Y. W. C. A. NOTES

Mother's Club

The first meeting of the association in the new headquarters was held Tuesday evening Oct. 10, when the Mother's club met to hear Mr. Walk-up, the new Community Service director, tell of some of his personal experiences and outline his work for the coming year, all of which was very interesting and was listened to with a great deal of pleasure by those who braved the warring of the elements to attend the meeting.

Class Work

The classes arranged by the Educational committee will commence the last week of October. Registration Day has been set for Friday, October 20th, when the headquarters will be open all day and members of the Young Woman's council will be present to explain the educational work and take the names of those who wish to enter the classes.

It is earnestly hoped that all who are interested will avail themselves of this privilege.

All of the instructors are experienced and cannot give their time unless a sufficient number of members are enrolled in each class.

The minimum number is five or a larger number is greatly desired.

There will be no senior dancing classes this year, special stress will be laid on a senior gymnasium class for Friday evening, the instructor coming from the Normal School of Physical Education in Chicago. The dramatic class is bound to prove attractive, the object is to give plays throughout the year.

Hull House is sending out the teacher for this line of work.

Many will be glad to know that a millinery class will be featured again this year, and Monday evening at 7:30 is the time for this class.

Another class that will prove a greatly needed feature in the list that is being put on is the Bible instruction. It is planned to have one session for the Juniors in the afternoon and another for the Seniors in the evening. The instructors and the date for these classes will be announced next week when all preliminary arrangements will be taken care of.

Other classes will be featured also.

Seasonable Gifts

The Misses Shields were the generous donors of various articles of furniture to the Y. W. C. A. which were greatly appreciated at this time when the headquarters are almost destitute of furnishings.

No doubt many others are willing to do the same but are unaware of the needs at this time.

Almost anything in the way of furnishings would be acceptable, but a few articles would be especially welcomed, namely: an office desk, rugs, pictures, chairs, vases, kitchen utensils and curtains and lamps.

HIGH SCHOOL NOTES

Through the efforts of Mrs. Anson Morgan a speaker was secured to address the students on the education of women in the Far East. It was expected that Dr. Ida Scudder would speak, but as she was unable to reach the school in the morning, Mrs. McKinney was secured. Mr. Tomasso, accompanied by his daughter on the piano, played several selections on his mandolin.

On Tuesday the students wrote a short essay on "What the students, the teachers, the school authorities and I can do to better Deerfield." Those who entered from other schools or from private schools wrote on the good and bad points of each school. Twenty-six students now here were in private schools, three had never attended a public school before. The outstanding desire of the students of Deerfield high school is for more opportunities to become acquainted. Plans are now on foot to have a party given to the Freshman girls and other new girls by the Sophomore girls in the near future. The Senior social committee is planning to have a Halloween party similar to the one last year which was a tremendous success.

Committees of Alumni are preparing for the home-coming New Trier game Oct. 28. There will be a dinner dance following the game.

The girls are playing hockey after school every night and find it a very interesting game. Miss Ruth Livingston of Hubbard Woods has charge of girl's athletics and swimming three afternoons each week.

A lady physician, Dr. Levic of Winnetka, has conducted the physical examination of girls this year. Owing to the increase of goiter in this vicinity this year the preventive used by the Akran schools with such marked success will be used here.

Next Saturday is the first league game with Riverside. Everybody come.

FIRST RADIO SHOW CHICAGO, OCTOBER 4

Many Entertainment Features Scheduled; Women's Clubs Participating

When the doors of the Coliseum are thrown open at noon next Saturday, Oct. 14, Chicago will have the opportunity of seeing the greatest radio show ever held anywhere. It is purely a manufacturer's exhibit the first in the history of the industry, and radio appliances which have never before been shown to the public will be on exhibition.

The entertainment features of the Chicago Radio Show will surpass anything of the kind ever before attempted. A special broadcasting station with a radius of 4,000 miles is being especially installed for the show. Thursday, Oct. 19, will be Society Night under the direction of Mrs. George W. Dixon and other women of equal prominence.

The Illinois Federation of Women's Clubs, the Chicago Federation of Women's Clubs, the Catholic Women's Club, the Archa Club and others have appointed committees to take part in the show.

COMMUNITY CENTER PLANS ACTIVITIES

Interesting Program Is Being Outlined for Ensuing Season

The board of directors of the Highland Park Community Service met Monday evening at the Community center, and a proposed program for the coming year was outlined.

