**FURNISHED HOUSE WANTED FOR THE WINTER**  
Possession desired any time between first of September and 25th of October at the convenience of the owner. Occupancy can run to first of May or to 15th of June 1923. Location preferred northeast Highland Park, convenient walking distance to Elm Place School for two little girls. Do not want a "showy" home at an excessive rental. Requirements—minimum of four bedrooms, not to exceed six bedrooms. Owner could store away any furnishings of a particularly valuable character. Ready to be dispersed in routine occupancy by an average American gentle family. Rental can be discounted for entire period if second bed thought desirable. In any event the writer's financial responsibility can be easily established.

**I INTEND TO BUY OR BUILD**  
Optionally, I am in the market for a real bargain in a fairly modern home on a quiet street and in an established neighborhood in northeast Highland Park, a house that can be inspected at my value by disinterested architect, who is thoroughly familiar with Highland Park values, where the owner knows that the war is over and that new houses are being built for considerably less money than other places have been offered at during the shortage period.  
Address: W. M. C. F. P. O. Box 871, Chicago, Ill.
