MANY MASONS WILL JOURNEY TO PEORIA

The carload of members from Waukegan Commandery, No. 12, Knights Templar, who will go to Peoria to attend the state convocation Sept. 11 to 13, will be royally entertained, according to announcement at Peoria concerning preparations for the coming event.

This convocation, the largest ever to be held in that city, will bring at least 25,000 visitors. In the parade Sept. 12 fully 15,000 knights will participate.

The Siloam commandery band of Oak Park, will give a concert the night of Sept. 11.

Automobile baby carriages are now invented, and pretty soon in this swift age the babies will be driving them.

The politicians have not done much to settle the strikes, but they probably think they can get elected if they shake hands with enough people.

Fact that a man can afford an automobile does not prove that his creditors can afford to have him buy it.

Good many people are going to enjoy all the luxuries of life as long as they can borrow the money.

Oak Terrace Laundry

With a few added improvements, modern machinery, more space, and a very efficient working force, the Oak Terrace Laundry has solved the problem that has so often puzzled laundrymen, i. e., cleanliness in labor's production and expeditiousness; this of course adds one more auto to the delivery department.

The Oak Terrace Laundry was built to handle, and is handling any and all kinds of soiled clothing.

A Triumph for Value

IN the past two months Firestone has built and marketed more tires than in any similar period in its history.

This steadily increasing public preference is proof of the recognition by car owners of the greater values offered by Firestone. It is a tribute to Firestone men—all stockholders in the company—all actuated by the operating principle of Most Miles per Dollar.

The high average performance of Firestone Cords is without equal in the annals of tire making and is reflected by the general tendency to specify Firestone for hard service. Taxicab and bus lines, buying tires by the mile,

are universally equipping with Firestone Cords.

There are many reasons for the high quality of Firestone tires but chief among the special manufacturing processes are double gum-dipping, thus eliminating internal friction by insulating each cord strand, and air-bag cure, insuring a well-balanced and perfectly shaped product.

Don't speculate in tires—you will find the right combination of price and quality in Firestone. Come in and let us tell you about the service these Cords are giving other car-owners whom you know.