The board expressed approval of the work already accomplished and with approval of still wider scope for faith in the future of the movement activities for the ensuing year.

Some of the most interesting features in store for the community this winter will be the organization of a drama league, or players' group, to study the current plays and dramatic art, including stagecraft lighting and costumes; a more advanced program in music, weekly social dances and an institute to assist ladies in preparation for parties, socials and clubs.

WOMAN'S CLUB OPENS WITH LUNCHEON TUES.

Mr. George O'Dell to Speak on "Democracy as a Going Concern"

The opening meeting of the Highland Park Woman's club will be held in Witten hall on Tuesday, Oct. 17. Luncheon will be served at 12:30 and after a social half hour the meeting will be called to order at 2 p. m. Mrs. Herbert Smith with Mrs. James Watson at the piano will sing a group of songs. These are two of the talented members of the club who always delight their audience.

Mr. George E. O'Dell of Detroit, lecturer on social and ethical subjects will address the club on "Democracy as a Going Concern". Mr. O'Dell has proven himself one of the most popular lecturers of the day throughout the east. He is decidedly humorous and a delightful speaker. Luncheon will be served at fifty cents the plate. Guests will be cordially welcomed.

ONWENTSIAS HUNT RACE MEET OCT. 14

LADIES' EVENT FEATURE

Noted Boston Horsewoman Enters; Hunt Cup Race and Jorlocks Stakes; Best Horses to Run

The Onwentsias Hunt Race meeting which opens at 1:30 Saturday, October 14, at the Onwentsias Country Club, Lake Forest, will afford the sporting folk of the North Shore an opportunity to see some of the best horses in the middle west in top action, both in flat and steeplechase races. Interest centers around the race for THE LADIES HUNT PLATE, which is open to amateur lady riders only. The distance is one-half mile on the flat, at catch weights, and may be ridden aside or astride.

Noted Horsewoman Enters

Mrs. Charles Perkins of Boston, who breeds her own saddle horses and hunters on a farm near Burlington, Iowa, is entered for this race, and will ride the Thoroughbred "Dane." Mrs. Perkins is one of America's noted horsewomen, and in the fall of 1921, took ten hunters to England where she spent the winter season hunting in Leicestershire, with some of the most noted hunts in Great Britain. The American-bred hunters which she took over with her acquired themselves famously, as is attested by the fact that on one occasion, Mrs. Perkins, with the M. F. H. and one other rider, were the only ones to finish, out of 200 starters in a hunt course over some particularly stiff country. On still another occasion, Arthur White, noted Virginia steeplechase rider and hunting man, mounted on one of Mrs. Perkins' hunters, was the only one to finish out of the entire field of one hundred seventy-five that started.

It is needless to state that the entries made by Mrs. Perkins in the Onwentsias Hunt are fully up to the Perkins' standard. Strong competition is looked for, however, from Mrs. O. W. Lehman, of Lake Villa, Illinois, and there are eight other entries from the fair contingent of Lake Forest riders. This half mile dash will be worth going a long way to see.

Hunt Cup Race

The Onwentsias Hunt Cup Race, distance about 3 1/4 miles over fair hunting country, timber and brush jumps, will also be a most thrilling race to the spectators. Practically all of the course will be in view of the grandstand, and the riders will be in full hunting costume. Good judges of horsemanship predict that the Onwentsias Hunt Team, which won last year, will have their work cut out for them if they are successful in defeating the hunters entered by B. L. Behr of Lake Forest, and the three from Detroit, entered by the Grosse Pointe Hunt Club. Riders are to be amateurs only and the race will afford one of the most interesting features of the day's sport.

The Jorlocks Stakes

Competition for the Jorlocks Stakes—open to amateur riders, distance one mile on the flat, weight 175 pounds, will be the most speedy event of the afternoon. A number of the racers from the Hawthorne meeting are entered where they will meet Woodpecker, a thoroughbred owned by Charles Perkins. Those in the know are of the opinion that the Perkins horse will take the measure of the best Hawthorne can send over. The race will be doubly interesting be-

cause amateur and professional race riders will participate in this class. Jack Nelson, of the Argentine Polo Team, will be one of the jockeys, and will ride "Tomcat," owned by Lawrence H. Armour.

