DEFEAT NEW TRIER AT HOME COMING

DEERFIELD WINS EASILY LA GRANGE IS SECOND
Score Is 21 to 0, and Locals at No Time Worried by Rivals Who Cannot Pierce the Front Line

Home Coming day at Deerfield-Shields last Saturday was one of the most successful events in the history of the school, the outstanding feature being the overwhelming of the New Trier gridder by the home team, 21 to 0.

Following the game the annual Alumni banquet was served cafeteria style and during dinner the business meeting was held, reports presented and officers elected.

Following are the officers for the ensuing year:
President, Samuel Bingham; Vice President, Leslie Schaeffer; Sec., Evelyn Taylor; Treasurer, Dr. Fritsch; Historian, Mrs. Ruth Pettis.

Short talks were made by Captain Sandwick of the team and Arnold Mason and Roland Pease sang several delightful selections, accompanied by Mrs. Ball, Pianiste. Dancing concluded the evening program.

The Football Game
Deerfield defeated its old rival, New Trier, easily. New Trier found it practically impossible to penetrate Deerfield's formidable front line, and the Winnetka gridder caused the locals little trouble.

For Deerfield Spellman starred until injured near the end of the second quarter. Dyer and Allen made good gains, and Bolan displayed good defensive work. For New Trier Bartelman featured with a 70-yr. run.

Neither team scored in the first quarter. Half-way through the second quarter a punt by New Trier was blocked by Spellman, who recovered for a touch down and Watt kicked for the point. There was no more scoring in this half.

In the third quarter Dyer passed to Watt for touchdown, and Watt again kicked accurately. The final touchdown was made by Harvey in the last quarter, Steele kicking the extra point. Deerfield used several second-string men as substitutes during the game, all of whom showed up well.

DEERFIELD AGAIN WINS GOLF TITLE

LAKE FOREST WINS FROM HIGHWOOD 11

Deerfield-Shields and Evanston divided honors in high school golf league finals Saturday at Evanston, when Deerfield again won the team championship, and Eddie Olsen of Evanston captured the individual title.

Three meets were held, the first at Evanston, the second at La Grange and the final Saturday over the No. 1 course at Olympia Fields. Olsen had scores of 85, 80 and 88, for a total of 253, which nosed out Urban of La Grange by one shot, the latter having cards of 81, 86 and 87, for a total of 254.

Starts 12 Points Behind
Deerfield started Saturday twelve points behind La Grange, but the four best scores of the five players gave them a total of 337, against 365 for the La Grange boys. Deerfield won the title with a total of 1,043 for the three matches, La Grange having 1,053; Evanston, 1,072; University High, 1,089; Proviso, 1,117 and Riverside, 1,265.

Martin of Deerfield had the best score Saturday, 37—44—91, the other players on his team being: Werhane, 83; E. Stuppel, 85; Laing, 88 and R. Stuppel, 93.

The leading scores on the Evanston were Olsen, 88; Menke, 86; Reeve, 90; Boyke, 93; Fell, 93. McDonald of Proviso had a score of 85.

Lights Lost to Foresters in Highwood Field Sunday; Score, 7 to 0
Highwood lightweights played into a lot of bad luck Sunday on the Highwood center had thrown the ball away will happen in a game, were against Highwood.

Lake Forest made their only score in the first quarter after the Highwood center had thrown the ball away on their own 15-yd. line.

Lake Forest outweighed Highwood by considerable but the teams were evenly matched and the score should have been 0-0.

Highwood's backs H. Rhinesmith, A. Bench, Owens, E. McGath, There-in played their usual game but the line, Hirschner, Laing, D. Bench, Fink, Englund, Llewellyn, Russell stood the brunt of Lake Forest's excess weight.

HIGHWOOD HEAVIES BEAT CHICAGO TEAM

DEFEAT METROS, 13 TO 0
Trick Plays Too Deep For City Players; Home Goal Only Once Threatened by The Visitors

Highwood heavies beat the Metro A. C. of Chicago 13-0 at the Highwood field last Sunday. The visitors showed good ball at times, but Highwood's trick plays were too deep for the Chicago boys.

Highwood tramped down the field from the first kickoff for the first touchdown. "At only one time did the Metros threaten a score, in the second quarter they were on Highwood's 10 yd. line on the first down. Highwood line showed their stuff, and the Metros lost the ball on downs.

Punts a Feature
Shannon's long, high punts were the feature of the game, his tackles also were spectacular and no end runs were completed around his end.

Lauridsen played his usual consistent game at fulback, plunging through the line for long gains.

The Lineup

HIGHWOOD	L. E. Burnam	METRO	D. Smith
Siljestrom	L. T. Milton		
Edmett	L. G. Ebbole		
Williams	C. A. Smith		
Kilwald	R. T. Scott

Proviso, 55; La Grange 0.
Thornton, 19; Waukegan, 0.
Riverside, 19; Morton, 0.

Not many men of this city have been heard singing "Home sweet home" in housecleaning time.

How to Make a Comfort

Cut your ten yds. of 36-inch Silko-line or Challie in four lengths of 2½ yards each, and sew together the edges (not the ends) of the four pieces of material, with the right side of the goods on the inside. This gives you a large tube like a bolster cover 72 inches wide and 90 inches long, open at both ends.

Now roll the cotton or wool batting and spread it evenly over the cover so that the four edges of the batting are even with the four edges of the cover. If the cover is too long, the batting may be easily stretched to meet the cover length. If you have made your cover less than 72 inches wide, the batting should be trimmed. The batting should now be the same size as the cover.

Now pin both ends of the batting to the unsewed edges of the cover, pinning through the batting at the places where it is stitched. Be careful to catch only the top edges of the two pieces of cloth when pinning the cotton.

The next step is to turn the cov-

er right side out, bringing the cotton on the inside. In doing this, do not try to turn too much at a time, but do it carefully, and you will have your batting inside your covering smooth and even.

You are now ready for the tufting, or as it is sometimes called, knotting. This is the process of tacking through the comfort at certain intervals so as to keep the cotton in place. Baby ribbon, woolen knitting yarn, embroidery rope, or any yarn of loose twist may be used. Use pins to mark places where your tufts are to be located—place the tufts about six inches apart.

After tufting, sew the two open ends of the cover and your comfort is completed.

FUL-O-PEP DRY MASH

The one great mistake most poultry raisers make is in feeding scratch grains to make eggs. This more than any other reason is exactly why their hens don't lay. The feed that

Makes Hens Lay
is FULL-O-PEP DRY MASH—originally and manufactured by The Quaker Oats Company—the largest manufacturers of poultry feed in the world. It is a soft, finely ground correctly balanced feed and how it does make the hens shell out the eggs. It is generally known and spoken of as "the greatest egg producing feed."

Come to our store and let us tell you more about this feed—the feed that is sure to make your hens lay—Fall and Winter as well as summer.

The public might be a little more enthusiastic about the benefits of strikes, if it did not have to pay the full cost of them.

The candidates will feel that the women who are splitting their ballots, would better remain at home and split up the kitchen kindling.
