**Suzanne Avenged—Now the Test**

Mlle. Suzanne Lenglen, temperamental French tennis champion, who quit in her match against Molla Bjurstedt Mallory, American champion, last year, was avenged last week at London when in the English finals she won over Mrs. Mallory, 6-2, 6-0. An effort is now being made to have Suzanne come to the United States for a third and deciding match.

**HIGHLAND PARK Y.M.C. WINS FROM VISITORS**

**Winnetka Team Defeated 7 to 3 in Game Here Last Sunday Afternoon**

Running up one tally in the seventh inning and four more in the eighth, the Highland Park Young Men's club was able to defeat Winnetka, 7 to 3 on the home grounds last Sunday afternoon. A large crowd attended the game. Rudolph pitched a fine game for the locals. Landis caught. The battery for Winnetka was: La Casey and Eckert.

Undoubtedly Highland Park will be able to take second place in the North Shore Suburban league this year. The game played with the Glencoe team, league leaders, has been protested, and the protest will be considered at the meeting of the Umpires association next Monday night. If it is sustained, and Highland Park wins in the playover, the locals will tie with Glencoe for first honors in the league.

Highland Park will play Wheeling here next Sunday. All of the remaining games this season will be played at home, according to the management.

**ELKS TO PLAY AT PARK RIDGE SUNDAY**

The local Elks baseball team will travel to Park Ridge Sunday, July 23, to play the 1st team of that city. The Elks were defeated by this team on their own field Sunday, July 2, 8 to 7. They no doubt will fight hard to try and even up the series. Park Ridge can be reached by train over the Chicago & Northwestern from the Madison St. terminal or by automobile from here by way of Central avenue west on Deerfield road to Waukegan road, south to Niles, west on the road through Niles to Park Ridge. Automobiles will leave the Elks club room here between 1 and 1:30 o'clock. It is a 40 minute ride.

**CADDIES MAKE TRIP TO AID THEIR CHAMPS**

Proof that you can't keep a good man down—

This applies as much to golf caddies as to any other variety of human. Which leads one to comment: Several of the nationally known golfers who appeared in the National Open Golf tournament at the Skokie Country club, were forced to leave their pet caddies at home because of the lack of funds.

Did the youngsters mope and whine? Not by a considerable jugful!

Early Monday morning several of these lesser notables were on hand (via fast freights) prepared to lend an expert hand in bringing home the bacon for their champs.

That night they slumbered on the velvety greens. Came the torrents of rain and a kindly disposed citizen compassionately offered the shelter of his private garage to the boys. And everything was rosy.

**GLENCOE WAS CENTER OF GOLFING WORLD**

Glencoe was the busiest suburban community in the United States last week, with the National Open Golf tournament in progress at the Skokie Country club.

Automobiles by the literal hundreds and crowds by the several thousands came to the club. Golf fans from every section of the country were on hand to cheer along their favorite among the 300 entrants who teed off in the qualifying rounds.

Holiday atmosphere pervaded the village and the club environs throughout the week. Everything else was practically suspended. Business men forgot to dispense their wares, housewives forsook the daily house work, commuters missed all the morning trains. Altogether it was quite a homey affair and the guests are boosting strong for Glencoe and the Skokie Country club.

**NO KNOCKOUTS IN BATTLES AT FORT**

**KRIEGER DOWNS SAILOR**

**Kid Palco Substituted for Silver Who Was Ill; Record Crowd at Tuesday's Performance**

Our Decisions  
Buck Krieger bested Kid Palco in eight rounds.  
Jack Stein and Toots Cummings fought eight rounds to a draw.  
Stanley Jocz and Kid Bradshaw drew in six rounds.  
Tommy Gooding defeated Tony Diaz in six rounds.  
Frankie Kulan and Buck Yeager fought a four round draw.

For the first time in the history of Fort Sheridan's ring activities, no knockouts were scored. There were several "almost kayos", never-the-less, every fighter on the card went the full route.

Kid Palco who substituted for Joey Silver on account of sudden illness, fought a dead game fight with Buck Krieger, "Fort Sheridan's Dempsey", Krieger who demonstrated a wallop and face with hard rights and lefts, that would have knocked out any ordinary man. As early as the second round, it became imminent that Palco had no chance at all with the hard hitting Krieger, and was taking a severe beating.

Krieger took the aggressive throughout the fight, and had every round but the sixth, when Palco made a great rally, and fought back strong. However, Krieger soon took the lead away from him, and in the last two rounds gave the sailor lad some tough wallops, rocking him with each punch, and had Palco hanging on to save a slumber punch.

Toots Cummings, the fighting soldier bugler, surprised every one by staying eight rounds with Jack Stein, and finishing with a draw. It was apparent that Stein was a little off color, the cleverness, skill and speed Jack usually puts into a fight seemed missing. Stein looked a little too drawn, and was perhaps overtrained. Both boys played for the body in an endeavor to weaken each other, and some hard socks were caught in the midsection. They both mixed it fiercely in the early rounds, and Stein scored a knockout in the third round with a right cross to the jaw, that appeared to be a knockout. Cummings instantly arose, however, and although fairly groggy, stuck it out. The seventh and eighth were slow with both men fully exhausted, to such an extent that either one could barely raise an arm. They weighed in at 117 pounds.

