"Orphans of the Storm"

Adapted from "The Two Orphans" with LILLIAN AND DOROTHY GISH BY ARRANGEMENT WITH KATE CLAXTON THE BEAT OF A THOUSAND HOOPS

A thunderbolt of men, horses and dust, as the fearless Danton, fiery leader of an outraged people against an outrageous monarchy, rides to save the honor of France! Through Paris streets he hurls himself, his followers on his heels! A tornado of tossing shapes! Naked swords aloft in hands of dare-devils atop plunging steeds! Through scattering populace and hostile hordes to the glistening side of the guillotine! Always thrill upon thrill!

A LOVE SUPREME

Renouncing his love on the guillotine platform, he places the woman of his heart, whom he has rescued from the axe, in the arms of the man her heart has chosen.