For Polo Games

Two events are announced for polo ponies which have been in regular play throughout the season—the Polo Pony Scurry, distance three furlongs, weight to be carried 175 pounds, amateur riders only, to be ridden in team colors, and the winner to receive a silver trophy; and the Onwentsias Polo Plate, open to members of Onwentsias Club only for ponies used regularly throughout the current season. The distance 3 furlongs in this race, the weight 170 pounds, the prize a silver trophy.

Onwentsias Club invites the public to attend this race meet. A nominal admission fee of one dollar will be charged to help defray expenses, but it is by no means a proposition for money-making.

FILM SHOWS MAKING OF STUDEBAKER CAR

Under the auspices of the J. & L. garage an interesting motion picture showing the various stages in the construction of an automobile was shown last evening in the Witten hall. The film was produced under direction of the United States department of commerce in co-operation with the Studebaker Corporation and is being shown in all parts of the world. The film depicts every phase of automobile building from the red-hot metal to the finished product, the assembling of parts and other operations down to the finished car. It is very interesting and was witnessed with interest by a large crowd.

WINTER SPORTS AT NORTHMOOR CLUB

Plans Under Way for Skating, Curling, Tobogganing and Other Lines

Winter sports, some of novel character, are to be inaugurated at the Northmoor Country club, Ravinia, this winter, according to announcements of the series are being sent to make arrangements for skating, curling and tobogganing, with all necessary provision for the comfort of the participants, including shelter house, refreshments and the like. A committee has been named to plan for these innovations, provided a sufficient number of members are interested. At the Exmoor club tobogganing has been a winter sport for several years. Curling, however, is a new stunt here, and as this is an especially exhilarating game, interest in it promises to be marked.

S. S. CONVENTION AT WAUKEGAN, OCT. 20-21

Rev. E. D. Soper of Chicago to Address County Schools at M. E. Church

Fifty Second Annual Convention of the Lake County Sunday School Convention will be held at the First Methodist Episcopal church, Waukegan, Friday and Saturday, October 20th and 21st, 1922. On Friday at 10:00 the Rev. W. G. Rutherford will lead the devotions to be followed by an address by Rev. C. A. Kelley and Miss Pearl Weaver. At 1:30 Rev. Robert E. O'Brien will be in charge of the devotions. Reports of the County officers. Demonstrations of the Daily Vacation Bible schools will feature the afternoon session. From 5 to 6 Convention dinner and social hour. At 7:45 Rev. Edmund D. Soper of the Northwestern University will be the speaker of the evening. Saturday morning at 9:00 the convention will be opened by Rev. S. W. Chidester. After devotions the business of the association will be taken up. Reports and election of officers and address by Rev. L. H. Beeler. After luncheon the Rev. G. A. Swanburg will lead devotions. At 1:45 Departmental Conference will be held. The closing session will begin at 4:15. The Rev. L. H. Beeler will deliver the closing message. Subject "The Priesthood of the Layman". This program this year is the strongest the association has ever planned. Every minute is a Worth While. Every arrangement is being made for the comfort of the delegates and with such speakers on the program as Dr. Soper and Dr. Beeler we ought to have the largest and best convention in the history of the convention. An earnest appeal is made to all the Sunday schools in Lake County to come to Waukegan the beautiful. Dates October 20 and 21.

D. A. R. TO HOLD FIRST MEETING TODAY

Subject: "The Declaration of Independence and Its Framers"

The North Shore Chapter of the D. A. R. held the first meeting of the season today at the home of Mrs. Richard L. Sandwick who had assisted her as hostesses, Mrs. Joseph F. Leaming and Mrs. Emma Morgan. The subject of the program was "The Declaration of Independence and Its Framers". Mrs. Rigdon and Mrs. Joseph Garnett read most interesting papers upon this subject.

A very instructive program* has been planned for this year and includes a study of the Declaration of Independence, its framers and signers and a study of the constitution of the United States.

The philanthropic work which is done by the members of this chapter will be continued as in the past years and will be devoted chiefly to the mountain people of the south. The rummage sale to be held next week on October 18, 19 and 20 in the Murray and Terry building, formerly occupied by F. B. Green, has become an annual event and long looked forward to by many residents of our town. The money raised in this way is devoted to the education of the mountain people of the south at the Martha Barry school.
