DEERFIELD MEETS RIVERSIDE NEXT
 PLAY HERE ON SATURDAY
 First League Game of Season for Locals; Results Elsewhere Last Saturday; Several Good Games

Deerfield meets Riverside on the home field Saturday in the first league game of the season for the locals. Riverside was defeated last Saturday by Proviso, 25 to 0. Proviso made most of its gains through line drives and a stiff defense prevented Riverside from scoring. For Proviso Berliner and Youngsteadt starred, while Guest did stellar work for Riverside.
 Good Game Promised
 Riverside, notwithstanding last Saturday's defeat, has a good team and may be depended on to put up a stiff game next Saturday, so Deerfield fans are assured of a contest worth attending, and it is hoped that the crowd will be a large one. The team had a rest last Saturday, having played both its permitted practice games, and with plenty of hard work in scrimmages since is in good form for its initial league battle Saturday.

Other League Results
 Other league results last Saturday indicate team strength. At New Trier Morton lost, 13 to 7, in a hard-fought game. Wilson of New Trier made both touchdowns. La Grange and Bloom played a tie, 0 to 0, in one of the stiffest battles of the season so far.

HIGHWOOD GRIDERS LOSE TO WAUKEGAN
 Game Played Sunday at Highwood; Score 6 to 0; Field Very Muddy

The Highwood football team was defeated, 6 to 0, Sunday, by the newly-organized Waukegan A. C. team. The game was a hard-fought contest on a sloppy field, and the only score was made in the first quarter, and that was largely a piece of luck, spectators report. The game was witnessed by a good-sized crowd of rooters. Captain Robbins of Waukegan won the toss, and eight minutes afterwards his team put through the first touchdown, when Gamash plunged through the Highwood line and came down with the ball a foot past the goal post.

Golf Scores:
 Exmoor held its annual harvest home dinner Saturday night, over 600 being present. J. H. Harmon, 81-8-78, had low net in the harvest home event, S. Davison Herron getting 76 from scratch and tying with G. W. Matthews, 108-32-76. Winners in the last chance tournament were G. W. Matthews, 108-32-76, W. B. Egan, 83-5-78, and R. C. Jacobson, 107-27-80.

BOB O' LINK
 B. H. Boyd and P. G. McMahon tied in the eighteen hole medal play for low gross. A. R. Peterson, 88, was third. In the low Cuscaden and I. C. Elston, Jr. tied at 80 for second prize.

JUDGE C. C. EDWARDS MAY BE CANDIDATE
 Lake County Jurist Possibly in Race for Supreme Judgeship, Report

The announcement that Judge Claire C. Edwards of Waukegan may become a candidate for the position of judge of the Supreme court of Illinois, for one of the two additional seats to be made by the constitutional convention, has stirred keen interest and discussion among the Chicago politicians.
 A convention has been called for Nov. 9 at which the two candidates for the supreme judgeship from the Seventh judicial district will be nominated. The convention was called by the four committee chairmen of counties outside of Cook, and William J. Stratton of Fox Lake, state game warden, was named as chairman for Lake county, W. Lee Capps for DuPage county, E. Jeffers for Kankakee, and George A. Barr, Will county.

AERIAL ATTACK IS TOO MUCH FOR HIGHWOOD
 Waukegan Scored 6-0 in Game Sunday; Bellei Starred for Highwood

Highwood A. C. tasted defeat for the first time this year on Sunday when Waukegan A. C. passed over and around them for a 6 to 0 win. Waukegan made their lone touchdown in the first quarter. After a series of successful passes they lost the ball to Highwood on their 15 yard line. Highwood was penalized for off side. Waukegan recovered a fumble on the 5 yard line and drove it over for a touchdown.
 The second quarter was close neither team having the advantage. In the third quarter Highwood began to show the old fight. They drove to the 10 yard line but seemed to lack the head work to put it across. The fourth quarter Highwood battered Waukegan's line until they made consistent gains and they were traveling down the field for a touchdown when the whistle blew.
 Bellei was the big ground gainer for Highwood, while Stroffe and Hovi did good work for the visitors. Devroeg and Owens, two Highwood stars, were on the bench from injuries.
 Next Sunday Highwood Lights travel to Lake Forest while the heavys will probably take a rest.

 Sanitary Board to Sign Up As Soon as Survey Completed; Two Projects

The North Shore Sanitary Board held a meeting Friday and decided to award the contract for the construction of a sewage disposal tank at Lake Bluff and another at Highland Park. The contract was not signed however with the lowest bidder, T. J. Prindergast, because the board desires first to complete some surveys it is making along the lake front.
 This contractor's bid for the Lake Bluff tank is \$79,921, and \$26,078 for the Highland Park project.

NEW TRIER TO HAVE ORCHESTRAL ASSN.
 North Shore Music Lovers Are Interested in Organization of New Society

At a meeting of a few representative music lovers, prominent club women and business men of New Trier township, held last week in the high school library, the organization of the New Trier Township Orchestral association was effected.
 During the last few years several things have contributed toward making it difficult for the large majority of people to attend the Thomas concerts in Chicago—the, in many cases,

prohibitive expense, the scarcity of seats, and always the difficulty of persuading the tired business man, returned home, to go back again to the city in the evening. The purpose of this new undertaking, the orchestral association, is to give to the people of the community, who care for music, an opportunity to hear good music near home in the form of a series of monthly orchestra concerts which will be given in the evenings at the high school auditorium by the Little Symphony of Chicago, a group of twenty-five of the finest artists that can be obtained under the direction of Mr. George Dasch.
 A number of music lovers from Highland Park and other North Shore towns are interested in the project.
