastings and the bank are to be congratulated upon this election. Mr. Hastings brings to the bank a wealth of general business as well as banking experience. He is also a director of the Chicago Trust company.

The Highland Park Trust & Savings bank is one of the rapidly growing institutions of this city. Having opened its doors on December 6, 1916, less than six years ago, the progress has been very steady in spite of war conditions and the unsettled general business conditions which followed. This was due in a large measure to the very conservative management of the bank.

The deposits are now over \$740,000, the total resources in excess of \$860,000. Having started with a capital of \$50,000, and surplus of \$5,000, these figures have been increased from earnings until the present capital, surplus and undivided profits amount to \$78,500.

The officers are: Morton R. Mavor, president; George F. Goodnow, vice-president; Harry Paul, cashier; Raymond L. Erskine, assistant cashier.

The directors are: John A. Bunnell, Louis N. Berube, Richmond Dean, R. L. Erskine, Ernest S. Gail, George F. Goodnow, Earl W. Geell, Morton R. Mavor, Alfred E. Olsen, Harry Paul, Samuel M. Hastings.

RELIABLE LAUNDRY OFFICE TO MOVE

The Reliable Laundry office will be removed from its present location in Central avenue to the new Hawkins building in S. St. Johns avenue within a few days. William Waterhouse, jeweler, who shares the building with the laundry company, will also go to the new building.

The Highland Park Tailors, De Renzis Brothers incorporated, will occupy the rooms vacated by the laundry and Mr. Waterhouse.

LADIES' AID SOCIETY TO GIVE LAWN PARTY

HIGHLAND PARK DAY TO BE HELD AUG 9

COMMITTEES APPOINTED

Young Men's Club, Woman's Club and Business Men's Association in Charge of the Affair

August 9, 1922, has been set aside by the joint committees in charge as the date for our annual Highland Park Day. Three organizations of the city, the Business Men's Association, the Women's Club and the Young Men's Club are co-operating in an effort to make this day one of the most successful the city has ever seen.

To start festivities we are staging a big parade—one larger and better than any we have had in previous years. Albert Larson has been selected as chairman of the Parade Committee and Albert says it's going to be "some parade."

At the present time nothing definite can be said as to the nature of the prizes to be given, the line of march or the number expected to participate—announcement of which will be made in a later edition of the Highland Park Press after arrangements have been definitely made by the committee in charge.

Any organization so desiring will be permitted to accompany their float on foot.

Mrs. Frank R. Cain has been chosen as chairman of the Program Committee and through her suggestion the Woman's Club will have charge of the candy booths as their share of the day's work.

The Young Men's Club will have charge of the dance and all concessions. The representatives of the Business Men's Association have agreed to take charge of the refreshments and stands.

All lodges and unions will be asked to participate in the parade, which, according to plans, will be the most elaborate ever held in Highland Park.

Lyle Gourley, chairman of the Music Committee, announces that he has hired the Libertyville band of twenty-five pieces.

There will be a big ball game. The names of the two teams will be announced later. It is hoped by many that the Elks and Young Men's Club will play, as the game the Fourth of July proved the two teams about equally matched.

A Ford Sedan will be given away and Mr. Person of Springer & Person is chairman of the committee in charge.

The chairmen of the various committees are as follows: Clarence Witt—general chairman. Parade—Albert Larson. Building and Grounds—William Witten.

Baseball—R. H. Outler. Public Safety—Frank Sheahan. Advertising—Paul L. Udell. Finance—Charles Grant. Prize Drawing—Harry Butler. Decoration—William Guyot. Sports—William Guyot. Ford Drawing Contest—A. W. Persons.

Each of the three organizations will name six members to act on the executive committee. The names of this committee will be published later.