**Small Field Hampers Visitors; Winnetka at Highwood Next Sunday**

Highwood lost to Glencoe 8 to 5 last Sunday at Glencoe, and thus practically cinched the latter's hold on the pennant this season. A short fence around the outfield gave the Glencoe team a decided advantage as the Highwood boys were not used to playing in such cramped quarters. Glencoe netted three "over the fence" homers, and Highwood only one.

Winnetka will play Highwood at the latter city next Sunday.

**B. W. MUDGE SETS NEW AMATEUR RECORD**

Burton W. Mudge, Jr., set a new amateur record for the remodeled course at the Exmoor Country club Saturday, when he shot the 18 holes in 69, four strokes under par. Mudge played a wonderful round, having six birdies in the 18 holes. On only one hole was he over par, taking five strokes against a par four for the seventeenth.

Besides setting the new record, Mudge paired with E. R. Getchon, won the best ball foursome event with 68-5-63. R. E. Peacock and H. A. Gyse were second low with 80-14-66, while third honors went to J. A. Holt and S. C. Haskell, 75-18-67.

**AUTOMOBILE SHOW AT COOK COUNTY FAIR**

More Than 200 Cars Will Be Exhibited at Maywood During the Week

Two large exhibits each 80x320 feet in size will be necessary to house the automobile show, which will be given in connection with the Great Chicago-Cook county Fair on the Checkerboard Flying Field at Maywood, August 26 to September 4, was the report of the directors of the fair association yesterday. The original plan called for one exhibit but the space in it has already been sold and contracts are coming in daily for additional places in the show.

More than two hundred cars of sixty different makes will be exhibited to the people of Chicago and of Cook and neighboring counties. The Buick, Reo, Studebaker and Chevrolet people have arranged for displays of their full lines and will show thirty-eight different models. The Buick people alone have contracted for fourteen spaces. The fair association hopes to have exhibits of every type of car made, so that the farmer may have the best possible opportunity to select his new car.

An accessory show, which will be held in a separate building, will include more than one hundred exhibits of tires, bodies, piston rings, etc. There will also be a huge truck and tractor show on the grounds and every type of these machines on the market will be shown and demonstrated. Even at this early date, there is keen competition between the manufacturers, each one being anxious to outdo the others by having the best display on the fair grounds.

E. H. Eastman, the director in charge of the automobile show, says, "People of Cook county are just beginning to realize that the Great Chicago-Cook county fair will be the greatest county fair ever held in America. There will be great agricultural, educational, and industrial exhibits, which can not fail to interest farmers and city people alike, as well as an entertainment program of the highest order. Automobile dealers are very enthusiastic about the fair and are anxious to have a part in it because they realize the value of the farmer's trade. Farmers are interested in cars this year and I find a marked tendency toward the purchase of the higher-priced machines. The farmer should come prepared to learn as much about cars in one day at the fair as he could possibly learn on a thirty days shopping tour."

General Manager Glenn G. Hayes said when interviewed recently, "We are more than pleased with the progress we are making on the fair. The co-operation of the Cook county Farm Bureau and other organizations insures the greatest displays of agricultural, horticultural and other products ever shown in a county fair. We are going to have every event characteristic of a county fair to make this fair the greatest county fair in the world."

Visitors Edge Out Two-Run Lead in Sunday Game and Win 8 to 6; Dalton Catches

By Greg Sheahan  
The Elks lost to Columbus A. C. Sunday in a close game 8-6. Hessler, in the box for Highland Park, allowed the visitors only four hits during the entire game. Gerken who was placed in left field in order to give Dalton another tryout behind the plate, being out of his regular position and often blinded by the sun, was a little off color in the field. He allowed four of the runs to go in unearned. He played his usual game at the bat, however, getting two of the thirteen hits.

Dalton failed to show the class he exhibited in the first tryout, but he showed the old pep during the game that the fans like to see. White's hand was still in bad condition, so he was kept away from the catcher's mitt. He was placed in right field in the fourth inning. After connecting for the second time he tried to steal second. In so doing his spike caught in the ground, causing him to tear the ligaments in his right leg. He played the rest of the game, but afterward his ankle was so swollen that it was feared he had fractured the bone. An X-ray photograph was taken, and Paddy was told that he could not use his ankle for ten days.

The infield played a good game. Greenlade led with two singles and one double. He was credited with an error, but this failed to make a difference in the score. De Long was next with one single and a double. Hise connected for a single. Clark was credited with eleven putouts.

The players were pleased at the support given them by local fans last Sunday. There were more rooters than ever in the stand.

claimed, "This is for the kid who helped me win."

Sarazen is only twenty-one years old and learned to play golf while caddying. He is the first professional or amateur to win a national golf title. He won the game from 329 noted players.

Claimed that college students can't spell, but as they can't write legibly, this fault may not be discovered.
