### WAS PROMINENT MASON

**Well Known Contractor Called  
Suddenly; Friday Night;  
Funeral Monday Is  
Well Attended**

William Walter, well known resident of Glencoe and prominent contractor for many years, died suddenly Friday evening at his home in Glencoe. He was a member of the firm of Walters and Windes, well known construction concern and connected with road building at different times throughout Lake county.

Mr. Walter was born April 14, 1872, at Shermerville, Ill., and spent his boyhood on his father's farm. At the age of eleven years he became a member of the Northfield Evangelical church. On June 16, 1897, he married Miss Anna Laurence of Chicago, the marriage being the culmination of a childhood romance. Mrs. Walter is living and there are two children, Clayton L. and Arthur C. Mr. and Mrs. Walter celebrated their twenty-fifth wedding anniversary last June. A brother and three sisters also survive.

Mr. Walter was a prominent Mason. He was a past master of the A. O. U. M. lodge No. 676 A. F. and A. M. of Highland Park and a member of the Glencoe Blue lodge. He was also at the time of his death high priest of the Highland Park chapter No. 226, R. A. M. and member of the Waukegan commandery and of the Medinah shrine Chicago. He was also a member of the Modern Woodmen of America. By fellow members of these fraternities, by business and social friends and by the people of North Shore towns in general wherever he was known, William Walter was held in high esteem, and there is deep sorrow everywhere at his death. The family has the sympathy of all at this time.

The funeral services were held Monday afternoon at the Union church, Glencoe, Rev. Douglas Cornell officiating and the attendance was large. The A. O. U. M. lodge No. 676 A. F. and A. M. had charge of the service at the cemetery and participated at the ceremonies at the church. About 70 members of the Masonic fraternity of Highland Park attended the funeral.

In all instances where phones are used telephone numbers are given. Residence and business addresses are practically complete for all three towns, and besides this, business houses are in many instances listed under several classifications. Bill of Health Because  
of Improvements**

The sale of Sparkling Springs water interrupted for the past month has been resumed.

The premises have been examined and suggestions made by the local Health Authority's Sanitary officer from Ft. Sheridan and Great Lakes, and a representative of the State Board of Health.

"The bottling plant has been thoroughly cleaned and renovated; steam tanks have been installed for the purpose of cleaning and sterilizing bottles, and some changes made in methods, which should result in a pure and wholesome product.

"Repeated analysis by four different laboratories, including the laboratory of the State Board of Health, have been made of the water, at various points and times, i. e. fresh from the wells and after being bottled.

"These analyses now show a water practically free from bacteria, with no pathogenic forms. The water has been pronounced by the State Board of Health as fit for public use.

cis and Co. G. O. P. Ticket

Chindblom is re-elected to congress in the Tenth district by large plurality. William L. Pierce, William F. Weiss and Charles Francis are elected representatives. On the county ticket there was no opposition to the Republican slate, each candidate running about even with the head of the state ticket.

The soldier bonus proposition was given approval by the people of the state and Lake county by large majority. The public policy proposition to urge alteration in the constitution to permit manufacture and sale of light wine and beer also carried. But it is held that the "Drys" generally refrained from voting, holding that a referendum on a condition already part of the Federal constitution would be both illegal and absurd. The plan to bond the county for \$300,000 to build an addition to the court house also was favored, but by a reduced majority.

**Vote in Lake County**  
The total unofficial vote in Lake county on these questions was as follows: Bonus, yes, 10566; no, 3331; wines and beer, yes, 8180; no, 3868; court house bonds, yes, 7719; no, 5547.

Sheriff—Edward Ahlstrom.  
Co. Treasurer—Ira Pearsall.  
Co. Supt. Schools—T. A. Simpson.

The unofficial for each candidate on the state, congressional and senatorial tickets in Deerfield by precincts is not given as the Republicans had no opposition, and each ran about the same as the head of the state ticket with slight variations in different precincts. The unofficial vote by precincts in these townships on the questions of public policy also is given herewith:
