"Hank" Foley trimmed Art Olson 10 and 8 in the finals of a 36-hole match at the Municipal Golf course Sunday. Olson played poorly in the afternoon, and Foley was at his best, shooting a 76.

"Bert" Brand and Ed Conrad had an excellent match, Brand winning 4 and 3. It was a close contest throughout, and was decided largely by the break of the game.

The new course is becoming daily more popular, and a number of beginners are making rapid progress. "Judge" Smith and Wayne Hise, fresh converts to the game, are already shooting well under 100. Within a year the new club will doubtless develop a larger number of good players.

The qualifying round of the championship tourney will be played in about two weeks. Further details will be published in this paper next week.

ELKS HUMBLE NORTH SHORE LEAGUE CHAMPS

DEFEAT GLENCOE SUNDAY

Playing in Fine Mid-Season Form, Highland Park Tramples on Visitors From the South

Glencoe's highly touted North Shore league champions went down to defeat before the Highland Park Elks 4-1 last Sunday, in a fast and snappy game on the local diamond. Hessler, in the box for the home team, allowed Glencoe only five hits, and was credited with seventeen strikeouts. It was the third consecutive win for George.

Erickson, Glencoe's hurler, pitched a good game; but he failed to get support like that given his opponent. Erickson, although hit hard during the entire game, proved superior in the pinches when a hit would have meant runs. Had it not been that the Elks were a little off on base-running the score would have been much more one-sided.

"Paddy" White, captain of the Elks, was the day's heavy hitter, connecting safely three times in four trips to the pan. One triple and one double were credited to him. "Paddy" played his usual good game behind the bat. In the absence of Wohlbruck, Williams was put in left field, and he made five hard long running catches. With Williams, Luckey and Mc Highland Park boasts of one of the best outfields that has been seen along the north shore in several years. Clark continues to take care of first base in good shape. Greenstone and Hise play around the key-stone in championship form. In the absence of C. DeLong, Becker has been playing a good game at third. Shannon, Wohlbruck, Gerken and Nielson are ready for any emergency. With this lineup working in mid-season form, Highland Park will see some real ball games during the next few weeks.

Next Sunday the second game of the Glencoe-Highland Park series will be played on the local field.

LAKE FOREST WINS FIRST OF SERIES

GLADER ON THE MOUND

Rudolph Stars for Highland Park. Return Game to Be Played Here Sunday

The Lake Forest baseball team won the first game of the series by defeating the Y. M. C. by a score of 5 to 4 in ten innings. The game was fought before one of the largest crowds of the season. Glaze, the Lake Forest pitcher won a bitter pitchers duel from Ish Glader, but was forced to go into an extra inning to win. George Rudolph was the star for Highland Park, dropping two balls over in the tennis court, one for a home run and the other for two bases, while Swift proved to be a terror for Lake Forest getting 3 singles and a triple in five times to bat.

Lake Forest scored in the second on a base on balls, a sacrificed hit, a hit and an error. Highland Park scored in the fourth on Rudolph's home run.

Highland Park scored two runs in the seventh on three hits and evaded the score in the eighth, scoring once on three hits. Rudolph made a desperate try to win the game in the tenth inning, but his drive into the tennis court was held to two bases by Kerrigan's fast fielding and the next three batters could not score him.

In the tenth inning Manager Brown won the game for Lake Forest by sending J. Lindenmeyer to bat for McGovern. He singled and Manager Brown batted for Hanson, and tripled winning the ball game. Lake Forest won a brilliant game and much credit is due them.

Next Sunday the second game of the series will be played on the local field. Ted Shannon of Highwood has been signed up to play left field and "Cricket" Gerkin will serve as catcher.
