DEERFIELD LOSES TO PROVISO, 14-12

FUMBLES PROVE COSTLY

Lack of headwork defeats local team; should have won easily, fans declare; other scores

Lack of headwork and a couple of fumbles by Deerfield lost Saturday's game at Maywood to Proviso, 14 to 12. Despite Kassell's brilliant work for Proviso, Deerfield should have had at least four touchdowns experts who witnessed the game declare.

It was one of the most spectacular prep school games seen in the suburban league this year. Six minutes after the kickoff Harvey scored the first touchdown for Deerfield. Instead of kicking for the extra point Deerfield chose to forward pass and failed. Deerfield fumbled after the next kickoff and lost 15 yards, Kassell of Proviso recovering.

Proviso Scores
Proviso pepped up and made several big gains ending in a touchdown. In the second half Deerfield fumbled again and in the next play Proviso scored. Bullard of Proviso kicked goal to reach touchdown.

Deerfield rallied and smashed through Proviso's defense to the 10 yard line, and Ted Watt put over the second touchdown for the locals. The game ended 14 to 12, in favor of the Proviso eleven.

Charles Kassell of Proviso was the star performer in this game, and his school owes its victory over the champions largely to his playing combined with errors of judgment and costly fumbles on the part of his opponents. Harvey and Ted Watt featured in Deerfield's attack.

The lineup:
PROVISO 14 DEERFIELD, 12
Kassell R. E. Emerson
Glader
Fritz R. T. Spellman
H. Billard R. G. Drieske
Pahodie C. F. Watt

K. Bullard L. E. Sandwick
Hollan Q. B. Proctor

Touchdowns—Harvey, Follett, T. Watt, Kassell. Goals from touchdowns—K. Bullard (2). Referee—Cohn (Chicago). Umpire—Higgins, Chicago.

Other suburban league results Saturday were:
Evanston, 34; Waukegan, 0
Thornton, 36; Morton, 0
Oak Park, 19; La Grange, 0

HIGHLAND PARKERS BOWL AT WAUKEGAN

Highland Park bowlers planned to go to Waukegan Wednesday evening to play the McCann team of that city. The local bowlers do not propose to let the northern city high rollers get away with anything and are out for the championship of the north shore. The Highland Park and Lake Forest bowlers are among the most likely contenders for championship honors this year, devotees of the sport declare.

PUBLIC LIBRARY

Last week we published a list of new books, and have been having a "run on the market" ever since. Latecomers, disappointed in their desire to get new fiction, have gone away empty-handed (or empty basketed) forgetful of the fact that among the old (and perhaps dusty) books on our shelves are many books of fiction that time has proved to be worthy of a second reading, or even a third. Such, for example, is Reade's "The Cloister and the Hearth," that wonderful and fascinating picture of the middle ages and the age-long struggle between the natural desires of a man for a home and a family against the churchly law of celibacy. There is Porter's "Scottish Chiefs," which has enjoyed so many printings and been translated into so many tongues that its fictional interest has come almost to be accepted as historical fact. And there is Hugo's "Les Miserables." What a canvass he enrolls before us! Beginning with a leisurely picture of an old priest, he brings him into violent juxtaposition with a fierce and sullen ex-convict, Jean Valjean, whose life he completely changes.
Do not condemn these books as purely "Stone Age stuff," but when next the librarian says to you: "I'm sorry, but 'Glimpses of the Moon' is not in," know a change of heart and ask for some other book of fiction, one that has royally stood the test of time.

The Community Christian association of North Chicago has rented the Auditorium hall there for Sunday evening meetings from Nov. 1 to April 1.

DEERFIELD HIGH HOME COMING DAY

CELEBRATION SATURDAY

Football Game Between School and New Trier is Feature; Faculty, Students and Alumni Busy

Saturday of this week is the big day of the winter season at Deerfield-Shields high school. It is Home Coming day and all former pupils and all other friends of the school are urged to rally round and make Home Coming day, 1922, a red letter day, a date to conjure with in future years, the biggest day in the history of good, old Deerfield-Shields.

And the pupils who at present are enjoying the opportunities and advantages which this splendid school offers in faculty, scope and equipment will be there in full strength. Depend on them. They will be there, their loyalty and enthusiasm overflowing for their great school, whose advantages and fine features none recognize better than these children who are profiting from them day by day.

