### HIGHLAND PARK DAY TO BE BIG AFFAIR

(Continued from page one)

Bicycles and other novelties will assemble at the junction of Sheridan Road and South St. Johns avenue, (along the parkway).

Horse-drawn vehicles and automobiles in their order as named above will start forming on South St. Johns avenue south of Sheridan Road.

Line of march as follows:

St. Johns avenue to Central avenue; east on Central to Linden (Foot parade, including bicycles and etc., reaching one of the two intersections of the central parkway along Central avenue will do "column left" march westward along the north side of Central avenue stopping at Sheridan Road, thereby affording the opportunity of viewing the full parade as they move along on the south side of Central avenue); from Linden and Central all horse-drawn and motorized vehicles will turn on Linden to Vine; west on Vine and Sheridan Road; south on Sheridan Road to Central, rejoining with the foot parade; full parade will resume position and march westward on Central avenue to Green Bay Road; north on Green Bay road to Sunset Park.

After the parade has disbanded there will be plenty of activities at Sunset Park such as races, games, etc. The concessions committee will have a full array of novelties and the refreshment committee, under the guidance of George Bock, will have plenty to eat and drink.

At a meeting of the executive committee Wednesday evening full arrangements were made for another ball game between the Young Men's club and the Elks. This will be of great interest to all home folks on account of the intense rivalry between the two teams. The game will be played at the Elks Field, starting at 1:30 p. m. promptly.

### MIDSUMMER SHOW AT LAKE FOREST

Several Estates Will be Opened to Public Saturday and Sunday

The Midsummer Flower show, under the auspices of the North Shore Horticultural society and the Lake Forest Garden club, will be held at the Gorton school Saturday and Sunday, July 29 and 30, from noon until 10 p. m. Tickets will entitle the holders to visit the following estates in Lake Forest and Lake Bluff: Harry B. Clow, Sheridan road, Lake Bluff; and Mrs. Byron L. Smith, Lake avenue, Charles H. Schweppe, Mayflower road, and Mrs. A. M. Day, Stone Gate road, in this city. These estates afford an interesting contrast with those overlooking the valley of the Skokie, which were opened to the public at the Spring Flower show, and each one has its individual features of special beauty.

At the Gorton school, situated conveniently near the Chicago and North Western railway and the North Shore line stations, the best gardens of Lake Forest will be represented by splendid specimens of flowers, plants and vegetables. For, in spite of the recent drouth, such pains have been taken by the members of the Horticultural society to bring to perfection the growths under their care, that a fine display is assured.
