

What's Your Ambition?

Men who are earning no more than yourself are buying their own homes, seizing business opportunities and making profitable investments.

The systematic accumulation of money in a bank account makes all of these possible. Moreover, it is a good investment in itself.

THE MAN WHO FAILS TO SAVE does none of these things.

Nature's Greatest Food

Certified Jersey Milk

THE MILK WE HAVE FOR SALE IS THE BEST, THEREFORE IT COMMANDS THE HIGHEST PRICE

Dr. Collum of John Hopkins University, Baltimore, Md., finds after many years of experimental work, that butterfat is the most valuable human food.

JERSEY MILK contains 5.37% butterfat, the highest percentage of any breed of cows.

JERSEY MILK is rich, creamy, appetizing and highly nutritious.

THE UNITED STATES GOVERNMENT SAYS

"Milk is the best food we have. Give your children milk, a quart a day for every child if possible, a pint without fail. Plenty of milk will help you give all your children both big and little, a chance for health they ought to have. Buy more milk and less meat and your family will be better fed."

GRACE M. E. CHURCH

Corner North Ave. and Lauretta Place.

William E. Grose, Pastor

The last meeting of the Ladies Aid society at the home of Mrs. Charles Boyd, on Green Bay road, Friday afternoon of last week, was, in many respects, a notable event. The attendance was unusually large. But the most interesting item was the counting of the money in the returned "money belts". The total was nearly two hundred dollars, and there was real applause when the amount was announced. And the end is not yet. The returns are not all in. It is hoped that when all are accounted for there will be more than three hundred dollars. This enterprise, which was suggested by Mrs. Loraine Webster, is being adopted by friends in other churches.

Next Sunday morning the pastor's sermon theme will be "The Demands of the Age, from the Standpoint of the Individual." This is the second of a series of four special sermons.

Our evening services for the next few months will begin at 7:30. Be on time.

while you sit in your favorite chair, beside your own library table without exertion or the annoyance of dressing up for going out. Your children may now have the intellectual background which only the very rich have been able to provide, the background of exquisite sound, coming to them through the sharpest-tuning Radio-Phone yet produced:

THE VOCAPHONE

Manufactured by John Firth & Co., New York, VOCAPHONE sets are recognized as representing the greatest advance in wireless equipment.

The very beginner can operate them, yet they are thoroughly professional instruments, having until recently been made exclusively for the Governments of the United States, Great Britain, France, Italy and others. Since August first the public has been permitted to purchase these sets.

We have been fortunate in obtaining the representation of the VOCAPHONE and are now prepared to demonstrate this remarkable instrument right in your own home, at your convenience.