Football Game Feature
The great feature of the day will be a football game at 2:30 p. m. between Deerfield and New Trier. The two schools are old rivals in the suburban league and a terrific battle is expected. Deerfield team has been getting some strenuous practice work in this week and will be in splendid form for the big day. Students and alumni will be on the bleachers and side lines in force to root for their team, and an exciting session is promised. Attendance undoubtedly will break all records.

At 6 o'clock a cafeteria luncheon will be served, and following it a program of speaking and musical numbers. Faculty, alumni and students will vie with one another in extolling the greatness and glory of Deerfield-Shields, and nothing they may say will be hyperbole, for the good influence of this great school on the characters and careers of hundreds of its former students cannot be exaggerated, and the alumni will "tell the world" about it at this reunion.

Dancing at Night
At 8 o'clock dancing will begin, to which high school students are invited and urged to attend.
Faculty, students and alumni are doing their utmost to make this Home Coming celebration the best in the history of the school, and the indications are that their hopes will be fully realized.

MICHIGAN APPLES AT NORTH CHICAGO

John Western of Cemetery Co. Bringing Carload from Fruit Farm

Some of the patrons of North Shore cemetery and other friends of John Western, president of Modern Cemetery and Mausoleum company know that Mr. Western was a fruit-grower before he established North Shore Cemetery.

Mr. Western announces that he is bringing a carload of winter apples from his fruit farm, located in the Inland Lakes region of the Michigan fruit-belt, for distribution direct to consumers in the North Shore district.

During Mr. Western's stay of two months, at his farm during the late summer several of his friends in this section received sample boxes of summer apples which were very toothsome. However, it is well known that winter apples have a more delicious flavor than have summer apples grown in the same section.

The car containing four or five standard varieties will arrive at North Chicago within the next three or four days and orders will be booked up to the limit of the car and delivered by truck.

Mr. Western reports that the attractive foliage and blossom effects in the special care plantings on the graves in North Shore Cemetery remained uninjured by the frost up to October 20th and that a large number of roses were in various stages of development on the 23rd inst.

He says that North Shore residents have purchased lots in the cemetery amounting to upwards of \$60,000 since the first of May, and that funerals have come from as far away as Englewood, Chicago and the western limits of Lake county.

HIGHWOOD LIGHTS HOLD BROTHERHOOD

GAME IS SCORELESS TIE

Highwood Team Not Going Well But Prevents Score; Play Lake Forest Next Sunday

Highwood lightweight football team had their hands full last Sunday on their home field, holding the fast Boys' Brotherhood of the Republic team to a scoreless tie.

Highwood's play was ragged and the first kickoff it was evident that Highwood had met their equal. It wasn't until the last quarter that they began to show fight. The ball was carried down the field to the 5 yard line and fullback Rhinesmith went through for a touchdown, but due to a penalty the ball was returned to the 5 yard line. Highwood then attempted a pass but failed.

Play Lake Forest Next
Highwood's play was ragged and showed the lack of team work and of practice. They are putting in a week of hard practice to meet the strong Lake Forest aggregation at Highwood next Sunday.

Next Sunday there will be a double header at Highwood field. The Heavys are playing the Metro A. C. of Chicago. These teams played a 0-0 tie at Highwood last year, both teams have added better players to their lineups and are out to settle the grudge of last year.
The Lights will meet Lake Forest Lights on the Highwood field at 1:30 while the Heavys will clash at 3:00 p. m.

Have You Ever Carefully Examined ATHENA UNDERWEAR

For Women and Children
It is different from other underwear! It does not have to be stretched into shape—it is tailored, in the making, to follow the natural lines of the figure. The neckline slopes to the front; curved armholes and tapering back help to eliminate bunching and binding; the fitted seat stays closed.

Compare Athena with any other knit underwear. You will readily see that it achieves its delightful comfort, not by depending upon the elasticity of the fabric, but through the very shapeliness of the whole garment. Yet it costs no more than ordinary knit underwear!

Ask our saleswoman to show you the seven distinctive features that make Athena conform so naturally to the figure. In all styles and weights, in knit fabrics.
